**My Cruel Invention** Kelly Cherry, Joel Allegretti, Marjorie Maddox, 2015-12 An outstanding collection of poetry about inventions and inventors real and imagined assembled by editor and poet Bernadette Geyer author of *The Scabbard of Her Throat* and a chapbook *What Remains* I was awed by the seemingly endless number of ways that poets approached the subject Naturally there are poems about real inventions from clocks to pantyhose to chemotherapy drugs as well as poems that conjure fantastical inventions such as a contraption for kissing and a happy marriage machine While some of the poems in this anthology provide searing commentary on the dreadfulness of some of the creations birthed by inventors other poems offer us a view into the stories behind inventions as well as the lives of real and imagined inventors Whether invoking humor irony historic research or imagination the poems in this anthology converse not only with each other but also with their readers and the world at large in service to the continued human drive to create solutions even to problems we didn't know we had Bernadette Geyer Poems by Alex Dreppel Brett Foster Clare Louise Harmon Daniel Hales David Mook Donald Illich Dorene O'Brien F J Bergmann FJP Langheim Gwen Hart H M Jones Holly Karapetkova J G McClure Janet McNally Jean Bonin Jerry Bradley Jesseca Cornelson Jessica Goodfellow Jo Angela Edwins Joel Allegretti Julie E Bloemeke Karen Bovenmyer Karen Skolfield Kathryn Rickel Keith Stevenson Kelly Cherry Kim Roberts Kirsten Imani Kasai Kristine Ong Muslim Laura Shovan Magus Magnus Malka Older Marcela Sulak Marjorie Maddox Mia Leonin Nolan Liebert Norbert Gora Rie Sheridan Rose Rikki Santer Robert Kenny Sarah Key Scott Beal Shelley Puhak Steven Wingate Susan Bucci Mockler Tanis MacDonald Tanya Bryan Tricia Asklar W Luther Jett William Minor and William Winfield Wright **Quartet for J. Robert**

**Oppenheimer** Kelly Cherry, 2017-02 Robert Oppenheimer was a complex human being No biography yet written comes even close to this elegant skein of poems in capturing his life and character Richard Rhodes author of the Pulitzer Prize winning *The Making of the Atomic Bomb* Quartet for J Robert Oppenheimer records in poetry the life and times of one of America's best known scientists the father of the atomic bomb who later lobbied for containment of nuclear weaponry In brief elegant stanzas Kelly Cherry examines Oppenheimer's inspirations dreams and values visiting the events places and people that inspired him or led him to despair She finds his place among scientists of his own time such as Alan Turing and Albert Einstein as well as his connections with historical and mythological figures from John Donne to Persephone Of course he had blood on his hands Who did not says Cherry in *The Nature of War* Again and again in the course of this remarkable poem Cherry's narration of Oppenheimer's life compels her readers to contemplate the vagaries of science guilt and our responsibilities to each other Quartet for J Robert Oppenheimer is a book length poem in which the architect of the atom bomb comes to embody America and the West's Faustian control of nature and the paradoxical helplessness and guilt which that control entailed Oppenheimer is marvelous complicated flawed and admirable character and these poems read like chapters in a novel without in any way abandoning the intensities of feeling and image or delight in language we associate

with lyric poetry A terrific achievement and a compelling read Alan Shapiro author of *Life Pig and Reel to Reel* *The Routledge Anthology of Early Modern Drama* Jeremy Lopez, 2020-03-10 The Routledge Anthology of Early Modern Drama is the first new collection of the drama of Shakespeare's contemporaries in over a century This volume comprises seventeen accessible thoroughly glossed modernized play texts intermingling a wide range of unfamiliar works including the anonymous *Look About You* Massinger's *The Picture* Heminge's *The Fatal Contract* Heywood's *The Four Prentices of London* and Greene's *James IV* with more familiar works such as Marlowe's *Doctor Faustus* Webster's *The Duchess of Malfi* and Middleton's *Women Beware Women* Each play is edited by a different leading scholar in the field of early modern studies bringing specific expertise and context to the chosen play text With an unprecedented variety of plays and critical introductions that focus on the diversity and strangeness of different early modern approaches to the artistic and commercial enterprise of play making The Routledge Anthology of Early Modern Drama will offer vital new perspectives on early modern drama for scholars students and performers alike

**The Awakener** Helen Weaver, 2014-01-05 The Awakener is Helen Weaver's long awaited memoir of her adventures with Jack Kerouac Allen Ginsberg Lenny Bruce and other wild characters from the New York City of the fifties and sixties The sheltered but rebellious daughter of bookish Midwestern parents Weaver survived a repressive upbringing in the wealthy suburbs of Scarsdale and an early divorce to land in Greenwich Village just in time for the birth of rock n roll and the counterculture movement known as the Beat Generation Shortly after her arrival Kerouac Ginsberg and company old friends of her roommate arrive on their doorstep after a non stop drive from Mexico Weaver and Kerouac fall in love on sight and Kerouac moves in Weaver paints a romantic picture of Greenwich Village in the 1950s and 60s when she worked in publishing and hung out with Allen Ginsberg and the poet Richard Howard and was wild and loose getting high and falling into bed almost immediately with her crushes including Lenny Bruce Her descriptions of the Village are evocative recalling a time when she wore long skirts Capezio ballet shoes and black stockings and used to sit in the Bagatelle and have sweet vermouth on the rocks with a twist of lemon Early on she quotes Pasternak You in others this is your soul Kerouac's soul lives on through many people Joyce Johnson for one but few have been as adept as Weaver at capturing both him and the New York bohemia of the time He was lucky to have met her Tara McKelvey The New York Times Book Review There is a tendency for memoirs written by women about The Great Man to be self abnegating exercises in a kind of inverted narcissism the author seeking to prove her worth as muse as consort as chosen one Not so with Helen Weaver's beautiful plainspoken elegy for her time spent with Jack Kerouac who suddenly appeared at her door in the West Village one white frosty morning with Allen Ginsberg who knew Weaver's roommate in tow New York Post Helen Weaver's book was a revelation to me This is the most graphic honest shameless and moving documentary of what the newly liberated women in cities got up to how they lived loved and created Who knew It is time they did And here's how Carolyn Cassady Weaver recreates the excitement of a time when things were radically changing and shows us what it was like living with an eccentric genius at the turning point of his life Eventually she asks Jack to leave but they remain friends and over the years her respect for his writing grows even as Kerouac's reputation undergoes a gradual transition from enfant terrible to American icon She comes to realize that by writing On the Road he woke America up along with her from the long dream of the fifties And the Buddhist philosophy that once struck her as Jack's excuse for doing whatever he liked because nothing is real it's all a dream eventually becomes her own Helen Weaver's memoir is a riveting account of her love affair and friendship with Jack Kerouac She is both clear eyed

and passionate about him and writes with truly amazing grace Ann Charters Helen Weaver has translated over fifty books from the French of which one Antonin Artaud Selected Writings Farrar Straus and Giroux was a Finalist for the National Book Award in translation in 1976 She is co author and general editor of the Larousse Encyclopedia of Astrology and author of The Daisy Sutra a book on animal communication She lives in Kingston New York The Lariat ,1924 **The Broadview Anthology of Literature of the Revolutionary Period 1770-1832** D.L. Chapman, 1986 **The Saturday Review of Politics, Literature, Science, Art, and Finance**, 1929 Russian Writers on Translation Brian James Baer, Natalia Olshanskaya, 2014-07-16 Since the early eighteenth century following Peter the Great s policy of forced westernization translation in Russia has been a very visible and much discussed practice Generally perceived as an important service to the state and the nation translation was also viewed as a high art leading many Russian poets and writers to engage in literary translation in a serious and sustained manner As a result translations were generally regarded as an integral part of an author s oeuvre and of Russian literature as a whole This volume brings together Russian writings on translation from the mid 18th century until today and presents them in chronological order providing valuable insights into the theory and practice of translation in Russia Authored by some of Russia s leading writers such as Aleksandr Pushkin Fedor Dostoevskii Lev Tolstoi Maksim Gorkii and Anna Akhmatova many of these texts are translated into English for the first time They are accompanied by extensive annotation and biographical sketches of the authors and reveal Russian translation discourse to be a sophisticated and often politicized exploration of Russian national identity as well as the nature of the modern subject Russian Writers on Translation fills a persistent gap in the literature on alternative translation traditions highlighting the vibrant and intense culture of translation on Europe s periphery Viewed in a broad cultural context the selected texts reflect a nuanced understanding of the Russian response to world literature and highlight the attempts of Russian writers to promote Russia as an all inclusive cultural model **Chicorel Index to Poetry in**
