## My Father And Myself Nyrb Classics S:

My Father and Myself J. R. Ackerley, 2012-10-31 This heartfelt gay memoir about an adult son uncovering his father s secrets is a cross between Dickens s David Copperfield Rousseau s Confessions and the new pornography Donald Windham When his father died J R Ackerley was shocked to discover that he had led a secret life And after Ackerley himself died he left a surprise of his own this coolly considered unsparingly honest account of his quest to find out the whole truth about the man who had always eluded him in life But Ackerley's pursuit of his father is also an exploration of the self making My Father and Myself a pioneering record at once sexually explicit and emotionally charged of life as a gay man This witty sorrowful and beautiful book is a classic of twentieth century memoir The Red Thread: Twenty Years of NYRB Classics Edwin Frank, 2019-09-24 To celebrate the 20th anniversary of NYRB Classics a handpicked anthology of selections from the series In Greek mythology Ariadne gave Theseus a ball of red thread to guide him through the labyrinth and the Red Thread offers a path through and a way to explore the ins and outs and twists and turns of the celebrated NYRB Classics series now twenty years old The collection brings together twenty five pieces drawn from the more than five hundred books that have come out as NYRB Classics over the last twenty years Stories essays interviews poems along with chapters from novels and memoirs and other longer narratives have been selected by Edwin Frank the series editor to chart a distinctive entertaining and thought provoking course across the expansive and varied terrain of the Classics series **Sexuality and Gender at Home** Brent Pilkey, Rachel Scicluna, Ben Campkin, Barbara Penner, 2020-05-27 Sexuality and Gender at Home is the first book to explore the meanings and experiences of home through the framework of sexuality Looking at a broad spectrum of sexuality gender and domesticity it examines the many ways in which home is constructed performed and experienced in relation to sexuality and gender Considering identity issues such as age class ethnicity and gender the authors problematize intimacy and question conventional ways of thinking about allegedly private home space Comprehensive introductions to each of the book s three sections on Intimacy and Home Queering Home Beyond Home provide a coherent overview of the existing literature as well as additional historical and cultural context Fourteen chapters present ground breaking research and insights into sexuality gender and home across culture time and space Written by academics from a range of subject disciplines chapters are based on research covering countries including Australia France Sweden the UK the USA Guyana Israel and Singapore This highly original text is the ideal starting point for anyone wishing to get to grips with the emerging field of sexuality gender and home and will particularly appeal to researchers and students in anthropology architecture gender studies sociology and human geography Victorine Maude Hutchins, 2018-01-30 Victorine is thirteen and she can t get the unwanted surprise of her newly sexual body in all its polymorphous and perverse insistence out of her mind it is a trap lying in wait for her at every turn and nowhere for some reason more than in church Meanwhile Victorine s older brother Costello is struggling to hold his own against the overbearing mean spirited utterly ghastly Hector L Hommedieu a

paterfamilias who collects and discards mistresses with scheming abandon even as Allison his wife drifts through life in a narcotic daze And Maude Hutchins's Victorine It's a sly shocking one of a kind novel that explores sex and society with wayward and unabashedly weird inspiration a drive by snapshot of the great abject American family in its suburban haunts by a literary maverick whose work looks forward to and sometimes outstrips David Lynch's Blue Velvet and the contemporary paintings of Lisa Yuskavage and John Currin The Widow Georges Simenon, 2008 The Widow begins with the chance encounter of two outcasts One is the widow herself Tati Still young she hasn t had an easy time of it even if she s not about to complain She lives with her father in law on the family farm putting up with his unwelcome attentions working her fingers to the bone improving the property and knowing all the time that her late husband's sister is scheming to seize it and drive her away The other is a killer Just out of prison and in search of a new life Jean meets up with Tati who hires him as a handyman and then takes him to bed Everything goes swimmingly until Jean develops a liking for the girl next door Rex Warner, 2008-01-08 This outstanding collection brings together the novelist and scholar Rex Warner's knack for spellbinding storytelling with Edward Gorey s inimitable talent as an illustrator in a memorable modern recounting of the most beloved myths of ancient Greece Writing in a relaxed and winning colloquial style Warner vividly recreates the classic stories of Jason and the Argonauts and Theseus and the Minotaur among many others while Gorey's quirky pen and ink sketches offer a visual interpretation of these great myths in the understated but brilliantly suggestive style that has gained him admirers throughout the world These tales cover the range of Greek mythology including the creation story of Deucalion and Pyrrha the heroic adventures of Perseus the fall of Icarus Cupid and Psyche's tale of love and the tragic history of Oedipus and Thebes Men and Gods is an essential and delightful book with which to discover some of the key stories of world Hindoo Holiday J. R. Ackerley, 2012-10-31 In the 1920s the young J R Ackerley spent several months in India as literature the personal secretary to the maharajah of a small Indian principality In his journals Ackerley recorded the Maharajah s fantastically eccentric habits and riddling conversations and the odd shambling day to day life of his court Hindoo Holiday is an intimate and very funny account of an exceedingly strange place and one of the masterpieces of twentieth century travel We Think the World of You Joe Randolph Ackerley, 2000 Frank the narrator is a middle aged civil servant literature intelligent acerbic self righteous angry He is in love with Johnny a young married working class man with a sweetly easygoing nature When Johnny is sent to prison for committing a petty theft Frank gets caught up in a struggle with Johnny s wife and parents for access to him Cover The Use of Man Aleksandar Tisma, 2014-11-11 The Use of Man starts with an unexpected discovery World War II is ending Sredoje Lazuki has been fighting all through it Now as one of the victorious Partisans he has come home to Novi Sad He visits the house he grew up in Strangers nervously show him around He looks up the mother of Milinko his best friend Milinko s girlfriend Vera was the daughter of a Jew a bookish businessman Her house stands empty and open Venturing in Sredoje is surprised to find the diary of the German tutor that Milinko Vera and he all

shared Fr ulein who died on the operating table just before the war Here however in a cheap notebook in Vera s old room is a record of Fr ulein's lonely days with the sentimental caption Po sie The diary survived Sredoje survived Vera and Milinko have survived too But what survives A few years back Sredoje Vera and Milinko were teenagers struggling to make sense of life Life they now know can be more bitter than death A work of stark poetry and illimitable sadness The Use of Man is one of the great books of the 20th century Nada Jean-Patrick Manchette, 2019-08-27 This tour de force political thriller told in Manchette's signature noir style follows a group of far left extremists in the throes of post 1968 disillusionment. The thrill of 1968 is long over and the heavy fog of the 1970s has settled in In Paris however the Nada gang or groupuscule still retains a militant attachment to its revolutionary dreams Bringing together an anarchist orphaned by the Spanish Civil War a Communist veteran of the French resistance a frustrated high school teacher of philosophy a timid office worker a terminal alcoholic and one uncompromising young woman with a house in the country Nada sets out to kidnap the American ambassador and issue a call to arms What could possibly go wrong Luminous presence Alexandra Parsons, 2021-11-02 Luminous presence Derek Jarman's life writing is the first book to analyse the prolific writing of queer icon Derek Jarman Although he is well known for his avant garde filmmaking his garden and his AIDS activism he is also the author of over a dozen books many of which are autobiographical Much of Jarman's exploration of post war queer identity and imaginative response to HIV AIDS can be found in his books such as the lyrical AIDS diaries Modern Nature and Smiling in Slow Motion This book fully explores for the first time the remarkable range and depth of Jarman's writing Spanning his career Alexandra Parsons argues that Jarman's self reflexive response to the HIV AIDS crisis was critical in changing the cultural terms of queer representation from the 1980s onwards Luminous presence is of great interest to students scholars and readers of queer histories in literature art and film **Ending Up** Kingsley Amis, 2015-04-28 A group of disgruntled septuagenarians prepare for their final days in this dark and very funny English novel about death and the inevitability of growing old The Observer Everyone wants a comfortable place to die and Kingsley Amis's characters have found it in Tuppeny happeny Cottage where assorted septuagenarians have come together to see one another out the door of life There's grotesque Adela whose sole passion is her cheapness her brother Brigadier Bernard Bastable always strategizing a new retreat to the bathroom before sallying forth to play some especially nasty practical joke Shorty the servant who years ago had a fling with the brigadier in the barracks and now organizes his day around a trail of hidden bottles George Zeyer the distinguished professor of history bedridden and helpless to articulate his still coherent thoughts and Marigold who slowly but surely is forgetting it all And now it is Christmas Children and grandchildren are coming to visit their ailing elders They don t know what lies in store before the story ends None of us do Ending Up is a grimly hilarious dance of death full of bickering bitching backstabbing drinking of course and idiocy of all sorts It is a book about dying people and about a dying England clinging to its memories of greatness as it succumbs to terminal decay **The Hearing Trumpet** Leonora Carrington, 2021-01-05 An

old woman enters into a fantastical world of dreams and nightmares in this surrealist classic admired by Bj rk and Luis Bu uel Leonora Carrington painter playwright and novelist was a surrealist trickster par excellence and The Hearing Trumpet is the witty celebratory key to her anarchic and allusive body of work The novel begins in the bourgeois comfort of a residential corner of a Mexican city and ends with a man made apocalypse that promises to usher in the earth's rebirth In between we are swept off to a most curious old age home run by a self improvement cult and drawn several centuries back in time with a cross dressing Abbess who is on a quest to restore the Holy Grail to its rightful owner the Goddess Venus Guiding us is one of the most unexpected heroines in twentieth century literature a nonagenarian vegetarian named Marian Leatherby who as Olga Tokarczuk writes in her afterword is hard of hearing but full of life Marrow and Bone Walter Kempowski, 2020-03-24 A moving darkly funny road trip novel about World War II returning to one s birthplace and coming to terms with tragedy West Germany 1988 just before the fall of the Berlin Wall Jonathan Fabrizius a middle aged erstwhile journalist has a comfortable existence in Hamburg bankrolled by his furniture manufacturing uncle He lives with his girlfriend Ulla in a grand decrepit prewar house that just by chance escaped annihilation by the Allied bombers One day Jonathan receives a package in the mail from the Santubara Company a luxury car company commissioning him to travel in their newest V8 model through the People's Republic of Poland and to write about the route for a car rally Little does the company know that their choice location is Jonathan s birthplace for Jonathan is a war orphan from former East Prussia whose mother breathed her last fleeing the Russians and whose father a Nazi soldier was killed on the Baltic coast At first Jonathan has no interest in the job or in dredging up ancient family history but as his relationship with Ulla starts to wane the idea of a return to his birthplace and the money to be made from the gig becomes more appealing What follows is a darkly comic road trip a gueasy misadventure of West German tourists in Communist Poland and a reckoning that is by turns subtle satiric and genuine Marrow and Bone is an uncomfortably funny and revelatory odyssey by one of the most talented and nuanced writers of postwar Germanv The Book of Blam Aleksandar Tisma, 2016-02-09 The Book of Blam Aleksandar Ti mas extended kaddish his masterpiece Kirkus Reviews is a modern day retelling of the book of Job The war is over Miroslav Blam walks along the former Jew Street and he remembers He remembers Aaron Gr n the hunchbacked watchmaker and Eduard Fiker a lamp merchant and Jakob Mentele a stove fitter and Arthur Spitzer a grocer who played amateur soccer and had non Jewish friends and S ndor V rtes a lawyer who was a Communist All dead As are his younger sister and his best friend a Serb both of whom joined the resistance movement and his mother and father in the infamous Novi Sad raid in January 1942 when the Hungarian Arrow Cross executed 1 400 Jews and Serbs on the banks of the Danube and tossed them into the river Blam lives The war he survived will never be over for him Testing the Current William McPherson, 2013-01-08 Growing up in a small upper Midwestern town in the late 1930s young Tommy MacAllister is scarcely aware of the Depression much less the rumblings of war in Europe For his parents and their set life seems to revolve around dinners and dancing at the country

club tennis dates and rounds of golf holiday parties summers on the Island and sparkling occasions full of people and drinks and food and laughter But curious as he is and impatient to grow up Tommy will soon come to glimpse the darkness that lies beneath so much genteel complacency hidden histories and embarrassing poor relations the subtle and not so subtle slighting of the help the mockery of President Roosevelt and the commandment they talked least about in Sunday school adultery In Testing the Current William McPherson subtly sets off his wide eyed protagonist s perspective with mature reflection and wry humor and surrounds him with a cast of vibrant characters creating a scrupulously observed portrait of a place and time that will shimmer in readers minds long after the final page is turned The Rest Is Silence Augusto Monterroso, 2024-12-10 The lone novel by a Latin American author of very short fiction praised as the most beautiful stories in the world by Italo Calvino an antic metafictional send up of the Mexican literary scene told through the unreliable recollections of an aging critic s friends relatives and attendants The one and only novel by the renowned Guatemalan writer Augusto Monterroso Latin America's most expansive miniaturist whose tiny acid and bracingly surreal narratives Italo Calvino dubbed the most beautiful stories in the world The Rest Is Silence presents the reader with the kaleidoscopic portrait of a provincial Mexican literary critic one Eduardo Torres a sort of Don Quixote of the Sunday supplements whose colossal misreadings are matched only by the scale of his vanity Presented in the form of a festschrift for the aging writer this rollicking metafiction offers up a bouquet of highly unreliable reminiscences by Torres s friends relations and servants their accounts skewed by envy ignorance and sheer malice along with a generous selection of the savant s own comically botched attempts at criticism Monterroso s narrative is a ludicrous dissection of literary self conceit a Groucho Marxian skewering of the Mexican literary landscape and perhaps a wry self portrait by an author who is profoundly sensible of just how high the stakes of the art of criticism really are and consequently of just how far it has to fall Wish Her Safe At Home Stephen Benatar, 2010-01-19 Rachel Waring is deliriously happy Out of nowhere a great aunt leaves her a Georgian mansion in another city and she sheds her old life without delay Gone is her dull administrative job her mousy wardrobe her downer of a roommate She will live as a woman of leisure devoted to beauty creativity expression and love Once installed in her new quarters Rachel plants a garden takes up writing and impresses everyone she meets with her extraordinary optimism But as Rachel sings and jokes the days away her new neighbors begin to wonder if she might be taking her transformation just a bit too far In Wish Her Safe at Home Stephen Benatar finds humor and horror in the shifting region between elation and mania His heroine could be the next door neighbor of the Beales of Grey Gardens or a sister to Jane Gardam's oddball protagonists but she has an ebullient charm all her own Fair Play Tove Jansson, 2012-10-17 Fair Play is the type of love story that is rarely told a revelatory depiction of contentment hard won and exhilarating Mari is a writer and Jonna is an artist and they live at opposite ends of a big apartment building their studios connected by a long attic passageway They have argued worked and laughed together for decades Yet they ve never really stopped taking each other by surprise Fair Play shows us

Mari and Jona's intertwined lives as they watch Fassbinder films and Westerns critique each other's work spend time on a solitary island recognizable to readers of Jansson's The Summer Book travel through the American Southwest and turn life into nothing less than art My Dog Tulip J. R. Ackerley,2010-08-24 Heartwarming and profound this account of one writer's relationship with his beloved German Shepherd is one of the bonafide dog lit classics. New Yorker The distinguished British man of letters J R Ackerley hardly thought of himself as a dog lover when well into middle age he came into possession of a German Shepherd To his surprise she turned out to be the love of his life the ideal friend he had been searching for in vain for years My Dog Tulip is a bittersweet retrospective account of their sixteen year companionship as well as a profound and subtle meditation on the strangeness that lies at the heart of all relationships In vivid and sometimes startling detail Ackerley tells of Tulip's often erratic behavior and very canine tastes and of his own fumbling but determined efforts to ensure for her an existence of perfect happiness My Dog Tulip was adapted for the screen as a major animated feature film with a cast that includes the voices of Christopher Plummer Lynn Redgrave and Isabella Rossellini Heralded as a stroke of genius by New York Magazine and the love story of the year by Vanity Fair it is a masterpiece of animal literature that is sure to touch the hearts of anyone who has found companionship with their own four legged friend
