## **My Story Bible 66 Favorite Stories:**

**My Story Bible** Jan Godfrey, 2009-08-18 The people in the Bible come alive in this wonderful storybook It is filled with bright charming art and 66 favorite stories from God's Word Children will enjoy hearing these Bible stories the action the adventure and most of all God's love and care for his people Get ready to read these stories over and over again as your child learns more about God and finds a favorite story from the Bible *Children's Bibles in America* Russell W.

Dalton, 2015-11-19 Children's Bibles have been among the most popular and influential types of religious publications in the United States providing many Americans with their first formative experiences of the Bible and its stories In *Children's Bibles in America* Russell W Dalton explores the variety of ways in which children's Bibles have adapted illustrated and retold Bible stories for children throughout U S history This reception history of the story of Noah as it appears in children's Bibles provides striking examples of the multivalence and malleability of biblical texts and offers intriguing snapshots of American culture and American religion in their most basic forms Dalton demonstrates the ways in which children's Bibles reflect and reveal America's diverse and changing beliefs about God childhood morality and what must be passed on to the next generation Dalton uses the popular story of Noah's ark as a case study exploring how it has been adapted and appropriated to serve in a variety of social agendas Throughout America's history the image of God in children's Bible adaptations of the story of Noah has ranged from that of a powerful angry God who might destroy children at any time to that of a friendly God who will always keep children safe At the same time Noah has been lifted up as a model of virtues ranging from hard work and humble obedience to patience and positive thinking Dalton explores these uses of the story of Noah and more as he engages the fields of biblical studies the history of religion in America religious education childhood studies and children's literature *Read the Bible for Life* George H. Guthrie, 2011-01-01 The Bible may be the most purchased book in the world

but it is often the least read and least applied due to a basic lack of understanding and motivation on the part of readers *Read the Bible for Life* aims to improve biblical literacy in the culture and the church by simultaneously moving readers toward greater skill in reading the Bible well and toward a deeper commitment to applying Scripture to everyday life Through a series of down to earth conversations with some of today's brightest scholars author George Guthrie discusses the basic tools and attitudes needed to read the Bible more effectively Chapters focus on the various types of literature in Scripture and how to read them well For instance how should we read a psalm differently than we read a parable How should we read a story of the Old Testament differently than we read a letter from Paul How can we engage these various parts of Scripture in a way that is truly life changing The book also discusses issues such as reading the Bible in context choosing and reading a Bible translation reading in times of sorrow or suffering and reading the Bible with your family As we better understand how to read the Bible skillfully we begin to see how every person of the Bible every psalm and every teaching fits into the Bible's powerful overarching story and we begin to realize our place in the story God is still writing in the world

Endorsements In the church's dry desert of biblical illiteracy this book is a drink of cold refreshing water With pastoral sensitivity and practical skill George Guthrie is equipping us to know understand and apply the treasures of God's Word in a way that will transform our lives and our communities for the glory of our God I wholeheartedly recommend *Read the Bible For Life* for every Christian and every leader in the church David Platt New York Times best selling author of *Radical* In a culture where biblical illiteracy continues to spread like the proverbial plague George Guthrie has introduced a healing medicine in the form of *Read the Bible for Life* This overview of the Bible's nature and content will be welcomed in churches intent on developing biblically grounded followers of Christ The book's conversational approach provides an easy entry for a generation that tends to read only headlines With fresh insights for the long time student of God's Word and accessible material for the new student it is a resource I recommend for all believers Ed Stetzer coauthor *Transformational Church* The genuine give and take of conversation is key to the Christian community's deeper grasp of the Scriptures *Read the Bible for Life* is a celebration of biblical conversation between friends who really love the Word Hopefully lots of people will join in Michael Card award winning musician and author

**Discovering God's Will** Ken Hathcoat, 2018-03-25 How do you determine God's will for your life What steps are involved in making a biblical decision What role does faith play in determining God's will In *Discovering God's Will* Ken Hathcoat will answer these and many other questions as he discusses 12 principles of determining God's will and examines how these principles were lived out in the lives of people like Abraham Nehemiah Naomi and Mary Whether you've walked with the Lord for many years or you're a relatively new believer *Discovering God's Will* is an excellent guide to help you know how to determine God's will for your life

*Reading God's Story* George H. Guthrie, 2011-11-01 Stories are basic to life Everybody loves a good story We have been reading listening to or watching stories all of our lives so we intuitively know a lot about how they work Yet more and more Christians are unfamiliar with the stories of the Bible and how the grand narrative of God's Word fits together Indeed God gave us the stories of the Bible to reveal great truth about Himself and about our lives and He wants to draw us into the ongoing story of what He is doing in the world By focusing on the narrative framework of Scripture we can better understand what the Bible teaches and live out its instruction more effectively *Reading God's Story* takes that clear narrative approach to the Bible arranging the complete text into a fresh chronological reading plan developed for the *Read the Bible for Life* biblical literacy initiative In this plan the books chapters and verses of the Bible are thoughtfully arranged so readers can track the story of Scripture day by day from beginning to end understanding the flow of events and how all the different parts fit together to make sense *Reading God's Story* features two color interior page layout and is organized into 52 weeks of readings six readings per week It presents Scripture in three main acts God's Plan for All People God's Covenant People God's New Covenant People and seventeen total scenes providing an introduction for each act and scene to orient the reader to its importance in the grand story Unlike other chronological Bibles this arrangement is not date specific e.g. January 1 so a
