The Moral Democracy Michał Lubina,2019-03-12 Aung San Suu Kyi spoke passionately about non violence she wrote involved articles about compatibility of democracy with Buddhism and she won the hearts and minds of so many with her call for the freedom from fear It seemed for more than two decades that Suu Kyi was a perfect non Western propagator of democracy human rights rule of law Yet a deeper analysis reveals that Suu Kyi intellectually indeed has been a democrat all along but a Burmese democrat Suu Kyi understands democracy in a Buddhist way and she reasons about politics using Buddhist ideas idioms and concepts This Buddhist dominance of her political thought had several consequences the most important one being that her approach to politics has first and foremost been a moral one her vision of democracy and of politics in general is a moral vision It is something I propose to call the moral democracy The same reason that made her famous and admired worldwide now contributed to her fall from grace For too many outside Burma Myanmar it is impossible to understand how Suu Kyi yesterday s global personification of good and morality can now silently endorse crimes against humanity conducted in her country and accept forced relocation of 700 thousand people A cynic would quote Bertrand Russell s words we have two kinds of morality side by side one which we preach but do not practice and another which we practice but seldom preach and add a commentary that it applies especially to politicians One however may offer a more favourable explanation that Suu Kyi represents a tragic clash of ideas including moral ideas with political reality Whatever the case it was morality that made her famous it was the same moralistic attitude that contributed to her removal from international Olympus and it is this moral understanding of politics that is the hallmark of her political thought which is here to stay for longer as political ideas last longer than changing political circumstances and fashions From the Preface The

dramatic fall from grace of Burma's human rights icon Aung San Suu Kyi shocked the world Micha Lubina's magisterial account of Aung San Suu Kyi's political education demystifies the behavior in power of this otherwise enigmatic leader This is the indispensable book for anyone who wants to understand the mind of one of the world's most controversial women Prof Salvatore Babones University of Sydney Dr Micha Lubina known in Poland for portraying Aung San Suu Kyi not as a human rights activist but as a realist politician in the very footsteps of her father now comes out with his research to the international audience Following the example of Mahbubani's *Can Asia Think* Lubina shows the intellectual and philosophical tradition of Myanmar through the case study of Suu Kyi's political thought It's a unique undertaking that presents Suu Kyi from an unexpected angle as a theoretician and political thinker or sage Both the scope of research done and the material presented are very impressive and rather unique even on international scene Prof Bogdan G ralczyk University of Warsaw Former Ambassador to Myanmar This book is a well documented and well constructed multilayered complex analytical work based on very rich research interviews with Suu Kyi and personal observations of the Author who displays unquestioned analytical skills As such the book represents a pioneer work in Burmese studies Prof Agnieszka Kuszewska Jagiellonian University in Cracow None of the numerous books and articles that I have read about Daw Aung San Suu Kyi dissects her political thoughts and background as thoroughly as the book written by Dr Micha Lubina He shows the political construction of her character her struggle her idealism her sources of inspiration and her weaknesses It is a necessary publication to read in order to understand historical and contemporary policymaking in today's Burma Dr Marion Sabri University of Rouen Normandy

The History of Myanmar William J. Topich, Keith A. Leitich, 2013-01-09 This text provides a thorough examination of the history of Myanmar from Neolithic times to the present Myanmar has experienced a seemingly endless series of conquerors dating from prehistoric times through the reign of Kublai Khan's Mongol forces beginning in the late 1200s all the way through the modern era when it was subject to both British colonial control and invasion by the Japanese during World War II *The History of Myanmar* provides a detailed historical overview of the key people places and events in this often overlooked country's past and present It examines the history of Myanmar from Neolithic times to all of its ruling dynasties to the modern era in a chronological manner providing a contextual framework for the further exploration of its complex history This text pays special attention to the unique circumstances that led to the formation of the modern nation of Myanmar

The Politics of Love in Myanmar Lynette J. Chua, 2018-12-25 *The Politics of Love in Myanmar* offers an intimate ethnographic account of a group of LGBT activists before during and after Myanmar's post 2011 political transition Lynette J Chua explores how these activists devoted themselves to and fell in love with the practice of human rights and how they were able to empower queer Burmese to accept themselves gain social belonging and reform discriminatory legislation and law enforcement Informed by interviews with activists from all walks of life city dwellers villagers political dissidents children of military families wage laborers shopkeepers beauticians spirit mediums

lawyers students Chua details the vivid particulars of the LGBT activist experience founding a movement first among exiles and migrants and then in Myanmar's cities towns and countryside A distinct political and emotional culture of activism took shape fusing shared emotions and cultural bearings with legal and political ideas about human rights For this network of activists human rights moved hearts and minds and crafted a transformative web of friendship fellowship and affection among queer Burmese Chua's investigation provides crucial insights into the intersection of emotions and interpersonal relationships with law rights and social movements

Burma Redux Ian Holliday, 2012-03-06 Contemporary Myanmar faces immense political challenges and the role outsiders might play in dealing with them is highly contentious Drawing on views expressed by local citizens *Burma redux* argues for committed strategies of grassroots involvement that engage international aid agencies global corporations and foreign states The wide ranging discussion positions Myanmar's history contemporary politics and social circumstances within broader discussions of global justice democratic transitions the aid business corporate social responsibility and international sanctions Publisher's description

Myanmar's Integration with the World Prabir De, Ajitava Raychaudhuri, 2017-07-11 This book comprehensively investigates the challenges to Myanmar's access to

the global market Myanmar is a late entrant in the global trade and investment scenario after years of isolation. However, it has large untapped potentials for trade and investment in minerals, agro and forest based industries, other labour intensive industries, services like tourism, IT etc. Different chapters of the book explore the implication of democratic transition of Myanmar, the progress of Myanmar's industry and infrastructure, its international linkages and feasible options for integrating more in regional economic groups and also analyses how far Myanmar could exploit the global value chain. Although a number of reports have discussed sector specific prospects of Myanmar, this book is an authoritative work on these aspects for policy planners, academicians, researchers as well as potential investors. *Current Affairs September 2018 eBook* Jagran Josh, 2018-09-03. *Current Affairs September 2018 eBook* is created by keeping the demands of recent pattern of various competitive exams in major view. Chang,2024-07-23 This book analyses how technologies have been used by both the military junta and resistance movement in Myanmar s digital coup to control information and the transfer of funds and to pursue accountability They have been used to pressure and mobilise external actors and the book critically assesses international responses ranging from the United Nations ASEAN individual countries activist groups donors and international businesses Contact with the military has been criticised as recognising and legitimising the regime and individual firms have come under pressure to exit The authors argue that the National Unity Government overestimates the significance of foreign recognition and activists overestimate the influence of international responses on military behaviour They suggest external actors change from judging and excoriating the responses of the international community and focus on how foreign governments businesses or organisations can support and strengthen Myanmar society If change in Myanmar is to come it will be those that have remained not those that have left that will bring it about *North Korea and Myanmar* Andray Abrahamian,2018-02-12 North Korea and Myanmar Burma are Asia s most mysterious tragic stories For decades they were infamous as the region s most militarized and repressed societies self isolated and under sanctions by the international community while from Singapore to Japan the rest of Asia saw historic

wealth creation and growing middle class security For Burma the threat was internal insurgent factions clashed with the government and each other For North Korea it was external a hostile superpower the United States and a far more successful rival state South Korea occupying half of the Korean peninsula Over time Myanmar defeated its enemies giving it space to explore a form of democratization and openness that has led to reintegration into international society Meanwhile North Korea's regime believes its nuclear arsenal the primary reason for their pariah status is vital to survival

Myanmar's Foreign Exchange Market Koji Kubo, 2018-09-27 This is the first book dedicated to the scrutinization of Myanmar's unofficial foreign exchange market its roots in restrictive administrative controls on foreign exchange and international trade and its effects on the country's economic performance This book integrates vast pieces of records and data with first hand information from extensive fieldwork to create an overall picture of the chaotic but seemingly efficient foreign exchange market in Myanmar a transitional economy in Southeast Asia whose economic systems had been less known due to its isolation until recently This book illustrates how the unofficial foreign exchange market emerged during the country's transition to a market based economy how informal currency deals proliferated under restrictive controls and why they persist despite the significant economic reforms since 2011 Refuting the conventional wisdom of foreign exchange policy reforms this research clarifies path dependent features of foreign exchange market systems and it discusses possible solutions for modernizing economic systems This book is highly recommended to readers who seek an in depth analytical narrative about informal economic activities and foreign exchange policy reforms in a fragile state

Myanmar's Changing Political Landscape Makiko Takeda, Chosein Yamahata, 2023-04-05 Myanmar has faced numerous divisions that hinder its democratization and peacebuilding processes since emerging out of decades of military dictatorship The coup d'état in 2021 terminated Myanmar's limited and nascent democratization under the civilian leadership of the National League for Democracy NLD not only did the coup regime resurface old struggles but also created new ones Against the backdrop of Myanmar's changing political landscapes from military to quasi civilian to civilian rule in 2016 and back to military rule in 2021 the book discusses the various forms of interconnected struggles both old and new In this process the contributed chapters come together to highlight the changing dynamics of stakeholders relations between agents and beneficiaries and the generated evolutionary processes in Myanmar's democratization and its reversal This book brings an even mix of researchers both within and outside of Myanmar to critically discuss how different agents and their interactions in the form of center periphery as well as state non state relations continuously shape today's political landscape Its interdisciplinary composition also invites readers from various backgrounds to grasp with engaged research that identifies the various challenges and addresses ways in which to facilitate change from local and international perspectives

Demystifying Myanmar's Transition and Political Crisis Chosein Yamahata, Bobby Anderson, 2022-01-11 This book offers the assessment of Myanmar's societal changes development aspects and political situation over the course of the nation's short

lived democratic transition disrupted by the coup d'état on 1 February 2021. A multitude of authors with different expertise add new dimensions of analysis to provide a foundation for any future international cooperation in Myanmar's center and peripheries. The military's institutionalization of its influence and control in political, economic and social affairs has negatively affected the safety, security and peace of people and their communities at the periphery. This in turn has led the people to undertake local grassroots initiatives towards securing a genuine democratic transition at the local and national level. The chapters probe into Myanmar's transition and political crisis through in-depth discussion on the issues such as but not limited to state fragility, community resilience, political leadership, ethnic women's organizations, human security, education equality, IDPs and non-state actors, ethnic community-based health organizations, the 2020 election, peace process, development issues, the coup's destruction and a new born unity. The book covers an important collection of inputs from young and prominent scholars alike, offering a valuable resource for general readers, students and practitioners. The editors present this volume as a vital collection to literature at a time of heated political crisis and societal responses on her current course, since the contributors highlight the state of Myanmar by also focusing on the margins, the grassroots and the recent coup.
