*A Second Cup O' Kapeng Barako* Jesse Jose, 2014-02-06 This book leaves out the likelihood that many readers of Jesse Jose also like the way he writes My Best and Most Hated are both extremes Where best lies is where many of his admirers are those who smile at every wry comment he makes whenever he finds reason to do so which is hardly rare Most hated would be a welcome avenue for those seeking to vent their dislike and contempt for this man who commands a big following in online media for all his irreverent commentaries Bounding the most hated into a volume with the best provides a balance an insight And it is in that balance where we see the man behind the bottomless cups of Kapeng Barako The stuff he writes about are fairly everyday occurrence It is in how he writes about them that generates the loudest whispers and the hateful screams His commentaries aside Mr Kapeng Barako is a pleasant guy who is wedged between the best and the hated easily likable The book should be a good way to while the time especially when one can't make up who to like and who to hate what to like and what to scorn The book should provide the answer to that dilemma Romy Marquez Toronto Canada based journalist Poet and Author This book is worth reading because of the author's unique style of writing that a reader is constantly mesmerized regardless of what subject is being told or critiqued And it doesn't matter whether a reader agrees or disagrees with the author's take on the subject or issue because it is cleverly written that there is no room between the words to be misunderstood or bored In the end the satisfied reader walks away with a smile Ray Burdeos Galveston Texas The advent of the computer era makes everybody think they can write and opine on everything Many get the urge very few are capable Jesse Jose is capable and adroit in presenting his views on a wide range of topics they are meaningful relevant and cogent I like the passion and the fire in his columns and the way he tempers his heat with humor Doc Lee Lagda Cypress California
