In just the first two months

of 2004 26 mining shares increased more than 20% with five shares doubling Merrill Lynch's World Mining Trust is the UK s best performing fund over the past three years having risen by over 200 per cent But is the mining boom about to end Not according to this book by Michael Coulson Chairman of the Association of Mining Analysts Coulson argues that if anything we are still in the early stages of prolonged strength in mining stocks and despite what some commentators are saying the boom is far from over FROM THE BACK COVERThe prospect of instant riches gives the mining sector an obvious glamour And when the mining sector begins to run it can be an awesome sight and the excitement generated can be every bit as seductive and heady as that which enveloped markets during the internet boom But due to the counter cyclical nature of many mining stocks they can also offer a valuable refuge when stock markets turn down In this book Michael Coulson gives a masterly overview of the sector explains both the rewards and the pitfalls of investing in mining shares and argues convincingly that mining should once again form a core sector for all investors. The book is for anyone interested in mining and particularly mining as an investment Whilst it contains material which will be useful to even experienced followers of the sector its main target is those who are interested in mining but perhaps not particularly familiar with the sector and would like to know more All the subjects are covered that are fundamental to acquiring sufficient knowledge about the mining sector to invest in it with confidence While the mining s London Night and Day Matt Brown, 2015-09-17 Like New York London can be enjoyed all day and all night This insider s guide gives you the gen on where when and how to enjoy London at any hour It covers places to stay places to eat drink dance and be entertained and informed Including all the main and famous places in London but with the added twist of highlighting some of the lesser known parks palaces and museums The book is structured by hours of the day so it gives the ideal time to do any number of great things in a great city from breakfast places and tea at 4 to cocktails at 6 and midnight walks Discover gin palaces walks beside the Thames Hawksmoor churches and haunted pubs with this indispensable guide Each entry lists the nearest tube stop so this grand city can be explored with an Oyster card Author Matt Brown from legendary London blog the Londonist is probably the most London obsessed person there is He brings his own extensive knowledge of the city to the book revealing an array of new experiences even for the long term Londoner and the discerning tourist With London Underground going 24 hours in September this is a timely book to discover some of the hidden charms of this fascinating city Insiders' Guide® to Connecticut Eric D.
