Meaning and the English Verb Geoffrey N. Leech, 2004 This practical study of the English language covers areas that are of particular interest and those which are known to cause particular difficulty for the foreign learner *The English Verb* Martin Joos, 1968 **Meaning and the English Verb** Geoffrey Neil Leech, 1975 *The English Verb* F.R. Palmer, 2014-06-11 A long established and highly regarded account of all aspects of the English verb taking account of recent work on tense phase and aspect and of the author's own research Theoretical discussion is kept to a minimum but the arguments are always presented within a modern theoretical framework *English Verb Classes and Alternations* Beth Levin, 1993-09 In this rich reference work Beth Levin classifies over 3 000 English verbs according to shared meaning and behavior Levin starts with the hypothesis that a verb's meaning influences its syntactic behavior and develops it into a powerful tool for studying the English verb lexicon She shows how identifying verbs with similar syntactic behavior provides an effective means of distinguishing semantically coherent verb classes and isolates these classes by examining verb behavior with respect to a wide range of syntactic alternations that reflect verb meaning The first part of the book sets out alternate ways in which verbs can express their arguments The second presents classes of verbs that share a kernel of meaning and explores in detail the behavior of each class drawing on the alternations in the first part Levin's discussion of each class and alternation includes lists of relevant verbs illustrative examples comments on noteworthy properties and bibliographic references The result is an original systematic picture of the organization of the verb inventory Easy to use *English Verb Classes and Alternations* sets the stage for further explorations of the interface between lexical semantics and syntax It will prove indispensable for theoretical and computational linguists psycholinguists cognitive scientists lexicographers and teachers of English as a second language **The English Verb** Michael Lewis, 1985 *Motion and the English Verb* Judith Huber, 2017-08-28 *Motion and the English Verb* offers an extensive study of motion encoding in medieval English including an investigation of the range of verbs occurring in the medieval English intransitive motion construction and an analysis of which verbs and structures are employed most frequently in talking about motion On this basis it analyses the various cognitive and contact linguistic aspects of the integration of typologically different French loan verbs expressing path of motion *Descriptive Syntax and the English Verb* David Kilby, 2019-08-13 Intended for advanced students and researchers in linguistics *Descriptive Syntax and the English Verb* first published in 1984 focuses on the syntax of the English verb and notions of tense aspect transitivity passive phrasal verb constructions nominalisations and complement sentence types are explored These constructions are shown to *Lessons on the English Verb* Walter Hirtle, 2007-03-19 While the work of Gustave Guillaume 1883 1960 has had an important influence on French linguistics his theory is not well known in the English speaking world *Lessons on the English Verb* provides a comprehensive treatment of the English verbal system within a Guillaumean theoretical framework an approach unprecedented in its systemic scope *The Naked Verb* David

Maule,1991 This text gets away from the grammar of lists and exceptions and leads the learner to an understanding of the central meaning of each verb tense It is designed on a self access basis with tasks which involve the individual user in decision making and encourage awareness of the living language Constructing a Lexicon of English Verbs Pamela B.
