The Image Maker Avis Cole Attaway LMFT, 2018-07-03 We all begin life with dreams We believe in magic like Santa Claus and the Tooth Fairy Nothing seems to be out of our reach Over time however we learn differently We are told to stop dreaming and to get our head out of the clouds We are told that if we want something we just need to work hard for it But even with hard work and persistence those things we desire often remain elusive and just out of reach We try to think positively and still nothing changes Life begins to feel like something that appears to work for others but not for us We may even begin to think that we might be cursed because nothing we do seems to turn out as we had hoped Or perhaps those dreams have come true yet we don't feel as happy or contented as we had expected Something seems to prevent us from experiencing any joy or satisfaction in life Life is not what we had imagined Imagining is the key We can create the life of our dreams through the correct use of our mind and construct a new way of being that feels authentic and joyful *The Image Maker* will lead you into explorations of your life from every angle and encourage your examination of the conscious and subconscious beliefs that are currently running your life Then with this information in hand you will be ready to make new choices that will start you on the path of your dreams
