Meanings Of Audiences Comparative Discourses:

Meanings of Audiences Richard Butsch, Sonia Livingstone, 2013-08-15 In today's thoroughly mediated societies people spend many hours in the role of audiences while powerful organizations including governments corporations and schools reach people via the media Consequently how people think about and organizations treat audiences has considerable significance This ground breaking collection offers original empirical studies of discourses about audiences by bringing together a genuinely international range of work With essays on audiences in ancient Greece early modern Germany Soviet and post Soviet Russia Zimbabwe contemporary Egypt Bengali India China Taiwan and immigrant diaspora in Belgium each chapter examines the ways in which audiences are embedded in discourses of power representation and regulation in different yet overlapping ways according to specific socio historical contexts Suitable for both undergraduate and postgraduate students this book is a valuable and original contribution to media and communication studies It will be particularly useful to those studying audiences and international media

Culture, Time and Publics in the Arab World Tarik Sabry, Joe F. Khalil, 2019-04-18 In this revealing new study Tarik Sabry and Joe Khalil preside over an original new exploration of Arab culture They employ subjects as varied as anthropology media studies philosophy political economy and cultural studies to illuminate the relationship between culture time and publics in an Arab context whilst also laying the foundations for a much more nuanced picture of Arab society The diverse themes and locations explored include communities at borders in rural and urban locations Syrian drama audiences Egyptian Saudi and Tunisian artists and activists and historical and contemporary Arab intellectuals This fresh empirical research and interdisciplinary analysis illuminate intricate experiences that transcend local national and religious boundaries and expose how Arab publics combine the media and technology to create a rich experience that shapes their collective imagination and social structure Providing a grounded orientation to key debates on time and what can be defined as public in modern Arab cultures Sabry and Khalil address teachers students and those concerned about the delicate structures that underpin the upheavals of the modern Arab world

Strengthen Democracy? Stephen Coleman,2017-05-11 From its inception as a public communication network the Internet was regarded by many people as a potential means of escaping from the stranglehold of top down stage managed politics If hundreds of millions of people could be the producers as well as receivers of political messages could that invigorate democracy If political elites fail to respond to such energy where will it leave them In this short book internationally renowned scholar of political communication Stephen Coleman argues that the best way to strengthen democracy is to reinvent it for the twenty first century Governments and global institutions have failed to seize the opportunity to democratise their ways of operating but online citizens are ahead of them developing practices that could revolutionise the exercise of political power **Gender and Media** Tonny Krijnen,Sofie Van Bauwel,2015-06-19 Why do some TV genres have the label feminine or masculine Why do we worry about boys playing video games too much while girls play just as often Is the TV show Sex and the City empowering or not Why are recent television shows like Desperate Housewives post feminist television Gender and Media explores these and other complex questions by offering a critical overview of the contemporary debates and discussions surrounding gender and mediated communication and by providing student s with an overview of the current academic research on these topics The book is divided into three parts representing producing and consuming with each section made up of three chapters The first chapter of each section attempts to answer the most basic questions Who is represented Who produces what and Who consumes what The second chapter of each section draws attention to the complexity of the relationship between gender and media concentrating on the why The third and final chapter of each section addresses the latest debates in the fields of media and gender adding a vital layer of understanding of the topic at hand This process is aided by text boxes which provide some additional information on the most important concepts and topics and exercises which help bridge the gap between theory and everyday life media practices This will be an ideal textbook for students studying gender and media and for general courses on gender studies sociology cultural studies and women s studies **The SAGE Handbook of Intellectual Property** Matthew David,Debora Halbert,2014-11-18 This Handbook brings together scholars from around the world in addressing the global significance of controversies over and

alternatives to intellectual property IP today It brings together over fifty of the leading authors in this field across the spectrum of academic disciplines from law economics geography sociology politics and anthropology This volume addresses the full spectrum of IP issues including copyright patent trademarks and trade secrets as well as parallel rights and novel applications In addition to addressing the role of IP in an increasingly information based and globalized economy and culture it also challenges the utility and viability of IP today and addresses a range of alternative futures Digital Media, Social Media, Immersive Media Mr. Rohit Manglik,2023-11-23 Exploration of evolving digital media tools and their immersive capabilities

The Play of Language in Ancient Greek Comedy Kostas Apostolakis, Ioannis M. Konstantakos,2024-05-06 Ancient Greek comedy relied primarily on its text and words for the fulfilment of its humorous effects and aesthetic goals In the wake of a rich tradition of previous scholarship this volume explores a variety of linguistic materials and stylistic artifices exploited by the Greek comic poets from vocabulary and figures of speech metaphors similes rhyme to types of joke obscenity and the mechanisms of parody Most of the chapters focus on Aristophanes and Old Comedy which offers the richest arsenal of such techniques but the less ploughed fields of Middle and New Comedy are also explored Emphasis is placed on practical criticism and textual readings on the examination of particular artifices of speech and the analysis of individual passages The main purpose is to highlight the use of language for the achievement of the aesthetic artistic and intellectual purposes of ancient comedy in particular for the generation of humour and comic effect the delineation of characters the transmission of ideological messages and the construction of poetic meaning The volume will be useful to scholars of ancient drama linguists students of humour and scholars of Classical literature in general The Courts of Philip II and Alexander the Great Frances Pownall, Sulochana R. Asirvatham, Sabine Müller,2022-01-19 Recent scholarship has recognized that Philip II and Alexander the Great adopted elements of their self fashioning and court ceremonial from previous empires in the Ancient Near East but it is generally assumed that the advent of the Macedonian court as a locus of politics and culture occurred only in the post Alexander landscape of the Hellenistic Successors This volume of ground breaking essays by leading scholars on Ancient Macedonia goes beyond existing research questions to assess the profound impact of Philip and Alexander on court culture throughout the ages The papers in this volume offer a thematic approach focusing upon key institutional cultural social ideological and iconographical aspects of the reigns of Philip and Alexander The authors treat the Macedonian court not only as a historical reality but also as an object of fascination to contemporary Greeks that ultimately became a topos in later reflections on the lives and careers of Philip and Alexander This collection of papers provides a paradigm shifting recognition of the seminal roles of Philip and Alexander in the emergence of a new kind of Macedonian kingship and court culture that was spectacularly successful and transformative

Everyday Media Culture in Africa Wendy Willems, Winston Mano,2016-11-10 African audiences and users are rapidly gaining in importance and increasingly targeted by global media companies social media platforms and mobile phone operators This is the first edited volume that addresses the everyday

lived experiences of Africans in their interaction with different kinds of media old and new state and private elite and popular global and national material and virtual So far the bulk of academic research on media and communication in Africa has studied media through the lens of media state relations thereby adopting liberal democracy as the normative ideal and examining the potential contribution of African media to development and democratization Focusing instead on everyday media culture in a range of African countries this volume contributes to the broader project of provincializing and decolonizing audience and internet studies

Can the Media Serve Democracy? S. Coleman, G. Moss, K. Parry, 2015-12-05 This landmark collection brings leading scholars in the field of political communication to debate one of the most important questions of our age Can the media serve democracy For the media to be democratic they must enter into a positive relationship with their readers viewers and listeners as citizens rather than consumers who buy things audiences who gaze upon spectacles or isolated egos obsessed with themselves The media's first task is to remind people that they are inhabitants of a world in which they can make a difference By enabling citizens to encounter and make sense of events relationships and cultures of which they have no direct experience the media constitute a public arena in which members of the public come together as more than passing strangers

Comparing Communication Systems Klaus Bruhn

Jensen, Rasmus Helles, 2022-11-29 Emphasizing the perspective of ordinary users this book compares the uses of the internet in three centers of the global economy and world politics China Europe and the United States It examines the internet as the current centerpiece of communication systems encompassing interpersonal communication mass communication and social networking The internet is unique as a medium in that it hosts both old media and new media As such it also integrates the prototypes of one to one interpersonal and one to many broadcast along with many to many social media and many to one surveillance communication This book considers how all these media and communicative practices are embedded in social structures cultural traditions and historical legacies of place Comparing conditions in China Europe and the United States the chapters provide an overview of the distinctive regulatory regimes framing the internet and its local uses the place of the internet in everyday life in each setting and how the internet serves as a resource for political economic and cultural actions and interactions Linking comparative analysis of media and social systems with ethnographic studies of internet usage on the ground this book will be of particular interest to students and scholars working in global media intercultural communication and internet studies

Reception Studies and Audiovisual Translation Elena Di Giovanni, Yves Gambier, 2018-06-15 The coming of age of audiovisual translation studies has brought about a much needed surge of studies focusing on the audience their comprehension appreciation or rejection of what reaches them through the medium of translation Although complex to perform studies on the reception of translated audiovisual texts offer a uniquely thorough picture of the life and afterlife of these texts This volume provides a detailed and comprehensive overview of reception studies related to audiovisual translation and accessibility from a diachronic and synchronic perspective Focusing on all audiovisual translation techniques and encompassing theoretical and methodological approaches from translation media and film studies it aims to become a reference for students and scholars across these fields

Humanism, Drama, and Performance Hana Worthen, 2020-10-13 This book examines the appropriation of theatre and theatrical performance by ideologies of humanism in terms that continue to echo across the related disciplines of literary drama theatre and performance history and studies today From Aristotle onward theatre has been regulated by three strains of critical poesis the literary segregating theatre and the practices of the spectacular from the humanizing work attributed to the book and to the internality of reading the dramatic approving the address of theatrical performance only to the extent that it instrumentalizes literary value and the theatrical assimilating performance to the conjunction of literary and liberal values These values have been used to figure not only the work of theatre but also the propriety of the audience as a figure for its socializing work along a privileged dualism from the aestheticized ensemble harmonizing actor character and spectator to the essentialized drama to the politicized assembly theatre understood as an agonistic gathering

Indigenous Language for Development Communication in the Global South Tshepang Bright Molale, Abiodun Salawu, Mohammad Sahid Ullah, Enrique Uribe-Jongbloed, 2022-11-23 Indigenous Language for Development Communication in the Global South brings together voices from the margins in underrepresented regions of

the Global South within the context of scholarship focusing on indigenous languages and development communication Contributors present cases as a starting point for further research and discussions about indigenous language and development communication in Latin America Africa and Asia Scholars of communication sociology linguistics and development studies will find this book of particular interest *Fridays of Rage* Sam Cherribi, 2017-02-01 *Fridays of Rage* reveals Al Jazeera's rise to that most respected of all Western media positions the watchdog of democracy Al Jazeera served as the nursery for the Arab world's democratic revolutions promoting Friday as a day of rage and popular protest This book provides a glimpse into how Al Jazeera strategically cast its journalists as martyrs in the struggle for Arab freedom while promoting itself as the mouthpiece and advocate of the Arab public In addition to heralding a new era of Arab democracy Al Jazeera has become a major influence over Arab perceptions of American involvement in the Arab World the Arab Israeli conflict the rise of global Islamic fundamentalism and the expansion of the political far right Al Jazeera's blueprint for Muslim democracy was part of a vision announced by the network during its earliest broadcasts The network embarked upon a mission to reconstruct the Arab mindset and psyche Al Jazeera introduced exiled Islamist leaders to the larger Arab public while also providing Muslim feminists a platform The inclusion and consideration of Westerners Israelis Hamas secularists and others earned the network a reputation for pluralism and inclusiveness Al Jazeera presented a mirror to an Arab world afraid to examine itself and its democratic deficiencies But rather than assuming that Al Jazeera is a monolithic force for positive transformation in Arab society *Fridays of Rage* examines the potentially dark implications of Al Jazeera's radical re-conceptualization of media as a strategic tool or weapon As a powerful and rapidly evolving source of global influence Al Jazeera embodies many paradoxes the manifestations and effects of which we are likely only now becoming apparent *Fridays of Rage* guides readers through this murky territory where journalists are martyrs words are weapons and facts are bullets

Meanings Of Audiences Comparative Discourses: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have captivated audiences this year. Meanings Of Audiences Comparative Discourses : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
