My Poetic Journey To Freedom:

My Poetic Journey to Freedom Crystal H. Vo, 2013-02 Writing has become an essential part of my life It allows me to express my inner voice and establish balance These poems and prose are small stories of a teenage girl who escaped her Vietnam homeland to find a better life in a foreign land She was homesick Life became so difficult and unbearable she suffered from depression She had feelings of inadequacy so small so insignificant and invisible thinking that she wouldn't be noticed by anyone Expressing and writing her darkest thoughts made her realize that she needed help She sought escape from personal problems through the power of prayer Within time her prayers were answered In this book entitled My Poetic Journey to Freedom is based on true stories in seeking a better life The writing shares the thoughts and needs of a daughter a sister a mother and a friend There are poems about a sick friend that needs help as well as uplifting poems that encourage you to believe in a higher being I can only hope that these poems help you find the strong person within while seeing a life that is rich with color and possibilities These poems came from the heart That heart wants nothing in return but wants to share feelings that can lift your spirit We all have moments of adversity but we do not want to dwell on them for long The sky is most beautiful after a storm

In My Shoes: My Poetic Journey from Abuse to Victory Lyn Crain, 2016-07-25 In the 1950s the phrase confessional poetry gained popularity initially with Robert Lowell Sylvia Plath and Anne Sexton This form of the written word gave artists a way to discuss private painful events in their own lives without actually sharing every minute detail with the world In My Shoes poetically portrays Lyn Crain's journey through cancer as well as physical and emotional abuse Her poetry is written from the heart and can be titillating or terrifying in a world that is often more black than white Crain felt the need to use her voice to share her story and in turn open the discussion for women suffering under similar circumstances Crain is grateful that domestic violence is not a taboo subject anymore however very few poets have addressed the subject in any length Silence enables but by raising voices it is possible to also raise awareness that domestic violence will no longer be accepted as the norm
