The Myth of Sisyphus Albert Camus,2018-11-06 A Nobel Prize winning author delivers one of the most influential works of the twentieth century showing a way out of despair and reaffirming the value of existence Influenced by works such as Don Juan and the novels of Kafka these essays begin with a meditation on suicide the question of living or not living in a universe devoid of order or meaning With lyric eloquence Albert Camus brilliantly presents a crucial exposition of existentialist thought Bulfinch's Greek and Roman Mythology Thomas Bulfinch,2012-03-05 Vivid myths of Greece and Rome plus stories of Norse gods and heroes Zeus and Hera Apollo Jason and the golden fleece the wanderings of Ulysses and Aeneas the deeds of Thor many more **Translating Myth** Ben Pestell,Pietra Palazzolo,Leon Burnett,2016-05-20 Ever since Odysseus heard tales of his own exploits being retold among strangers audiences and readers have been alive to the complications and questions arising from the translation of myth How are myths taken and carried over into new languages new civilizations or new media An international group of scholars is gathered in this volume to present diverse but connected case studies which address the artistic and political implications of the changing condition of myth this most primal and malleable of forms Translation is treated broadly to encompass not only literary translation but also the transfer of myth across cultures and epochs In an age when the spiritual world is in crisis Translating Myth constitutes a timely exploration of myth s endurance and represents a consolidation of the status of myth studies as a discipline in its own right *Adventurous Women in Contemporary American Historical Fiction* Jeannette King,2022-03-10 This book brings together for the first time nine groundbreaking historical novels by women from the United States Canada and Latin America united by their focus on female adventurers These novels introduce the neglected women of history real and imagined who accompanied their

menfolk to the New World and enabled its settlement or colonisation Familiar novelists include Isabel Allende Audrey Thomas and Jane Smiley but this book also introduces less familiar writers who have produced richly textured and densely historical novels In addition to putting women back into history these writers engage with the literature of the past including the American canon of male fiction which dominated literary history before the intervention of feminist scholars The book begins with an introduction to the history of historical fiction and provides a theoretical historical and geographical context for the novels themselves

Black Sun Nicholas Goodrick-Clarke,2001-08-01 A comprehensive and revealing study of the mindset and motives that drive far right extremists in the post World War II West *Black Sun* examines the new neofascist ideology showing how hate groups militias and conspiracy cults gain influence Based on interviews and extensive research into underground groups the book documents new Nazi and fascist sects that have sprung up from the 1970s to the 1990s and examines the mentality and motivation of these far right extremists The result is a detailed grounded portrait of the mythical and devotional aspects of Hitler cults among Aryan mystics racist skinheads and Nazi satanists and disciples of heavy metal music and occult literature

The Myth of Sisyphus And Other Essays Albert Camus,2012-10-31 One of the most influential works of this century *The Myth of Sisyphus and Other Essays* is a crucial exposition of existentialist thought Influenced by works such as *Don Juan* and the novels of Kafka these essays begin with a meditation on suicide the question of living or not living in a universe devoid of order or meaning With lyric eloquence Albert Camus brilliantly posits a way out of despair reaffirming the value of personal existence and the possibility of life lived with dignity and authenticity

Equality Darrin McMahon,2024-04-11 This fascinating and refreshing book is more necessary than ever A must read Thomas Piketty Fascinating New York Times WINNER OF THE 2024 JACQUES BARZUN PRIZE IN CULTURAL HISTORY *Equality* is in crisis Our world is filled with soaring inequalities spanning wealth race identity and nationality Yet how can we strive for equality if we don't understand it As much as we have struggled for equality we have always been profoundly sceptical about it How much do we want and for whom Darrin M McMahon's *Equality* is the definitive intellectual history tracing equality's global origins and spread from the dawn of humanity through the Enlightenment to today *Equality* has been reimagined continually in the great world religions and the politics of the ancient world by revolutionaries and socialists Nazis and fascists and post war reformers and activists A magisterial exploration of why equality matters and why we continue to reimagine it *Equality* offers all the tools to rethink equality anew for our own age

The Critical Response to John Milton's Paradise Lost Timothy Miller,1997-04-22 *Paradise Lost* was recognized as a major epic poem soon after its publication in 1667 For more than three centuries critics have been describing interpreting and evaluating it Regardless of their approaches to changing literary values they have generally accepted it as the prime example of the epic in English As many critics have observed the poem brought biblical literary cultural social scientific and political elements into such aesthetic harmony that even its detractors have been forced to recognize its greatness And because of its complexity it has become a test case in literary

studies as a focal point for changing critical assumptions and literary values This reference book traces the critical reception of *Paradise Lost* from the 17th century to the present The volume is organized in chapters devoted to particular centuries with each chapter presenting a selection of reviews and critical essays from that period Thus the reader is able to chart the changing response to *Paradise Lost* over time An introductory essay summarizes the reception of Milton's work and a bibliography lists important sources of additional information The volume is organized in chapters devoted to particular centuries Each chapter then presents a selection of reviews and critical essays from that period Thus the reader is able to read the 17th century responses of Samuel Barrow John Dryden and Joseph Addison the 18th century reactions of Alexander Pope Samuel Johnson and William Blake the 19th century reactions of British Romantic and Victorian poets and the 20th century contributions of major scholars such as E M W Tillyard Stanley Fish Louis Martz and Northrop Frye The volume closes with a sampling of Milton's own comments about *Paradise Lost* and the epic and a selected bibliography of major editions reference works and critical studies

Chosen Legacies Linde Egberts, 2017-07-14 The urge for regional identity has not declined in the process of globalization Rather heritage is used to develop regional distinctiveness and to charge identities with a past Particularly helpful for this aim are creation stories Golden Ages or recent shared traumas Some themes such as the Roman era or the Second World War appear easier to appropriate than for example prehistory This book assesses the role of heritage in the construction of regional identities in Western Europe It contains case studies on early medieval heritage in Alsace and Euregio Meuse Rhine industrial heritage in the German Ruhr area and competing memories in the Arnhem Nijmegen region in the Netherlands It presents new insights into the process of heritage production on a regional level in relationship to processes of identity construction The theoretical analysis of heritage and regional identity is innovative as these concepts were hardly analysed in relation to each other before This book also offers insights into policy tourism spatial development and regional development to policymakers politicians designers and professionals in the heritage and tourism industries

Image and Myth Luca Giuliani, 2013-09-11 On museum visits we pass by beautiful well preserved vases from ancient Greece but how often do we understand what the images on them depict In *Image and Myth* Luca Giuliani tells the stories behind the pictures exploring how artists of antiquity had to determine which motifs or historical and mythic events to use to tell an underlying story while also keeping in mind the tastes and expectations of paying clients Covering the range of Greek style and its growth between the early Archaic and Hellenistic periods Giuliani describes the intellectual social and artistic contexts in which the images were created He reveals that developments in Greek vase painting were driven as much by the times as they were by tradition the better known the story the less leeway the artists had in interpreting it As literary culture transformed from an oral tradition in which stories were always in flux to the stability of written texts the images produced by artists eventually became nothing more than illustrations of canonical works At once a work of cultural and art history *Image and Myth* builds a new way of understanding the visual culture of
