My Experiences As An Executioner James Berry, 2020-07-25 Reproduction of the original My Experiences As An Executioner by James Berry      **My Experiences as an Executioner, by James Berry, Edited by H. Snowden Ward** James Berry,      My Experiences as an Executioner James Berry, 2023-10-25 In My Experiences as an Executioner James Berry presents a harrowing yet thought provoking memoir that delves into the psychological and moral complexities of capital punishment Through a vivid narrative style marked by stark realism and poignant introspection Berry recounts his firsthand experiences in the grim role of an executioner exploring the emotional turmoil and ethical dilemmas surrounding his profession This book not only serves as a candid reflection on the nature of justice and retribution but also places the act of execution within a broader socio political context inviting readers to consider the implications of their own beliefs about life and death James Berry a highly regarded author and public speaker brings a unique perspective to this contentious subject His background in sociology and his long standing engagement with issues of justice morality and human rights greatly inform his reflections Having served in a role that few can comprehend Berry s intimate knowledge of the judicial system and its failings fuels his critique and evokes critical thinking about the moral fabric of society My Experiences as an Executioner is an essential read for those interested in the intersection of law ethics and personal accountability Berry s compelling insights challenge readers to confront their own convictions about justice and punishment making this book a necessary contribution to contemporary discussions on capital punishment In this enriched edition we have carefully created added value for your reading experience A succinct Introduction situates the work s timeless appeal and themes The Synopsis outlines the central plot highlighting key developments without spoiling critical twists A detailed Historical Context immerses you in the era s events and influences that shaped the writing A thorough Analysis dissects symbols motifs and character arcs to unearth underlying meanings Reflection questions prompt you to engage personally with the work s messages connecting them to modern life Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read

**HANGMAN My Experiences as an Executioner** H Snowden Ward, James Berry, 2020-12-06 You have in your hands the memoir of James Berry 1852 1913 the first truly literate hangman and the first to write about his position Mr Berry s occupation was not by any means taken up from a love of the ghastly or any pleasure in the work Even in his business as executioner his soft heartedness has shown itself for though it has never caused him to flinch on the scaffold it has led him to study most carefully the science of his subject and to take great pains to make death painless A fascinating aspect of the book are Berry s recollections of notable executions and criminals his discussions of their crimes and analysis of their demeanors at trial and death Included is a chapter of his opinions on various execution methods used around the world with his conclusion that the British long drop hanging method was the most humane and a chapter on hanging from a business point

of view The writings are peppered throughout with his views on the moral and social implications of capital punishment This book is a sensitive and thoughtful account of what Berry himself admitted was a troubling profession Notoir Books is a publisher of books on topics of esoteric interests eccentric memoirs overlooked history and distinctive voices Victorians Against the Gallows James Gregory, 2011-11-30 By the time that Queen Victoria ascended the throne in 1837 the list of crimes liable to attract the death penalty had effectively been reduced to murder Yet despite this the gallows remained a source of controversy in Victorian Britain and there was a growing unease in liberal quarters surrounding the question of capital punishment Unease was expressed in various forms including efforts at outright abolition Focusing in part on the activities of the Society for the Abolition of Capital Punishment James Gregory here examines abolitionist strategies leaders and personnel He locates the gallows question in an imperial context and explores the ways in which debates about the gallows and abolition featured in literature from poetry to novels of purpose and popular romances of the underworld He places the abolitionist movement within the wider Victorian worlds of philanthropy religious orthodoxy and social morality in a study which will be essential reading for students and researchers of Victorian history Yorkshire County Magazine Joseph Horsfall Turner, 1892

**Rope** Tim Queeney, 2025-08-12 A unique and compelling adventure through the history of rope and its impact on civilization in the vein of single subject bestsellers like *Salt and Cod* Tim Queeney is a sailor who knows more about rope and its importance to humankind than most In *Rope* Queeney takes readers on a ride through the history of rope and the way it weaves itself through the story of civilization From Magellan's world circling ships to the 15th century fleet of Admiral Zheng He to Polynesian multihulls with crab claw sails he shows how without rope none of their adventurous voyages and discoveries would have been possible Time traveling he describes the building of the pyramids the Roman Coliseum Hagia Sofia Notre Dame the Sultan Hasan Mosque the Brooklyn Bridge and countless other constructions that would not have been possible without rope Not content to just look at rope's past Queeney looks at its present and possible future and how the re-invention of rope with synthetic fibers will likely provide the strength for cables to support elevators into space Making the story of rope real for readers Queeney tells remarkable nautical stories of his own reliance on rope at sea *Rope* is history adventure and the story of one of the world's most common tools that has made it possible for humans to advance throughout the centuries *Modern Literature and the Death Penalty, 1890-1950* Katherine Ebury, 2021-02-10 This book examines how the cultural and ethical power of literature allowed writers and readers to reflect on the practice of capital punishment in the UK Ireland and the US between 1890 and 1950 It explores how connections between high and popular culture seem particularly inextricable where the death penalty is at stake analysing a range of forms including major works of canonical literature detective fiction plays polemics criminological and psychoanalytic tracts and letters and memoirs The book addresses conceptual understandings of the modern death penalty including themes such as confession the gothic life writing and the human animal binary It also discusses the role of conflict in shaping the

representation of capital punishment including chapters on the Easter Rising on World War I on colonial and quasi colonial conflict and on World War II Ebury s overall approach aims to improve our understanding of the centrality of the death penalty and the role it played in major twentieth century literary movements and historical events *The International Library of Essays on Capital Punishment, Volume 3* Peter Hodgkinson,2016-12-05 This volume provides analyses of a range of subjects and issues in the death penalty debate from medicine to the media The essays address in particular the personal complexities of those involved a fundamental part of the subject usually overridden by the theoretical and legal aspects of the debate The unique personal vantage offered by this volume makes it essential reading for anyone interested in going beyond the removed theoretical understanding of the death penalty to better comprehending its fundamental humanity Additionally the international range of the analysis enabling disaggregation of country specific motivations ensures the complexities of the death penalty are also considered from a global perspective

**Penal Practice and Culture, 1500-1900** Paul Griffiths,Simon Devereaux,2003-11-12 The English were punished in many different ways in the five centuries after 1500 This collection stretches from whipping to the gallows and from the first houses of correction to penitentiaries Punishment provides a striking way to examine the development of culture and society through time These studies of penal practice explore violence cruelty and shame while offering challenging new perspectives on the timing of the decline of public punishment the rise of imprisonment and reforms of the capital code

**Death on the Victorian Beat** Martin Baggoley,2018-05-30 Death on the Victorian Beat is the first book dedicated solely to the murders of police officers in the Victorian era recalling numerous cases from across the United Kingdom Martin Baggoley highlights the resistance faced everyday by officers of all ranks in both the great cities and in the supposedly peaceful countryside during this important and sometimes turbulent period in our history Many cases are unveiled by the author including those of Sergeant Charles Brett murdered on the streets of Manchester by Fenians attempting to release two of their leaders from a police van Detective Inspector Charles Thain fatally wounded at sea by a prisoner he was escorting back from Germany Constable William Jump lost his life during a bitter industrial dispute involving brickmakers in Ashton under Lyne and Inspector Joseph Drewitt and Constable Thomas Shorter murdered in a confrontation with poachers in Hungerford to name but a few This book is bursting with accounts of danger and great courage urging to be read as the author allows the lives of these gallant officers to run through the pages

*Public Executions* Nigel Cawthorne,2006-09-28 The sentence of this court is that you be taken from this place to whence you came and from there to a place of lawful execution there to be hanged by the neck till you be dead and may the Lord have mercy on your soul Extract from judicial death sentence England c 16th 20th century Societies throughout history have adopted many and varied methods of meting out the ultimate sanction of capital punishment to their more unruly members Although a number of countries across the globe still execute their own citizens on occasion in public the modern world in general views execution with distaste and public execution doubly so Public Executions documents the

phenomenon of state sanctioned killing from the ancient world to modern times and in doing so shows that although we regard the ancient practices with horror they would have been equally bemused by our modern scruples and would have regarded execution behind closed doors as little short of murder Public Executions is a gruesomely enthralling account of public executions down through the ages and from around the world *English Local Prisons, 1860-1900* Sean McConville, Professor Sean McConville, 2018-10-24 The local prisons of the latter half of the nineteenth century refined systems of punishment so harsh that one judge considered the maximum penalty of two years local imprisonment to be the most severe punishment known to English law next only to death This work examines how private perceptions and concerns became public policy It also traces the move in English government from the rural and aristocratic to the urban and more democratic It follows the rise of the powerful elite of the higher civil service describes some of the forces that attempted to oppose it and provides a window through which to view the process of state formation *Norfolk Villains* Neil R.

Storey, 2012-01-31 Discover the darker side of Norfolk with this remarkable collection of true life crimes from across the county Featuring tales of some of the most notorious nefarious and murderous characters from the county's past including pirates smugglers highwaymen poachers thieves murderers and bodysnatchers all factions of the criminal underworld are included in this macabre selection of tales Drawing on a wide variety of historical sources and containing many cases which have never before been published *Norfolk Villains* will fascinate everyone interested in true crime and the history of Norfolk

*Greater Manchester Murders* Alan Hayhurst, 2012-02-29 Contained within the pages of this book are the stories behind some of the most notorious murders in the history of Greater Manchester They include the case of cat burglar Charlie Peace who killed 20 year old PC Nicolas Cock in Seymour Grove and only confessed after he had been sentenced to death for another murder the sad tale of William Robert Taylor whose young daughter was killed in a boiler explosion and who later desperate and in debt murdered his landlord as well as his three remaining children Jack Jackson who escaped from Strangeways Gaol by killing a prison warder while mending a gas pipe for the prison matron and the death of Police Sergeant Charles Brett who stuck bravely to his post despite an armed attack on his prison van by the Manchester Martyrs *The Mysterious Murder of Pearl Bryan, or: the Headless Horror* Anonymous, 2019-12-12 In *The Mysterious Murder of Pearl Bryan or the Headless Horror* the author delves into one of the most notorious unsolved cases of the late 19th century creating a gripping narrative that combines elements of true crime social history and psychological exploration The book's literary style is characterized by a meticulous reconstruction of events enhanced by a rich vivid language that captures the atmosphere of the era while offering insight into the societal norms and moral dilemmas surrounding the case Set against the backdrop of Victorian America the text reveals the dark underbelly of its seemingly respectable society serving both as a historical document and a chilling tale of human depravity Despite the anonymity of the author the work is indicative of a larger movement of writing during this period where sensationalism and the public's fascination with crime served to illuminate

issues of gender class and justice The author's deep interest in the intersection of morality and the macabre likely motivated the exploration of Pearl Bryan's tragic fate allowing readers to understand not just the crime but also its broader implications within the societal context of the time For readers intrigued by true crime narratives steeped in historical significance The Mysterious Murder of Pearl Bryan is a compelling read that invites both reflection and horrified fascination It blends graphic detail with pathos making it an essential addition to the library of anyone interested in the darker aspects of human nature and the social landscape of America's past

### **Women Who Killed - Murderous Women from the 18th & 19th Century**

Various, 2021-03-09 While it is generally agreed amongst criminologists that the world of crime is predominantly the domain of men women played a much larger role than they do today before the twentieth century Even then women tended to commit property offences like theft shoplifting fraud and forgery as well as prostitution or soliciting However there have been those throughout history who have also committed some of the most brutal murders the world has ever known Women Who Killed looks at the most notorious murder cases involving women from the 18th 19th centuries examining in detail their crimes characters trials and punishments Offering a fascinating yet chilling insight into the minds and crimes of female murderers Women Who Killed is highly recommended for those with an interest in historic crimes and criminology in general Contents include Mary Blandy Mrs Margaret Caroline Rudd Mary Lefley Mary Lamb Lizzie Borden Florence Elizabeth Maybrick Mary Eleanor Wheeler Ann Britland and Elizabeth Berry Read Co History is proudly publishing this brand new collection of classic articles now complete with the introductory essay The Relations of Women to Crime by Ely Van De Warker

[The Trial of Jack the Ripper](#) E

Macpherson, 2011-11-18 A shocking and brutal murder had taken place in the city in February that year and the words Jack Ripper is at the back of this door were found written in chalk on a door at the scene of the crime When he was arrested the accused William Bury admitted that he was afraid he would be arrested as Jack the Ripper The police investigation uncovered some disturbing details William Bury was a small dark haired man who was known to have been violent towards women He had been born and brought up in the Midlands but had moved to the East End of London in the late autumn of 1887 On 20 January 1889 he and his wife travelled by boat to Dundee This meant that he had arrived in London before the start of the Jack the Ripper murders and had left around the same time that they ceased Could this be coincidence people wondered Could it also be a coincidence that the murder in Dundee carried all the hallmarks of a ripper murder In the month before the trial the local newspapers in Dundee began to run sensational stories linking the accused with the notorious Whitechapel murders When the trial opened to a packed courtroom many in the public gallery were wondering if the man standing in the dock was none other than Jack the Ripper himself In this sensational and ground breaking book Euan Macpherson presents the evidence that the long arm of the law really did catch up with Jack the Ripper in a dingy basement flat in Dundee in the cold winter months of early 1889
