A Golden Book of Venice Lawrence Mrs. Turnbull, 2022-11-22 A Golden

Book of Venice by Lawrence Mrs Turnbull is a historical romance about the Venetians taking place during the late 1500s Turnbull writes about the affairs of Venice at a time of great political turmoil Excerpt Sea and sky were one glory of warmth and color this sunny November morning in 1565 and there were signs of unusual activity in the Campo San Rocco before the great church of Santa Maria Gloriosa dei Frari which if only brick without was all glorious within in raiment of needlework and wrought gold And outside the delicate tracery of the cornice was like a border of embroidery upon the somber surface the sculptured marble doorway was of surpassing richness and the airy grace of the campanile detached itself against the entrancing blue of the sky as one of those points of beauty for which Venice is memorable **My Golden Days** M. The Tenants of Malory, Complete Joseph Sheridan Le Fanu, 2016-01-10 There were tenants at last in Malory and the curiosity of the honest residents of Cardyllian the small and antique town close by was at once piqued and mortified by the unaccountable reserve of these people For four years except from one twisted chimney in the far corner of the old house no smoke had risen from its flues Tufts of grass had grown up between the paving stones of the silent stable yard grass had crept over the dark avenue which making a curve near the gate is soon lost among the sombre trees that throw a perpetual shadow upon it the groves of nettles had spread and thickened among their trunks and in the signs of neglect and decay the monastic old place grew more than ever triste The pretty little Welsh town of Cardyllian stands near the shingle of a broad estuary beyond which tower the noble Cambrian mountains High and dim tier above tier undulating hills broken by misty glens and clothed with woods rise from the opposite shore and are backed range behind range by the dim outlines of Alpine peaks and slopes and flanked by purple and gold tinted headlands rising dome like from the sea
