My Crazy Mind My Life With Bipolar Disorder:

My Crazy Mind My Life with Bipolar Disorder Dominick Delarosso, Kay R. Gonzalaz, 2011-10-21 Based on actual events A real life drama of the devastation caused by bipolar Disorder A very gripping non stop story of my life as I go from poverty to riches to homeless to Jesus and back again full circle Creative Journey of Bipolar Disorder, Depression Saved My Life Brian Michael Joyce, 2008-06-04 According to the Centers for Disease Control and Prevention 17.5 million Americans suffer from clinical depression Each year more than 132,000 people will consider suicide as a way out of depression and over 30,000 of them will succeed The author became a statistic of the first two categories and was miraculously saved from the third Ironically he was reborn to a new reality through the intervention of a terminally ill friend as he wrote his school aged son a desperate suicide letter Consequently the note changed course and became this book The author describes his decent and climb from depression to his son in heartbreaking detail from his childhood in the tough streets of Philadelphia to his battle with cancer the deaths of his sister mother and two best friends all in a relatively short period of time What makes this book unique are the strategically intertwined positive lessons that were learned while facing these tragic life altering events These lessons appropriately named Life Lessons are heartfelt loving messages from a father to his son illustrating what the author believes to be the truths of life and what is truly important to him today Family Experiences of Bipolar Disorder Cara Aiken, 2010 Bipolar disorder can be a devastating illness seriously affecting not only the person with bipolar but also their children partner parents family and friends This book offers a personal account of bipolar disorder It portrays the reality of the illness and its impact on family life It features important facts and figures related to bipolar Breaking the Silence Stephen P. Hinshaw, 2008-01-08 People with mental illness are far too often subjected to discrimination and unfair treatment It is particularly unfortunate that much of this stigmatization comes from the very people they depend upon for help those in the mental health professions Too many practitioners and scientists maintain us versus them attitudes and are extremely reluctant to admit any personal or family experiences of mental illness This culture of concealment must change and this book will change it A groundbreaking collection of moving and inspiring stories of serious mental disorder from trainees clinicians and scientists in the mental health professionals Breaking the Silence is the first book to reveal the deep commonalities between patients and professionals With an unprecedented level of honesty and disclosure the contributors tell their own and their families stories of mental disorder Renowned psychologist Steve Hinshaw who previously disclosed his own family's struggles with misdiagnosed bipolar disorder and who has synthesized the world literature on the stigma of mental illness integrates synthesizes and provides perspective on these revealing stories As they relate their personal and family histories the contributors also describe the serious impairments that can accrue the strength and courage that can be derived and the influence these experiences have had on their own decisions to enter the mental health field Moving in its honesty frank in its disclosures and sensitive in its portrayals Breaking the Silence will be a beacon

for those in the mental health professions trainees across the many related fields family members and anyone who is dealing with mental illness Its stark stories of pain denial and impairment along with its clear messages of hope courage and resilience will inspire for years to come Better Than Normal Dale Archer, MD,2013-03-12 A New York Times bestseller that offers a groundbreaking new view of human psychology showing how eight key traits of human behavior long perceived as liabilities can be important hidden strengths What if the inattentiveness that makes school or work a challenge holds the secret to your future as an entrepreneur What if the shyness in groups that you hate is the source of deep compassion for others What if the anxiety and nervousness you often feel can actually help energize you Renowned psychiatrist and popular on air personality Dr Dale Archer believes that behaviors frequently labeled ADHD bipolar and OCD are often normal human qualities and he contends that we all experience these and other psychological traits to some extent yet fail to leverage the significant advantages they can offer Worse we stigmatize one another for these aspects of our personalities In Better Than Normal Dr Archer offers an empowering framework for redefining mental health Drawing on his 20 years of clinical experience he describes eight traits of human behavior each of which occurs along a continuum rather than as a simple on off switch These are the aspects of our personality that we worry about the most but these are also the very things that make us distinctive and different Filled with engaging anecdotes and practical tools to help readers capitalize on their unique characteristics Better Than Normal offers a new and liberating way to look at ourselves and others **First Person**

Putting God Into Einstein's Equations Marcia Pollock,2012-04 Putting God Into Einstein s Equations Energy of the Soul is the direct outcome of an unusual and unique collaboration by soul mates Marcia and Jerry Pollock spanning the spiritual and physical worlds Marcia is deceased and her contributions come from the powerful intelligent energy of her Divine soul which

is without her physical body in the spirit world Jerry is alive with his Divine soul which is constrained within his physical body on planet Earth Communicating through thought energy telepathy or channeling the authors have written this exquisitely simply explained book in their humble attempt of gratitude to bring new knowledge to the understanding of God's Essence and our world The Creator Himself has endorsed our book TRUTH LOVE AND WISDOM LIE WITHIN THESE PAGES Putting God Into Einstein's Equations Energy of the Soul is a provocative book that will stay with you long after you finish reading it Have you ever wondered about how a psychic contacts a spirit or where God comes from The book answers questions about God the big bang Einstein's Relativity Equations and how they fit in with God's energy soul mates and love the spirit world of souls past lives telepathic thought energy communication channeling removing negative body soul energy intelligence of the soul independent and combined functions of the soul versus the human brain acquiring spirituality miracles resurrection and reincarnation the Devil good and evil science and spirituality Creation and Evolution and how a new soul that God will give us in the future Messianic Age at the End of Days will allow us to live for the eternity according to Einstein's Equations God is energy and so is our Divine soul Each of us receives a tiny piece of God's virtually infinite energy and the difference between our energy and that of God is simply the enormous difference in order of magnitude when comparing God's energy to ours The behavior of this energy mirrors the equations brilliantly originated and described by Albert Einstein with two exceptions the mass m referenced in Einstein's famous equation $E = mc^2$ is a special Mass M originating in God's energy particles and God's and our soul energy travels at one million times the speed of light c or 186 billion miles per second In fact this Mass is the source of the independent intelligence and sensory properties found in the soul of all human brains Putting God Into Einstein's Equations Energy of the Soul is a provocative and compelling book that weaves together empirical scientific observation academic research and theoretical and theological considerations bolstered by revelatory first hand testimony bearing witness to the existence of the Divine soul in both the physical and spirit worlds Contained in the pages of Putting God Into Einstein's Equations are moving personal reflections on the authors life experiences from the thrill of discovering one's true soul mate to both traumatic and joyous events like a descent into bipolar depression Divine miracles and the pain and loss associated with the death of a loved one Equally explored and discussed are practical first hand experiential techniques for hypnotic spiritual world regression and directing spiritual energy and using light to alleviate negative forces Above all else Putting God Into Einstein's Equations seeks to advance an awareness and comprehension of God drawing upon points of reference as diverse as Qigong and yoga to the word of rabbinical scholars *Heal Something Good* Leah Peterson, 2014-07-09 This book is part Self Help part Textbook part Cheerleader and part Workbook It's packed full of everything I've learned including Grain Free Recipes I'm so excited to be able to share it with you It's extremely hard when your life becomes a small shell of what it once was and all you can think about is maybe getting out of bed and possibly maybe taking a shower that day You lose your job your social life your extra curricular activities your sleep and finally you

can lose your happiness and joy I learned so much on my journey of healing from autoimmune diseases and mental illnesses about how our bodies are amazing and how our mental health is intricately connected to our physical bodies People I meet now can't believe I used to be so ill the changes are that dramatic Once I started studying I soon realized that the steps I was taking towards healing and wellness would apply to anyone at any stage of their own journey

Broken Whole Keith Adams, 2011-06-01 Description Described as probably the most entertaining account of mania you'll ever read this raw inspirational story shows that a man can live a full productive life with a serious mental illness In 2006 Keith in the midst of an immense undiagnosed manic episode cut a swath through the Corridor of Dreams the swanky swathe of the West side of LA stretching from the Hollywood Hills to the boulevards of Beverly Hills believing he would be an epochal intellectual cum gay Hollywood superstar cum spiritual messiah Of course he became none of these and crashed spectacularly With its tale of luxury goods spiritual discovery thrust for glory brilliant ideas not so brilliant ideas one impersonation of the Anti Christ fist fights arrest by the LAPD and ultimately a diagnosis of bipolar disorder it asks if the gleaming personality he became now chained up by mood stabilizers is the real self and if it is not is there any such thing as a real self About the Author Keith Adams perennially wonders how an abnormally tall working class boy from the North Sea coast of England ended up in a house in Hollywood with two dogs and his partner a leading medical research scientist at UCLA Although he writes for a living computer code he always hoped to do real writing from experience That opportunity came from being diagnosed with

bipolar disorder in 2006 after a serious brush with insanity At one point he seriously believed he would be a combination gay superstar epochal intellectual latter day Messiah Quite obviously he became none of those things but he did survive the inevitable crash to tell the tale thanks to the support of friends and family **Psychic Grace** Keli Adams,2011-10-14 Psychic Grace is based on the true life story of a psychic flight attendant who communicates and connects people with deceased loved ones and pets She is also a paranormal investigator who hunts ghosts for sport She can remotely view throughout space and time to be psychically in touch with living animals people objects and communicates in an amazing way with people in a coma or on life support from any distance She is a hospice volunteer who enjoys visiting dying patients and their families in the hospital Some of her unique communications with hospice patients in this book will touch your heart make you laugh and marvel at what seems to be great insight wisdom and peace with the dying All of this is what feeds Grace s soul and makes her heart smile Regardless of whether people find her bizarre weird enchanting a freak entertaining the spawn of Satan or an angel sent here to do divine work shes normal in her world and just trying to get along as she tirelessly swims upstream in mainstream physicality I ought to know I am the author of Psychic Grace and this is me Every character in this book is based on a real person who has magically touched my life in many ways I am blessed to have known you even for a moment *He Could Not Contain Her:* Kathleen McCartan,2014-09-23 First and foremost this book gives you a glimpse into one creative some say genius bipolar mind which I have had for a little over twelve years Beyond that using a Sacred Feminine Holy Spirit Breath and Wind of God perspective as well as an educational creative perspective and a Course in Miracles perspective I attempt to create a total world reversal of thought on all issues related to the world humans why were here and whats to come of us This book reverses so called normal human thinking about almost everything including what is life and what is death what the real story of Lucifer and Mary Magdalene John the Baptist and Jesus really is and what the actual laws of the universe really are whats actually normal and abnormal the answer will surprise you what humans are actually like as a species what the current state of our world actually is and what humans mean to Christ John the Baptist Christ Alter Ego Christ in reality and in the great scheme of things It will be no surprise that I determine that to save the world and yes it can be done love is the only question and love is the only answer The only problem is that most people on Earth arent really listening despite the fact that we live in an almost dead world mentally emotionally and spiritually The spiritual light of the world is very dim if its even shining at all anymore Humans must wake up now today This book is about starting a creative spiritual educational revolution in America and letting it spread throughout the whole world This book takes a forward looking approach to the future and gives readers a glimpse into upcoming events [Yet Another Showdown with Mental Illness](#) Mary Khazak Grant,2019-11-07 This self help book is a sequel to the author s 2016 book Having a Showdown with Mental Illness It was developed from a Wordpress blog of the same name greatly expanded and embellished It enables people suffering from a chronic mild to moderate mental illness e g they are still capable of functioning in society

while in a clinical or therapy relationship to greatly accelerate recovery through additional efforts they undertake as described herein The author used herself as a guinea pig to achieve a cure by 2020
