Emotions and Virtues in Feature Writing Jennifer Martin, 2021-03-22 This book provides an important and original way of understanding how journalists use emotion to communicate to readers posing the deceptively simple question how do journalists make us feel something when we read their work Martin uses case studies of award winning magazine style features to illuminate how some of the best writers of literary journalism give readers the gift of experiencing a range of perspectives and emotions in the telling of a single story Part One of this book discusses the origins and development of narrative journalism and introduces a new theoretical framework the Virtue Paradigm and a new textual analysis tool the Virtue Map Part Two includes three case studies of prize winning journalism demonstrating how the Virtue Paradigm and the Virtue Map provide fresh insight into narrative journalism and the ongoing conversation of what it means to live well together in community

Football Fans, Rivalry and Cooperation Christian Brandt, Fabian Hertel, Sean Huddleston, 2017-04-21 Football is undoubtedly the sport with the largest following in the world attracting billions of fans across the globe These fans play an integral part in determining the identity of the football club they support Many studies have focused on the intense rivalry between clubs their fans and the opposing identities they represent However little attention has been paid to examples of cooperation between rival fans This book is the first to explore antagonistic cooperation in football the idea that rival fans can work together despite their animosity With examples from Argentina Brazil Germany Mexico Croatia Poland Turkey Ukraine the UK the US and Zimbabwe this book brings together case studies on rival fans working together and explores how and why such cooperation takes place Showcasing original research from a team of international football scholars it sheds new light on the social and political complexities of contemporary football fan culture Football Fans Rivalry and Cooperation is fascinating reading for anybody with an interest in football studies the sociology of sport sport and politics or sport and social theory

Sport im Film Robert Gugutzer, Barbara Englert, 2014-10-01 Lange Zeit von den Sozial und Kulturwissenschaften ignoriert und als blo ße Mainstream Unterhaltung stigmatisiert erlangt der Sportfilm zunehmend wissenschaftliche Aufmerksamkeit Der interdisziplinäre angelegte Band verdeutlicht das vielfältige und vielschichtige gleichwohl noch nicht annähernd ausgeschöpfte wissenschaftliche Analyse und Reflexionspotenzial des Sportfilms Die Beiträge der national und international renommierten Autorinnen und Autoren fokussieren im Besonderen den Sportspielfilm mit seinen zahlreichen Subgenres wie Football Basketball Box Olympia und Kampfsportfilm Das steigende Interesse am Sportfilm resultiert aus der wachsenden Einsicht dass es sich hierbei um ein Genre handelt das pointiert gesellschaftliche Zustände kulturelle Ideologien sowie politisch ökonomische Strukturen reflektiert und kritisiert Der Sportfilm thematisiert historische Ereignisse gesellschaftliche Entwicklungen wie auch individuelle und kollektive Anti Helden Er gibt Aufschluss über kulturspezifische Besonderheiten des

Sports und dessen Verflechtung mit anderen gesellschaftlichen Handlungsfeldern Darber hinaus inszeniert er zeitgeisttypische und zugleich allgemeingültige Körperideale Werte Konflikt und Handlungsmuster Der Sportfilm reproduziert damit nicht nur gesellschaftliche und sportliche Wirklichkeit sondern konstruiert sie im Medium einer emotional wirksamen Bildsprache gleichermaßen mit Way of the Asshole Aaron L. Smith, 2010-03-30 Aaron Smith is a stand up comedian writer and an unofficial sociologist Born and raised in the Harlem section of Manhattan in New York City he is the eldest of two children Aaron brings his point of view to light and shows you how it can be used in your everyday life His blunt and sometimes harsh honesty tells it how it is and shows that many people like to hide from the ugly truth He provides a way of being someone out of the ordinary and a lifestyle that some have but never go the whole nine yards The Way Of The Asshole It is more than just a name for calling someone or saying to someone when you don't agree with them Maybe just call yourself one because you think it's cool Being an asshole is more than just saying it you have to be about it You must live breathe eat and sleep it in everything you do And this is a start in the right direction Digital Disaster! Rachel Wise, 2013-03-05 When the newspaper staff goes digital they learn the hard way that backup files are anything but optional Cherry Valley Middle School has all new computers which means the school newspaper can produce its first ever online edition of The Cherry Valley Voice Sam loves desktop publishing and enjoys cutting and editing stories online and getting instant visual feedback And it's amazing that the paper can go live at the press of a button But when it's time for that button to be pressed a terrible thunderstorm prompts a power surge that wipes out the entire issue And no one has created backup copies of their work The next day is the class trip to the amusement park which Sam and the rest of the newspaper staff have been looking forward to for ages But will the trip be everything Sam hopes for or will that too turn into a big disaster

Crypt of the Shadowking Mark Anthony, 2012-08-07 When the evil Zhentarim attempt to take over the richest of the Caravan Cities an ex Harper agent tries to foil the wicked plot Under a dark cloud Caledan Caldorien left the Harpers seven years ago Now a mysterious and beautiful messenger from the secret society convinces him to undertake one final reckless mission Iriaebor the City of a Thousand Spires has fallen under the sway of the evil network of Zhentarim With a fellowship of old friends Caledan must seek an ancient magic to counter the dark conspiracy of the Harpers' nemeses For awaiting them all is a terrible secret that lies beneath the city Crypt of the Shadowking is the sixth book in a series of loosely connected novels about the Harpers After the Camera, 2016-02-22 Thom Rouse seems to have an unbridled artistic sensibility In this book he offers up for review sixty of his favorite fine art images Rouse takes photographers behind the scenes of his creative process showing the starting point always a portrait captured by him and then details the Photoshop tools and techniques he used and sometimes some accessory images that he adds into the mix to create a dramatically different work of art While the components and tone of each image vary from page to page Rouse strictly maintains that his creative process is based on the idea that each work of art must at its core remain photographic In other words his fine art works are

enhanced stylized portraits that transcend the limits typically self imposed by portrait artists His goal in creating the book is to educate and inspire other photographers or in the words of the artist to show you something you haven't seen before This book features a collection of beautiful portraits that collide with a strange collection of elements one portrait entitled Shhhh is coupled with ornamental wooden fish, goose wings and parts of an aircraft another called Andromeda uses complex Photoshop blending techniques and texture layers to create a Gustav Klimt inspired feel in the photograph to create a storytelling piece that elevates the portrait to a fine art category On page after page you'll discover how Rouse conceptualized the featured work of art the steps he took to bring the concept to life and the curiously beautiful artistic portrait result

Post-Object Fandom Rebecca Williams, 2016-07-28 Fandom is generally viewed as an integral part of everyday life which impacts upon how we form emotional bonds with ourselves and others in a modern mediated world Whilst it is inevitable for television series to draw to a close the reactions of fans have rarely been considered Williams explores this everyday occurrence through close analysis of television fans to examine how they respond to discuss and work through their feelings when shows finish airing Through a range of case studies including *The West Wing* NBC 2000-2006 *Lost* ABC 2004-2010 *Buffy the Vampire Slayer* 1997-2003 *Doctor Who* BBC 1963-1989 2005 *The X-Files* FOX 1993-2002 *Firefly* FOX 2002 and *Sex and the City* HBO 1998-2004 Williams considers how fans prepare for the final episodes of shows how they talk about this experience with fellow fans and how through re-viewing discussion and other fan practices they seek to maintain their fandom after the show's cessation
