My Redeemer Lives Christian Short Stories:

My Redeemer Lives Stephen McHale, 2009-01 If you believe in miracles read this I remember the day the Lord rescued me from the traps and snares of yesterday and lit up my way to His house You know I have not reached my destination yet but I can see it on the horizon He has empowered me with the armor I need for my journey and He has saddled me on the finest white horse He has also equipped me with the weapons I will need in battle He has put me on the front lines of this battle and placed my feet in the center of this well lit path Oh and I m keeping my eyes fixed on my Lord Yes I can see the light of the house that has saved my soul I know my objective and I am sure of victory So that leads me to asking you who reads this Are you ready Is your house clean Stephen McHale has found his way to the Lord and he d like to help you find yours My Redeemer Lives is a collection of inspirational short stories based on finding God All you have to do is open your eyes let Him in believe and receive and then you will see the miracles happen and discover how simple and joyful life can be The Lord is there for you and waiting and McHale will show you the way to reach Him I Know that My Redeemer Lives

Ronald P. Hesselgrave, 2016-10-11 The book of Job has captured the imagination of Christians and non Christians alike In this study Ronald Hesselgrave shows how the personal story of Job s intense struggle with suffering is representative of the pain and vexation within the entire creation and how Job s eventual healing and restoration in the context of his relationship to God is connected to the grand narrative of God s purpose to redeem humanity and defeat evil in the world He explores the themes of creation evil lament justice and God s sovereignty grace and redemption within the separate speeches in Job and against the backdrop of wisdom literature as a whole A further concern of this study is with the pastoral or practical value of the book of Job both for caregivers and those who may themselves be going through the valley of deep trauma and suffering Dr Hesselgrave brings together theological social and psychological insights in a way that deepens our understanding of suffering and provides the basis for a more holistic and comprehensive response to the needs of those who suffer A final summary of the implications of Job for a practical theology of suffering is given in the conclusion *Free Church Sunday School Hymn Book* ,1875 **Catalogue of Title-entries of Books and Other Articles Entered in the Office of the Librarian of Congress, at Washington, Under the Copyright Law ...
