### **My Mysterious Son A Life Changing Passage Between Schizophrenia And Shamanism:**

**My Mysterious Son** Dick Russell, 2018-01-02 What does a father do when hope is gone that his only son can ever lead anything close to a normal life That s the question that haunted Dick Russell in the fall of 2011 when his son Franklin was thirty two At the age of seventeen Franklin had been diagnosed with schizophrenia For years he spent time in and out of various hospitals and even went through periods of adamantly denying that Dick was actually his father A mixed race child Franklin was handsome intelligent and sensitive until his mental illness suddenly took control After spending the ensuing years trying to build some semblance of a normal father son relationship Dick was invited with his son out of the blue to witness the annual wildlife migration on Africa s Serengeti Plain Seizing this potential opportunity to repair the damage that both had struggled with after going through two perilous nights together in Tanzania ultimately the two week trip changed both of their lives Desperately seeking an alternative to the medical model s medication regimen the author introduces Franklin to a West African shaman in Jamaica Dick discovers Franklin s psychic capabilities behind the seemingly delusional thought patterns as well as his artistic talents Theirs becomes an ancestral quest the journey finally taking them to the sacred lands of New Mexico and an indigenous healer For those who understand the pain of mental illness as well the bond between a parent and a child **My Mysterious Son** shares the intimate and beautiful story of a father who will do everything in his power to repair his relationship with a young man damaged by mental illness

**Health and Safety for Spirit Seers, Telepaths and Visionaries** Anna Cornelia Beyer, 2019-01-04 This book provides a much needed positive hopeful and holistic perspective on how to cope with schizophrenia While 51 million people in the world are afflicted with this illness self help books on the topic are not in ample supply and those that do exist are often very dark in outlook This volume combines knowledge from previous studies personal accounts and scientific research today Topics explored here include an overview on experiences with and explanations for schizophrenia alternative and natural healing tips for psychosis and schizophrenia including diet and orthomolecular medicine an overview of alternative therapies relationship and career advice how to deal with emergencies and how to recover after a period of psychosis among others

**The HPV Vaccine On Trial** Mary Holland, Kim Mack Rosenberg, Eileen Iorio, 2018-09-25 A Groundbreaking Guide to the HPV Vaccine and the Science Safety and Business Behind It Cancer strikes fear in people s hearts around globe So the appearance of a vaccine to prevent cancer as we are assured the human papillomavirus HPV vaccine will seemed like a game changer Since 2006 over eighty countries have approved the vaccine with glowing endorsements from the world s foremost medical authorities Bringing in over 2.5 billion in annual sales the HPV vaccine is a pharmaceutical juggernaut Yet scandal now engulfs it worldwide The HPV Vaccine on Trial is a shocking tale chronicling the global efforts to sell and compel this alleged miracle The book opens with the vaccine s invention winds through its regulatory labyrinths details the crushing denial and dismissal of reported harms and deaths and uncovers the enormous profits pharma and inventors have reaped Authors Holland Mack Rosenberg and Iorio

drill down into the clinical trial data government approvals advertising and personal accounts of egregious injuries that have followed in countries as far flung as Japan Australia Colombia India Ireland the U K and Denmark The authors have written an unprecedented expos about this vaunted vaccine Written in plain language the book is for everyone concerned parents patients doctors nurses scientists healthcare organizations government officials and schools Ultimately this book is not just about the HPV vaccine but about how industry government and medical authorities may be putting the world s children in harm s way

Psychosis, Psychiatry and Psychospiritual Considerations Brian Spittles, 2022-11-29 A phenomenological and spiritual investigation of anomalous mental experiences From a psychiatric perspective psychosis is generally viewed as a psychopathological and often incomprehensible mental disorder of biological cause In his book Brian Spittles argues that this represents a rather limited view and that a psychospiritual investigation of psychosis may enable a better understanding of its nature and determinants His aim is not to negate the discipline of psychiatry but to demonstrate the viability and efficacy of incorporating psychospiritual considerations into psychosis research Within these pages Spittles challenges several core psychiatric beliefs and calls for the discipline to extend its investigative parameters beyond the limited epistemological bounds of materialism The book uses an open ended heuristic approach that enables the systematic examination and critical appraisal of views on psychosis across the materialist to metaphysical spectrum This is structured in four Focal Settings that sequentially examine the construal of psychosis within different paradigms of psychospiritual understanding which provide a historical overview of evolving understandings of psychosis within the tradition of psychiatry in which psychospiritual matters are generally not considered

**Beyond Autism** Helena Hjalmarsson, 2019-06-11 A Passionate Memoir about Life with a Teenage Daughter with Severe Autism Following the Progress of Acclaimed Book Finding Lina Like her passionate first book Finding Lina about her daughter with severe autism Helena Hjalmarsson brings an intensity of purpose and love to her second memoir about Lina Beyond Autism Lina s world is one of excruciating challenges Helena s world is the same but with her own insights indomitable spirit and amazing clarity she sheds light and hope for other parents siblings and caretakers of children with autism as well as the children with autism themselves She unflinchingly examines the paradoxical nature of autism the never ending mystery of who our children are and how they got here in the middle of this unfathomable hurricane of leaky guts inflammation yeast autoimmune disorders seizures sensory breakdown loss of words physical freedom sleep friends normal life as we are used to refer to it Beyond Autism is one of an increasing number of you are not alone literary statements from parents of children with autism forwarded to the people whose lives similarly often blocks the view of the larger community Beyond Autism is intended to be a meeting place of sorts A smile of recognition A reason for a little dark joke amongst parents What Helena recognizes is that whenever Lina is not in mayhem she is in heaven In those times she seems so free of the burdens of a past and a future so deeply present and accepting of the moment Whenever she is not suffering it seems to me that she is at that enlightened awakened place that most people struggle for a whole life time to

catch a glimpse of It s that glimpse that Helene explores and shares for all those who want too to catch and gain insight into the lives of those with autism and those who love them **They're Here!** Dick Russell,2026-07-14 They re Here UFOs UAPS and US is an investigative journalist s odyssey visiting with experts in various related fields seeking to separate truth from fiction and raising questions for consideration around what is destined to become the biggest story of our time Starting with the ancient past and reviewing today s scientific explorations the book profiles whistleblowers archaeologists scientists abductees and many others in order to present a compelling and convincing case that we are not alone **The Real RFK Jr.** Dick Russell,2023-06-20 An epic biography filled with drama conflict and surmounted challenges The Real RFK Jr is an intimate biographical portrait examining the controversial activist s journey from anguish and addiction to becoming the country s leading environmental champion fighting government corruption corporate greed and a captured media Written by his longtime colleague Dick Russell the biography also exposes the misconceptions and explains the rationale behind Kennedy s campaign to protect public health Provided exclusive source material including access to Kennedy s unpublished writings and personal journals the author conducted dozens of interviews with him as well as numerous friends and associates Russell delves into everything from Kennedy s sometimes death defying river rafting adventures to his pioneering legal cases against polluters such as Smithfield Foods and Monsanto while founding the world s largest water protection group The Real RFK Jr also examines Kennedy s pursuit of the truth about the assassinations of his father and uncle the wrongful murder conviction of his cousin and the false narratives around the COVID 19 pandemic My Son Is Schizophrenia Alta Arnao,2021-04-06 When a child is diagnosed with a mental illness parents can play a crucial role in their treatment but what happens when those children become adults This Care For Your Son With Schizophrenia Book tells the tragic moving story of the author s son s and thus his own 20 year struggle with schizophrenia This story includes the author dealings with the mental health care services a pretty shameful record of incompetence buck passing and lack of communication and co ordination and the mental health charities whom he has not spared for in their devotion to the sloppy evasive language of political correctness they have dangerously underplayed the seriousness of real mental illness like schizophrenia
