My Kinky Boss Diary Of A Submissive A Descent Into Passion:

My Kinky Boss Marguerite de Lyon, 2015-05-17 Maria is horrified when she backs into the car of her CEO. It was an accident after all and there is no way she could afford the repairs to a Maserati. However, will the enigmatic and handsome CEO Dorian Masters see it that way or will he want her to pay? When Dorian calls Maria into his office, she knows something is amiss and expects her contract to be terminated. However, she is shocked when he offers her an alternative solution, one which will mean travelling to his vacation home where she will help him with light duties. Does Maria accept the offer? Well, she feels that there is no alternative. What could be wrong with working at Dorian's vacation house or are there other factors at play? When Maria finds the locked door, she is curious beyond measure. She has no idea what could be lurking behind. What starts out as an innocent stay becomes something more sexually thrilling and dangerously hypnotic as Maria and Dorian are drawn together. An erotic and sexy tale not only for those readers who love the BDSM scene but for general fans of erotica who love their stories with a lot of spice.

No Ordinary Love Story Sophie Morgan, 2013-03-28 Sophie Morgan bares all in her controversial sequel to *Diary of a Submissive*. *No Ordinary Love Story* Sophie Morgan is a submissive. An ordinary successful young woman who in private surrenders her body and mind to a dominant man. Some of these relationships have been loving, others casual, one just cruel. But what happens when she meets the dominant man of her dreams? When they move in together, when life, love, and play collide. In *Adam*, Sophie has found a man to respect and cherish her as well as a lover who will take her to the very limits of pain and pleasure. But how do you decide whose cooking dinner when later one of you will be whipping the other? Can you be curled up together watching TV one night and the next indulging in a serious punishment session? In this follow-up to the number one bestseller *The Diary of a Submissive*, Sophie tells us what she did next, how she struggled to combine an ordinary relationship with her sexual needs. It's a controversial, honest, and erotic story of trying to find her kinkily romantic happy ever after. *No Ordinary Love Story* is Sophie Morgan's real life *Fifty Shades of Grey*. Sophie Morgan is the author, number one best-selling *The Diary of a Submissive*, and is a journalist in her thirties.

The Diary of a Submissive Sophie Morgan, 2012 Sophie Morgan is an independent woman in her thirties with a successful journalism career. Intelligent, witty, and sarcastic, she could be the girl next door. Except that Sophie is a submissive in the bedroom; she likes to relinquish her power and personal freedom to a dominant man for their mutual pleasure. In the wake of *Fifty Shades of Grey*, here is a memoir that offers the real story of what it means to be a submissive. Following Sophie's story as she progresses from her early erotic experiences through to experimenting with her newfound awakened sexuality. From the endorphin rush of her first spanking right through to punishments the likes of which she couldn't begin to imagine, she explains in frank and explicit fashion the road she travels. But it isn't until she meets James that her boundaries are really pushed. As her relationship with him travels into darker and darker places, the question becomes where will it end? Can she reconcile her sexuality with the rest of her life, and is it possible for the perfect man to also be perfectly cruel? Racy.
