of rogue activists from PETA People for the Ethical Treatment of Animals erupted loudly in 2018 in California when they
intentionally caused the death of many dogs by raiding a dog show opening crates and shooing the animals onto a nearby
highway Also in searing heat they pulled the plugs from motorhomes killing the air conditioning so that dogs in crates inside
them suffocated Better dead than bred they yelled It was disgusting It was horrible It was riveting The movement s existence
and raison d tre raise some massive questions tackled here in this tale of a decent man lured into hell by an animal rights
activist who believes he s the devil and that his life s purpose is to tempt good people into evil Sean Bergmann is a retired
engineer happily married and living a comfortably insulated life with his two beloved shelties Opi and Echo whom he trains to
compete in dog shows But just as Opi enters the ring for the Best in Show contest Sean Bergmann s ordinary life collides
with a force that is distinctly out of the ordinary Cooper Newsome and three of his activist acolytes invade the show open
crates and scatter the precious dogs In the process Opi is killed and Echo goes missing Cooper leaves his business card
inscribed with the words Better Dead Than Bred Sean vows revenge at whatever cost This story follows both the revenge and
its cost including Sean s involvement with Cooper s organization so he might spy on the activists until he s learned enough to
cause them meaningful damage But he loses his identity and ethical core along the way eventually even participating in the
theft of puppies to be sold to a dog fight organizer Sean achieves retribution at last in this battle for animal rights and his
