My Pride And Joy An Autobiography:

My Lion's Heart Gareth Patterson, 2014-09-15 Environmentalist independent researcher and author Gareth Patterson has spent his entire adult life working tirelessly for the greater protection of African wildlife and more particularly for that of the lion Born in England in 1963 Gareth grew up in Nigeria and Malawi From an early age he knew where his life's path would take him it would be in Africa and his life's work would be for the cause of the African wilderness and its wild inhabitants His is an all encompassing African story From his childhood in West and East Africa to his study of a threatened lion population in a private reserve in Botswana to his work with George Adamson celebrated as the Lion Man of Africa we witness Gareth's growing commitment to his life's mission This is nowhere more evident than in his account of his life as a human member of a lion pride experiencing life and death through its eyes as he successfully rehabilitated three famous orphaned lion cubs back into a life in the wilds At considerable risk to his own personal safety he exposed the sordid canned lion industry in South Africa bringing this shameful practice to international attention After moving to the Western Cape he took up the fight for the African elephant notably the unique endangered Knysna population and published his astonishing findings in his 2009 book *The Secret Elephants* Perhaps unsurprisingly given the stressful nature of his work Gareth suffered a massive physical and mental breakdown in his forties which he discusses here for the first time with an openness that underlines his courage Lesser men might have been broken but his lion's heart fought back and he ultimately overcame his illness Gareth Patterson's long awaited autobiography is a moving account of one man's single minded dedication to the preservation of Africa's wildlife It is also a stark reminder that if the human race does not want to lose Africa's priceless wild heritage there is no time to waste The lion is my totem animal and this is the story of my life in Africa for the lion

Nile in Uganda and back again In his haphazard and somewhat eccentric travels Harvie encounters missionaries and mechanics locals and ex pats rascals and rogues Delving into his own mixed British and South African identity he tries to fathom in his trademark witty and sardonic style the post independence national character of the southern central and east African countries through which he and his companions pass Delightfully opinionated brimming with interesting facts questionable comment and dubious speculations this book is essential reading for anyone with more than a passing interest in Africa travel history and people in a good read or simply in being alive *Christian the Lion* John Rendall,2018-10-18 The story that captured the imagination of the world In 1969 Harrods department store in London sold a three month old lion cub to two young Australians John Rendall and Anthony Ace Bourke They called him Christian For a year Christian lived happily and safely with John and Ace and his human pride initially in the World s End on the King s Road in Chelsea where Derek Cattani first began photographing him When Christian outgrew his London environment he was entrusted to the care of George Adamson in Kenya who with his wife Joy had successfully rehabilitated their lioness Elsa the subject of Joy s Book Born Free A year after Christian had been living in the wild John and Ace returned to Kenya to try and find him The film clip of their emotional reunion has now been viewed by over 100 million people on YouTube In 1973 Christian disappeared into the wild forever George Adamson had uniquely rehabilitated a 5th generation zoo bred lion John and Ace s first book about Christian was a million seller in the 1970s and enjoyed a huge resurgence of interest after their YouTube clip went viral in 2006 This brand new book from Bradt collects Derek Cattani s never before seen pictures of Christian and updates the story to the present day including the story of their YouTube sensation and a chapter on the murder of George Adamson When John and Ace took Christian to Kenya in 1970 there were an estimated 300 000 lions in Africa Today there are fewer than 25 000

Nature Conservation in Southern Africa ,2018-11-26 Nature conservation in southern Africa has always been characterised by an interplay between Capital specific understandings of Morality and forms of Militarism that are all dependent upon the shared subservience and marginalization of animals and certain groups of people in society Although the subjectivity of people has been rendered visible in earlier publications on histories of conservation in southern Africa the subjectivity of animals is hardly ever seriously considered or explicitly dealt with In this edited volume the subjectivity and sentience of animals is explicitly included The contributors argue that the shared human and animal marginalisation and agency in nature conservation in southern Africa and beyond could and should be further explored under the label of sentient conservation Contributors are Malcolm Draper Vupenyu Dzingirai Jan Bart Gewald Michael Glover Paul Hebinck Tariro Kamuti Lindiwe Mangwanya Albert Manhamo Dhoya Snijders Marja Spierenburg Sandra Swart Harry Wels [A Lion Called Christian](#) Anthony Bourke,John Rendall,2009-03-10 NEW YORK TIMES BESTSELLER A stirring tale of a rare bond formed between humans and an animal Time Two men One baby lion What could go wrong A Lion Called Christian tells the remarkable story of how Anthony Ace Bourke and John Rendall visitors to London from Australia in 1969 bought a boisterous

lion cub in the pet department of Harrods For several months the three of them shared a flat above a furniture shop on London s King s Road where the charismatic and intelligent Christian quickly became a local celebrity cruising the streets in the back of a Bentley popping in for lunch at a local restaurant even posing for a fashion advertisement But the lion cub was growing up fast and soon even the walled church garden where he went for exercise wasn t large enough for him How could Ace and John avoid having to send Christian to a zoo for the rest of his life A coincidental meeting with English actors Virginia McKenna and Bill Travers stars of the hit film Born Free led to Christian being flown to Kenya and placed under the expert care of the father of lions George Adamson Incredibly when Ace and John returned to Kenya to see Christian a year later they received a loving welcome from their lion who was by then fully integrated into Africa and a life with other lions A video of this reunion has become a YouTube classic Originally published in 1971 and now fully revised and updated with more than 50 photographs of Christian from cuddly cub in London to magnificent lion in Africa A Lion Called Christian is a touching and uplifting true story of an indelible human animal bond It is destined to become one of the great classics of animal literature

The White Spaces of Kenyan Settler Writing Terrence L. Craig,2017-03-27 The White Spaces of Kenyan Settler Writing provides an overview of Kenyan literature by white writers in the half century before Independence in 1964 Such literature has been over shadowed by that of black writers to the point of critical ostracism It deserves attention for its own sake as the expression of a community that hoped for permanence but suffered both disappointment and dispossession It deserves attention for its articulation of an increasingly desperate colonial and Imperial situation at a time when both were being attacked and abandoned in Africa as in other colonies elsewhere and when a counter discourse was being constructed by writers in Britain as well as in Africa Kenya was likely the best known twentieth century colony for it attracted publicity for its iconic safaris and its Happy Valley scandals Yet behind such scenes were settlers who had taken over lands from the native peoples and who were trying to make a future for themselves based on the labour willing or forced of those people This situation can be seen as a microcosm of one colonial exercise and can illuminate the historical tensions of such times The bibliography is an attempt to collect the literary resources of white Kenya in this historically significant period
