William A. Schabas

Means To An End Us Interest In The International Criminal Court:

Means to an End Lee Feinstein, Tod Lindberg, 2011-11-11 The International Criminal Court remains a sensitive issue in U S foreign policy circles It was agreed to at the tail end of the Clinton administration but with serious reservations In 2002 the Bush administration ceremoniously reversed course and unsigned the Rome Statute that had established the Court But recent developments in Washington and elsewhere indicate that the United States may be moving toward de facto acceptance of the Court and active cooperation in its mission In Means to an End Lee Feinstein and Tod Lindberg reassess the relationship of the United States and the ICC as well as American policy toward international justice more broadly Praise for the hardcover edition of Means to an End Books of this sort are all too rare Two experienced policy intellectuals one liberal one conservative have come together to find common ground on a controversial foreign policy issue The book is short but it goes a long way toward clearing the ideological air Foreign Affairs A well researched and timely contribution to the debate over America s proper relationship to the International Criminal Court Rigorous in its arguments and humane in its conclusions the volume is an indispensable guide for scholars and policymakers alike Madeleine K Albright former U S Secretary of State Two of our nation s leading authorities on preventing atrocities have joined to make a convincing argument that closer cooperation with the International Criminal Court will help promote human rights and the values on which America was founded Angelina Jolie co chair Jolie Pitt Foundation

Means to an End Lee Feinstein, Tod Lindberg, 2011-11 Reassesses U S relationship with the ICC and broader issues of U S policy toward international justice Argues U S active support of ICC serves U S interests and is consistent with values to which America has aspired Focuses on foreign policy national security and moral cases for shifting U S policy toward the Court Provided by publisher **An**

Introduction to the International Criminal Court William A. Schabas, 2020-07-02 This is the authoritative introduction to the International Criminal Court fully updated in this sixth edition The book covers the legal framework of the Court the cases that it has heard and that are still to come and the political debates surrounding its operation It is written by one of the major authorities on the subject in language accessible to non specialists The sixth edition brings legal references fully up to date in light of the Court s case law Several trials have now been completed with four convictions and a number of controversial acquittals The book also discusses the situations that the Court is currently investigating including Palestine Georgia Ukraine Venezuela and the UK in Iraq It also looks into the crisis with African states and the hostility of the United States to the institution The UN Security Council and the International Criminal Court Gabriel M. Lentner, 2018-11-30

Drawing on both theory and practice this insightful book offers a comprehensive analysis of the relationship between the United Nations Security Council UNSC and the International Criminal Court ICC centred on the referral mechanism Arguing that the legal nature of the referral must be conceptualized as a conferral of powers from the UNSC to the ICC the author explores the complex legal relationship between interacting international organizations **Rules, Politics, and the**

International Criminal Court Yvonne Dutton, 2013-08-21 In this new work Dutton examines the ICC and whether and how its enforcement mechanism influences state membership and the court's ability to realize treaty goals examining questions such as Why did states decide to create the ICC and design the institution with this uniquely strong enforcement mechanism Will the ICC's enforcement mechanism be sufficient to hold states accountable to their commitment so that the ICC can realize its goal of ending impunity for genocide crimes against humanity and war crimes Will states view the ICC's enforcement mechanism as a credible threat and refuse to join unless they already have good domestic human rights practices and institutions that are independent and capable of prosecuting human rights abuses If states that most need to improve their domestic legal practices as relates to protecting against human rights abuses do not join the court is there any hope that the threat of punishment by the ICC can play a role in bettering state's human rights practices and deterring individuals from committing mass atrocities This work provides a significant contribution to the field and will be of great interest to students and scholars of international law international relations international organizations and human rights

The Institutionalization of the International Criminal Court Salla Huikuri, 2018-08-21 This book explores the institution of the International Criminal Court ICC as a policy instrument It argues that after the Cold War the European Union started challenging the unilateral policies of the United States by promoting new norms and institutions such as the ICC This development flies in the face of traditional explanations for cooperation which would theorize institutionalization as the result of hegemonic preponderance rational calculations or common identities The book explains the dynamics behind the emergence of the ICC with a novel theoretical concept of normative binding Normative binding is a strategy that provides middle powers with the means to tie down the unilateral policies of powerful actors that prefer not to cooperate The idea is to promote new multilateral norms and deposit them in institutions which have the potential to become binding even on unilateralist actors if the majority of states adhere to them

The Oxford Companion to American Politics David Coates, 2012-07-12 Provides students and scholars with a valuable reference source in the field of American Politics The Companion will equip readers with a deep understanding of the complex interaction between governmental institutions and processes and the wider American economy and society that they govern

The International Criminal Court, the Security Council and Darfur: A Critique Ammar Mahmoud, 2017-09 This book considers the relationship between the International Criminal Court ICC and the United Nations Security Council UNSC under three major aspects triggering the jurisdiction of the Court when the Security Council adopts a resolution requesting that under Article 13 b of the Rome Statute delaying the Court's action by UNSC according to Article 16 of the Rome Statute and the cooperation between the two institutions in cases where the Council refers to the Court situations and also with regard to state party referrals and situations initiated proprio motu by the Prosecutor The book analyzes this relationship according to Resolution 1593 2005 by which the Security Council assigned the situation in Darfur to the Court It highlights the main flaws of this Resolution and

discusses the African Union's position towards the Court United States Law and Policy on Transitional Justice Zachary Daniel Kaufman, 2016 In United States Law and Policy on Transitional Justice Principles Politics and Pragmatics Zachary D Kaufman explores the U S government's support for or opposition to certain transitional justice institutions By first presenting an overview of possible responses to atrocities such as war crimes tribunals and then analyzing six historical case studies Kaufman evaluates why and how the United States has pursued particular transitional justice options since World War II This book challenges the legalist paradigm which postulates that liberal states pursue war crimes tribunals because their decision makers hold a principled commitment to the rule of law Kaufman develops an alternative theory prudentialism which contends that any state liberal or illiberal may support bona fide war crimes tribunals More generally prudentialism proposes that states pursue transitional justice options not out of strict adherence to certain principles but as a result of a case specific balancing of politics pragmatics and normative beliefs Kaufman tests these two competing theories through the U S experience in six contexts Germany and Japan after World War II the 1988 bombing of Pan Am flight 103 the 1990 1991 Iraqi offenses against Kuwaitis the atrocities in the former Yugoslavia in the 1990s and the 1994 Rwandan genocide Kaufman demonstrates that political and pragmatic factors featured as or more prominently in U S transitional justice policy than did U S government officials normative beliefs Kaufman thus concludes that at least for the United States prudentialism is superior to legalism as an explanatory theory in transitional justice policymaking **The Oxford Companion to**

Comparative Politics Joel Krieger, 2013 The two volume Oxford Companion to Comparative Politics fills a gap in scholarship on an increasingly important field within Political Science Comparative Politics the discipline devoted to the politics of other countries or peoples has been steadily gaining prominence as a field of study allowing politics to be viewed from a wider foundation than a concentration on domestic affairs would permit Comparativists apply various theories and concepts to analyze the similarities and differences between political units using the results of their research to develop causalities and generalizations Each of these theories and outcomes are thoroughly defined in the Companion as are major resultant conclusions those comparativists who have influenced the field in significant ways and politicians whose administrations have shaped the evaluation of contrasting governments Approximately 200 revised and updated articles from the Oxford Companion to Politics of the World would serve as a foundation for the set while over 100 new entries would thoroughly examine the field in a lasting more theoretical than current event based way New entries cover such topics as failed states Grand Strategies and Soft Power important updates include such countries as China and Afghanistan and issues like Capital Punishment Gender and Politics and Totalitarianism Country entries include the most significant nations to permit a focus on non time sensitive analysis In addition 25 1 000 word interpretive essays by notable figures analyze the discipline its issues and accomplishments Collectively entries promote deeper understanding of a field that is often elusive to non specialists

Means to an End Lee Feinstein, Tod Lindberg, 2011-11-11 The International Criminal Court remains a sensitive issue in

U S foreign policy circles It was agreed to at the tail end of the Clinton administration but with serious reservations In 2002 the Bush administration ceremoniously reversed course and unsigned the Rome Statute that had established the Court But recent developments in Washington and elsewhere indicate that the United States may be moving toward de facto acceptance of the Court and active cooperation in its mission In Means to an End Lee Feinstein and Tod Lindberg reassess the relationship of the United States and the ICC as well as American policy toward international justice more broadly Praise for the hardcover edition of Means to an End Books of this sort are all too rare Two experienced policy intellectuals one liberal one conservative have come together to find common ground on a controversial foreign policy issue The book is short but it goes a long way toward clearing the ideological air Foreign Affairs A well researched and timely contribution to the debate over America s proper relationship to the International Criminal Court Rigorous in its arguments and humane in its conclusions the volume is an indispensable guide for scholars and policymakers alike Madeleine K Albright former U S Secretary of State Two of our nation s leading authorities on preventing atrocities have joined to make a convincing argument that closer cooperation with the International Criminal Court will help promote human rights and the values on which America was founded Angelina Jolie co chair Jolie Pitt Foundation *Transatlantic Relations in the 21st Century* Erwan Lagadec, 2012 This book offers an overview of the interface between European integration transatlantic relations and the rise of the rest in the early 21st century The collapse of the Soviet bloc opened up an era in which the drivers and perceived benefits of the US alliance among European countries have become more variegated and shifting The proposition that the US remains at once an indispensable and intolerable nation in Europe is a key concept in the alliance as the US remains inextricably tied to the continent through economic military and cultural links This work examines this complex subject area from many angles including an analysis of the historical and cultural contexts of America s relations with Europe as well as a discussion of the politics of transatlantic affairs which utilises evidence gleaned from a series of case studies In the concluding chapters the author assesses the likelihood that the West can entrench its global dominance in the realms of soft and hard power and by effecting a controlled reform that will see multilateral structures open up to emerging powers This book will be of great interest to students of European Politics EU integration transatlantic relations US foreign policy diplomacy International Security and IR in general American Foreign Policy Since WWII 19th Edition Steven W. Hook, John Spanier, 2013 Allowing students to truly grasp the functions and frequent dysfunctions of America s foreign policy agenda this book has long set the standard in guiding students through the complexities of the field **American Foreign Policy Since World War II** Steven W. Hook, John Spanier, 2015-03-03 Steven Hook and John Spanier s classic text American Foreign Policy Since World War II celebrates its Twentieth Edition It has remained the standard for guiding students through the complexities of American foreign policy by showing how recent developments confirm the book s overarching theme that there is an American style of foreign policy imbued with a distinct sense of national exceptionalism Giving students important

historical context the book allows them to grasp the functions and frequent dysfunctions of the nation's evolving foreign policy agenda. In this new edition chapters covering the end of the Cold War have been combined and streamlined making room for a new chapter that examines the aftershocks of the Arab Spring political breakdowns in Iraq and Afghanistan and the rise of the Islamic State. The final chapter considers the revival of power politics in world politics with Russia and China stepping up their attempts to weaken the United States and create a multipolar world. The book ends by reconsidering America's distinctive style of foreign policy and its resilience amid such turbulence since World War II.

Violent States and Creative States (2 Volume Set) John Adlam, Tilman Kluttig, Bandy Lee, 2018-05-03. This is a provocative collection exploring the different types of violence and how they relate to one another examined through the integration of several disciplines including forensic psychotherapy, psychiatry, sociology, psychosocial studies and political science. By examining the violent states of mind behind specific forms of violence and the social and societal contexts in which an individual act of human violence takes place, the contributors reveal the dynamic forces and reasoning behind specific forms of violence including structural violence and conceptualise the societal structures themselves as violent states. Other research often stops short at examining the causes and risk factors for violence without considering the opposite states that may not only mitigate but allow for a different unfolding of individual and societal evolution. As a potential antidote to violence, the authors prescribe an understanding of these creative states with their psychological origins and their importance in human behaviour and meaning seeking. Making a call to move beyond merely mitigating violence to the opposite direction of fostering creative potential, this book is foundational in its capacity to cultivate social consciousness and effect positive change in areas of governance, policy making and collective responsibility. This two volume set includes Volume 1: Structural Violence and Creative Structures ISBN 9781785925641, Volume 2: Human Violence and Creative Humanity ISBN 9781785925658.

Justice in Conflict Mark Kersten, 2016-08-04. What happens when the international community simultaneously pursues peace and justice in response to ongoing conflicts? What are the effects of interventions by the International Criminal Court (ICC) on the wars in which the institution intervenes? Is holding perpetrators of mass atrocities accountable a help or hindrance to conflict resolution? This book offers an in-depth examination of the effects of interventions by the ICC on peace, justice and conflict processes. The peace versus justice debate, wherein it is argued that the ICC has either positive or negative effects on peace, has spawned in response to the Court's propensity to intervene in conflicts as they still rage. This book is a response to and a critical engagement with this debate. Building on theoretical and analytical insights from the fields of conflict and peace studies, conflict resolution and negotiation theory, the book develops a novel analytical framework to study the Court's effects on peace, justice and conflict processes. This framework is applied to two cases: Libya and northern Uganda. Drawing on extensive fieldwork, the core of the book examines the empirical effects of the ICC on each case. The book also examines why the ICC has the effects that it does, delineating the relationship between the interests of states that refer situations to the

Court and the ICC's institutional interests arguing that the negotiation of these interests determines which side of a conflict the ICC targets and thus its effects on peace justice and conflict processes While the effects of the ICC's interventions are ultimately and inevitably mixed the book makes a unique contribution to the empirical record on ICC interventions and presents a novel and sophisticated means of studying analyzing and understanding the effects of the Court's interventions in Libya northern Uganda and beyond

Violent States and Creative States (Volume 1) John Adlam, Tilman Kluttig, Bandy Lee, 2018-05-03 This is a provocative collection exploring the different types of violence and how they relate to one another examined through the integration of several disciplines including forensic psychotherapy psychiatry sociology psychosocial studies and political science By examining the violent states of mind behind specific forms of violence and the social and societal contexts in which an individual act of human violence takes place the contributors reveal the dynamic forces and reasoning behind specific forms of violence including structural violence and conceptualise the societal structures themselves as violent states Other research often stops short at examining the causes and risk factors for violence without considering the opposite states that may not only mitigate but allow for a different unfolding of individual and societal evolution As a potential antidote to violence the authors prescribe an understanding of these creative states with their psychological origins and their importance in human behaviour and meaning seeking Making a call to move beyond merely mitigating violence to the opposite direction of fostering creative potential this book is foundational in its capacity to cultivate social consciousness and effect positive change in areas of governance policy making and collective responsibility Volume 1 Structural Violence and Creative Structures covers structural and symbolic violence with violent states and State violence and with creative responses and creative states at the local and global levels

Chinese (Taiwan) Yearbook of International Law and Affairs, Volume 32 (2014) Ying-jeou Ma, 2016-04-18 The Chinese Taiwan Yearbook of International Law and Affairs includes articles and international law materials relating to the Asia Pacific and the Republic of China on Taiwan This volume discusses issues pertaining to the ASEAN Community East Asian FTAs and the South China Sea disputes It provides a detailed account of Taiwan's implementation of international human rights treaties and the government's positions on the Diaoyutai Senkaku Islands and high level cross strait negotiations Authors should submit their manuscripts to the Yearbook via e-mail at yearbook.nccu.edu.tw

U.S. Foreign Policy Donald M. Snow, Patrick J. Haney, 2017-08-02 U.S. Foreign Policy Back to the Water's Edge is based on the old idea that despite domestic differences and party politics Americans should unite at the water's edge and present a cohesive front to a hostile world The fifth edition explores this theme through coverage of the Trump administration its early policies and how Trump's initiatives fit into the broader historical patterns of foreign policy in the United States More compact than most of its competitors the fifth edition packs necessary information and concepts into a lean but readable format It contains rich historical content providing the reader with snapshots of some of the truly classic highlights and lowlights of America's record in foreign affairs Written with the

student reader in mind each chapter offers several pedagogical aids designed to reinforce and extend comprehension of the material This text is also accompanied by a companion reader Regional Cases in Foreign Policy Second Edition was written by Don Snow with the specific intention of providing material and perspectives not contained in the text The reader contains fourteen mini cases that can accompany classroom discussions or lectures on subjects as diverse as relations with Russia Israel or the Islamic State specific questions like the border fence with Mexico U S Cuban relations or the British withdrawal from the European Union Brexit Case examples are drawn from all parts of the world Public History for a Post-Truth Era Liz Sevcenko, 2022-07-25 Public History for a Post Truth Era explores how to combat historical denial when faith in facts is at an all time low Moving beyond memorial museums or documentaries the book shares on the ground stories of participatory public memory movements that brought people together to grapple with the deep roots and current truths of human rights abuses It gives an inside look at Sites of Conscience around the world and the memory activists unearthing their hidden histories from the Soviet Gulag to the slave trade in Senegal It then follows hundreds of people joining forces across dozens of US cities to fight denial of Guant namo mass incarceration and climate change As reparations proposals proliferate in the US the book is a resource for anyone seeking to confront historical injustices and redress their harms Written in accessible non academic language it will appeal to students educators or supportive citizens interested in public history museums or movement organizing

Means To An End Us Interest In The International Criminal Court Introduction

In the digital age, access to information has become easier than ever before. The ability to download Means To An End Us Interest In The International Criminal Court has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Means To An End Us Interest In The International Criminal Court has opened up a world of possibilities. Downloading Means To An End Us Interest In The International Criminal Court provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Means To An End Us Interest In The International Criminal Court has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Means To An End Us Interest In The International Criminal Court. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Means To An End Us Interest In The International Criminal Court. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Means To An End Us Interest In The

International Criminal Court, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Means To An End Us Interest In The International Criminal Court has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Means To An End Us Interest In The International Criminal Court Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Means To An End Us Interest In The International Criminal Court is one of the best book in our library for free trial. We provide copy of Means To An End Us Interest In The International Criminal Court in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Means To An End Us Interest In The International Criminal Court. Where to download Means To An End Us Interest In The International Criminal Court online for free? Are you looking for Means To An End Us Interest In The International Criminal Court PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Means To An End Us Interest In The International Criminal Court. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are

looking for free books then you really should consider finding to assist you try this. Several of Means To An End Us Interest In The International Criminal Court are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Means To An End Us Interest In The International Criminal Court. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Means To An End Us Interest In The International Criminal Court To get started finding Means To An End Us Interest In The International Criminal Court, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Means To An End Us Interest In The International Criminal Court So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Means To An End Us Interest In The International Criminal Court. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Means To An End Us Interest In The International Criminal Court, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop.
