My Coming Out To Jesus:

Coming Out Again with Confidence Karen LaFollette, 2014-03-24 Homosexuality continues to be one of the most controversial topics in today's society and in the church. Every person who comes out deals with an inner turmoil, first one way or another, before announcing to friends and family, "I am gay." For some, the turmoil is minimal; for others, it is constant. While living the gay lifestyle, the questions continue to come, and the turmoil continues to simmer and intensify on the inside. Why is there a controversy because I love someone who is of the same sex? Why do I feel this way if it is wrong? Who really has the answers without damning me to hell or not caring about my turmoil? God, who created all mankind, cares about your inner turmoil and wants to answer every question you have about homosexuality. Above all, God loves you and wants you to know the truth so that you can Come Out AGAIN with Confidence.

I'm Coming Out of This John R. Adolph, 2009-10 If the Apostle Paul were here with us today, what would he say to help us cope with tough times? One of the most startling revelations believers face is that dedicating their life to Christ does not shield them from the trials of life or the blows of an enemy attack. The truth is, when we make the decision to live for Christ, the battle is on. Yet the answer is not to give up when we grow weary in the fight. Instead, take note from the Apostle Paul as he speaks to the church of Philippi and find restored confidence in the fact that Christ has assured our victory. Dr. John R. Adolph is magnificent at communicating complex spiritual principles in simple, everyday language. In *I'm Coming Out of This*, Dr. Adolph teaches what is required to find the faith and determination of Paul that is within the heart of every believer. He uses biblical and practical illustrations to inspire and empower believers to stand up to the enemy while in the heat of the battle and leads warriors of the faith in the battle cry, "I'm Coming Out of This."

Coming Out to Jesus Matt Stratton, 2015-09-04 As humans, we have struggles as Christians; we have struggles, but have you ever thought about the struggles you may face being a Christian and being gay? To some, this is a situation that many do not think about, and for individuals that do think about it, they face the abuse that other Christians can put you in while practicing your faith and trying to be true to yourself. Follow me through my life, my struggles, and my faith; learn about how I have found God, lost him in specific situations, and then found him again. Many people may ponder on what makes a good Christian. I am here to tell you it has nothing to do with your sexual orientation. Learn to follow the Lord and learn to be true to yourself, having a life of love, happiness, and God is keen to being a better person and a better Christian.

heartfelt plea to heed the Bible's guidance. It's an important and thought provoking explanation of how by simply appreciating the marvelous pigness of pigs we are celebrating the Glory of God. As a man of deep faith and student of the Bible and as a respected and successful ecological family farmer Joel Salatin knows that God created heaven and earth and meant for all living organisms to be true to their nature and their endowed holy purpose. He intended for us to respect and care for His gift of creation not to ravage and mistreat it for our own pleasure or wealth. The example that inspires the book's title explains what Salatin means when huge corporate farms confine pigs in cramped and dark pens inject them with antibiotics and feed them herbicide saturated food simply to increase profits: they are not respecting them as a creation of God or allowing them to express even their most rudimentary uniqueness, that special role that is part of His design. Every living organism has a God-given uniqueness to its life that must be honored and respected, and too often that is not happening today. Salatin shows us the long overlooked ethics and instructions in the Bible for how to eat, how to shop, how to think about how we farm and feed the world. Through scripture and Biblical stories he shows us why it's more vital than ever to look to the good book rather than corporate America when feeding the country and your family. Salatin makes a compelling case for Christian stewardship of the earth and how it relates to every action we take regarding our food. He also opens our eyes to a common misconception many Christians may have about environmentalism: it's not a bad thing and definitely not just the province of secular liberals; it's really a very good thing, part of heeding God's Word. With warmth and with humor but with no less piercing criticism of the industrial food complex, Salatin brings readers on a fascinating journey of farming, food, and faith. Readers will not say grace over their plates the same way ever again. *Experimental, doctrinal, and practical* John Bunyan, 1859 *The Comprehensive Commentary on the Holy Bible: Matt.-John.* 1834 William Jenks, 1834 Primitive Methodist, 1896 Spiritual Delight Bessie R. Brown, 2018-04-12 *Spiritual Delight: Poems and Special Sayings* is surely the author's God-sent book filled with beautiful words of poetry from God on high as he placed them in the author's heart to give to her readers for encouragement, for motivation, for laughter, and for the hurt and pain of life. How it sometimes deals with some lemons that can be very bitter at times, but it's the joy of knowing how God is there through it all, giving you victory through his son Jesus Christ. The book will bring readers a smile, and it will give readers the ability to thank God for all he has done, making readers realize that he is still in control, no matter how life seems to be turned around, no matter what's going on. God got everyone, and he will help everyone stand strong when they keep the faith and hold on. *I Am Peter* Dave Keim, 2023-07-27 *I Am Peter* is the story of Peter the disciple and apostle as told by Peter himself. I invite you to walk with Peter or perhaps just listen as he speaks to you about the segment of his life from the time he met Jesus through Pentecost in Jerusalem. Peter talks about learning to know Jesus, being called the Rock, walking on water, denying Jesus, the resurrection, and Pentecost. He talks about his doubts, fears, frustrations, joy, guilt, observations, reactions, relationships, and fishing. As you listen to Peter tell his story, you have the opportunity to walk in his shoes and think about what he said or did and imagine

what you might have done Just remember that you are a Jew two thousand years ago and have no knowledge of anything you know today You have personal contact with Jesus and His teachings miracles death and resurrection The book is fictional as to Peter s thoughts and reactions but the things that occur are based on the Holy Bible with actual quotes and references Peter as a person was an ordinary fisherman who enjoyed his work but over time became an extraordinary man He was blunt outspoken and brash but he also was curious uncertain and fearful to the point of denying Jesus Through it all Peter developed a great faith and passion to spread the Gospel of Jesus Peter was touched by Jesus and perhaps you will be touched in a different way after walking with Peter
