The Waters of Arcamo A. C. Nicholas,2013-10-17 High school senior Gina Corcoran lived a fairly normal life with her mother grandmother and brother Once every year or so she would even get to leave her home in San Antonio Texas and spend a few weeks in the summer with her great aunt Anna at a small farmhouse just outside of Binghamton New York There she would be told stories of her family of how they came from the Italian island of Sicily to Americafirst to New York and then when her grandmother moved to Texasand of her life in San Antonio Family stories like these often have a lasting effect upon a person The stories that she wasnt told were older deeper darker and would change her life forever This is the story of Gina the great niece of Anna Del Forno the wealthy owner and CEO of Del Forno Bottling producers of Acqua DArcamo a popular bottled water made at a plant on the grounds of the Del Forno Villa an estate in Arcamo Sicily How Anna came to be the head of such a profitable company and all the abundance that came with it at first meant very little to Gina until of course the legacy took hold What some would see as a family legacy others might view as a curse How could Gina have possibly known what turns her life would take when with each passing day each startling revelation brought her closer to danger dancing with death Have you ever been frightened So afraid that you could barely control your own emotions Imagine what it would feel like if your inner fears and angers got the better of you and came out Think of it as letting out the inner beast Imagine over time being able to allow those feelings to come out whenever you needed them Oh and imagine that when you do you are no longer you but rather a fully grown wolfnot a monster not a science experiment but a genuine living wolf You can think like a wolf thinks see like a wolf sees even hunt with the quiet tenacity in which a wolf hunts And when you hunger you will hunt All this unfolds here and more as Gina becomes immersed in the Waters of Arcamo

Sarah's Child Paul England, 2014-06-28 Sarah's Child is all about love, decency and reality in a very contemporary context. When young Sarah Clarkson finds she is pregnant to her boyfriend Stewart, she thinks her fairy tale life is just beginning. That fairy tale turns into a nightmare of domestic violence and crippling control and jealousy driving Sarah over the edge. Sarah develops postpartum depression, joining millions of mothers around the world with this insidious and crippling condition. Even when recovered, her life is wrought with frustration and pain as the father of her child uses every dirty trick in the book to control her. Desperation drives Sarah to commit a crime that sends her even further down the path of despair and no matter what crimes her spouse may commit against her, it seems society is one-sided and there is for the once mentally ill no justice.

Sage Tales Rabbi Burton L. Visotzky, 2014-02-01 A prophet and a pretty woman, a rainmaker and a renegade from them, we learn about ourselves. Ancient stories that whisper truth to your soul, new in paperback. Great stories have the power to draw the heart. But certain stories have the power to draw the heart to God and awaken the better angels of our nature. Such are the tales of the rabbis of the Talmud, colorful, quirky yarns that tug at our heartstrings and test our values, ethics, morality and our imaginations. In this collection for people of all faiths and backgrounds, Rabbi Burton Visotzky draws on four decades of telling and teaching these legends in order to unlock their wisdom for the contemporary heart. He introduces you to the cast of characters, explains their motivations and provides the historical background needed to penetrate the wise lessons often hidden within these unusual narratives. In learning how and why these oft-told tales were spun, you discover how they continue to hold value for our lives.

Gallopington Gourmet Steve Friesen, 2023-12 2024 Colorado Book Award History Finalist 2024 Will Rogers Medallion Silver Winner in Western Biographies Memoirs Gallopington Gourmet explores an unfamiliar side of a familiar character in American history, William F. Buffalo Bill Cody. In this entertaining narrative, Steve Friesen explores the evolving role of eating and drinking in Buffalo Bill's life. 1846-1917 Friesen starts with Buffalo Bill's culinary roots on the American Plains, eating simple foods such as cornbread, fried yellow-legged chicken and hardtack. Buffalo Bill discovered gourmet dining while leading buffalo hunting expeditions and scouting. As his fame increased, so did his desire and opportunities for fine dining; his early show business career allowed him to dine at some of the best restaurants in the country. Friesen examines the creation of Buffalo Bill's Wild West Show in 1883, in which Cody introduced his diverse cast of employees to dining that equaled America's best restaurants. One newspaper reporter observed that Colonel Cody displays no more care about anything than the proper feeding of horse and man. Cody opened the first Mexican restaurant east of the Mississippi and introduced American foodways to Europe. Equally comfortable eating around a campfire on the plains or at Delmonico's.

in New York City he also dined with leading celebrities of his day In the final section Friesen addresses the controversies surrounding Cody's drinking his death and his ongoing culinary legacy Galloping Gourmet includes an appendix of more than thirty annotated period recipes The Road to Utopia Nancy Parker-Simons,Kinky Friedman,2006-08-01 Noah had it easy On any given day at the Utopia Animal Rescue Ranch in Medina Texas Nancy Parker Simons her husband Tony Simons and a willing crew of employees and volunteers care for at least sixty rescued dogs not to mention numerous cats chickens pigs horses wild mustangs donkeys and a rooster named Alfred Hitchcock and Kinky Friedman the rescue ranch's Gandhi like figure who brings Nancy and Tony stray and abused animals raises money for the rescue ranch and makes sure no one leaves the ranch without a dog or two In this entertaining book Nancy Parker Simons tells the heartwarming often hilarious story of the Utopia Animal Rescue Ranch She describes how a series of it must have been fate incidents brought her together with Tony Simons and Kinky Friedman and how in 1998 the three of them decided to create a no kill haven for homeless and abused animals in the Texas Hill Country Since their first rescue the magnificent seven which were in fact forty one dogs liberated from local animal shelters Cousin Nancy and her crew have rescued over one thousand animals Parker Simons tells the fascinating stories of several dozen fortunate dogs cats and other animals that have come to the rescue ranch either to be adopted by new owners or to live out their days in the ranch's utopia She also pays tribute to the many supporters who have helped keep the ark afloat including First Lady Laura Bush Willie Nelson Jerry Jeff Walker Dwight Yoakam Robert Earl Keen Molly Ivins and Don Imus Everyone who cares about animal welfare will find The Road to Utopia hard to resist **Refuge Cross** Sven Grams,2012-07 Refuge Cross is an exciting new adventure series for young adults or simply the young at heart Join Trex and Sara on their perilous journey as they try to outwit a dangerous band of exiles where secrets betrayal and disloyalty are the norm Their beliefs morals and identity are tested and shaped as they navigate through a time of increasing danger and intrigue when their once separate paths clash head on and are inexorably interwoven forever ABOUT THE AUTHOR Having traveled extensively throughout the world Sven Grams intrigue and fascination on the development and variety of the human condition has never diminished in particular the influence of environment on personality and the influence of emotional intelligence on shaping our common humanity Refuge Cross combines his passion for storytelling history social development and emotional intelligence through the creation of a fantastical world where contrasting groups of characters play out their individuality in a time filled with intrigue and adventure The challenge of writing an engaging well paced adventure story has proven to be rewarding and enjoyable experience I only hope that even if the reader receives only a fraction of the joy that I did while writing it they will have found the book to be a worthwhile experience And I hope that they will be just as eager as I am to find out how the story continues for its colorful cast of detailed characters Sven Grams author Wildlife Sanctuaries and the Audubon Society John M.
