Macroeconomics McConnell, William B. Walstad, 1999 *Macroeconomics* David C. Colander, Peter S. Sephton, Charlene Richter, 2002 An exploration of the macroeconomic aspects of economic growth business cycles and monetary and trade policy Macroeconomics explains how recent tax cuts have combined with the war on terrorism and slow economic growth to contribute to increasing budget deficits Also included are discussions of international trade policy comparative advantage and outsourcing as well as valuable Web access to more than 250 minutes of new videos from Paul Solman of the Lehrer NewsHour **Macroeconomics** Campbell R. McConnell, Thomas Paul Barbiero, Stanley L. Brue, 2002 The major goals of this revision have been to streamline the text and to present more student oriented examples We are also providing a new design with enhanced four colour graphics Much fine tuning and trimming has gone into almost every chapter resulting in a more approachable textbook for your students Several chapters that are rarely used will now appear on the book's website The 9th edition will be much better integrated with the book's website where students can get additional information and or current events associated with many major topics in the text Also the website will have Want to see the Math Notes for those instructors that choose a more sophisticated math treatment of the major topics in both Micro and Macro Another commitment to Instructor Support will be the annual updating of time sensitive PowerPoint slides Principles of Macroeconomics John E. Sayre, Alan James Morris, 2001 Economics is a difficult subject but why make it harder than it has to be Principles of Macroeconomics by John Sayre and Alan Morris offers a student oriented solution to learning economics Suitable for both college and university students this text is straightforward concise and balanced while minimizing jargon but maintaining essential rigor An integrated study guide and well paced self test questions allow students to learn economics by actually doing economics The four colour presentation with tried and tested pedagogy helps to keep students interested and focused Unlike other encyclopedic economics texts this text offers a creatively simplified approach to learning economics while ensuring complete coverage of generally accepted principles of the discipline **Macroeconomics** J. Bradford De Long, Arman Mansoorian, Leo Michelis, 2003-08 Macroeconomics First Canadian Edition offers a new approach to this subject Drawing upon their vast experience in teaching and research the authors have written an intermediate macroeconomics book that sets the standard for books in this third millennium DeLong provides a streamlined presentation of material traditional and modern resulting in a more understandable and comprehensive book This edition features five changes to the standard presentation of modern macroeconomics Provide a more student friendly way of learning growth theory Provide sufficient coverage of growth facts so that students learn the how and why of both growth over time and growth across countries Treat the economy as open from the beginning of the book Deal with interest rates not money stocks Increased focus on the Phillips curve These changes while not radical are shifts in emphasis and changes of focus They do not require recasting of courses but they are very important in bringing the organization of the book into line with what

students learning macroeconomics today need to know *Microeconomics, Study Guide* Edgar K. Browning, Mark A. Zupan, 2001-09-11 Provides a rich array of over 100 examples that show how theory works in real companies industry and government Applications throughout the book and in four unique applications chapters demonstrate the importance of microeconomics to sound decision making Makes microeconomics interesting relevant and easy to understand
