Mustaches and Mayhem: Charlie O's Three Time Champions Chip Greene, Greg Erion, Len Levin, Bill Nowlin, 2015-09-17 In modern baseball history only one team not named the New York Yankees has ever won three consecutive World Series That team was the Oakland Athletics who captured major league baseball s crown each year from 1972 through 1974 Led by such superstars as future Hall of Famers Reggie Jackson Catfish Hunter and Rollie Fingers in the final years before free agency and the movement of players from one team to another forever changed the game the Athletics were a largely homegrown aggregate of players who joined the organization when the team called Kansas City its home developed as teammates in the minor leagues and came of age together in Oakland But it was the way in which they did it that immortalized those teams For if the story of the Oakland Athletics championships is that of one of baseball s greatest teams it s also the story of enigmatic owner Charles O Finley and how those players succeeded in spite of Finley s larger than life persona and meddlesome ways Indeed before the Yankees George Steinbrenner there was Charles Oscar Finley of the Athletics Featuring the contributions of 46 members of the Society for American Baseball Research SABR **Mustaches and Mayhem Charlie O s Three Time Champions** shares the stories of each of the roster players on each of the A s championship teams in addition to the

Turning Wheel - The story of General Motors through twenty-five years 1908-1933 Arthur Pound, 2013-12-09
 GENERAL MOTORS in 1933 reached its twenty fifth milestone Since the founding of General Motors Company of New Jersey
 in 1908 the growth of the organization has contributed a unique chapter to American industrial history From beginnings so
 small that its birth escaped notice in financial centers General Motors has worked its way steadily forward to a place where
 its leadership in many of the most exacting branches of production and distribution is taken for granted and where it meets
 the public of many lands with a wide variety of merchandise and services Scientific research close attention to dealer and
 consumer needs and constructive public policies are among the factors accounting for General Motors present strength My
 acquaintance with General Motors began at its birth in 1908 and as a somewhat impartial observer of social trends I have
 watched its progress with keen interest ever since ARTHUR POUND 1934 Congressional Record United States.

Congress, 1965 Coach "Catfish" Smith and His Boys Glen Onley, 2004 Milburn Catfish Smith rose from the humblest of
 beginnings in rural East Texas to lead the Carey Cardinals and the Mount Vernon Tigers to numerous football and basketball
 championships including Texas State Schoolboy titles In doing so he defied the sports gurus of his day many of whom
 subsequently credited him with three of the greatest coaching feats of his century How did he do it Here for the first time the
 secret behind this most unusual and colorful man's success is revealed unknown until now even by many of his former
 players His Boys No slow climb to the top was acceptable for this firebrand coach In his first year he took his Carey Cardinals
 a school with less than one hundred enrollment and no basketball court to a fourth place finish in the Texas Schoolboy state
 basketball tournament including a twenty six game winning streak The twenty three year old coach followed that with a 50 2

season and the state championship back when the smallest schools competed against the largest for the coveted title World War II soon interrupted his career as it did that of many of his contemporaries but the experience was to change Catfish deeply and in ways even his closest friends did not understand Called to Mount Vernon Texas in September 1943 to temporarily fill a coaching vacancy Catfish exceeded all expectations Seven years later with two hundred fourteen victories and over twenty titles including district bi district regional and state crowns he was one of the most recognized high school coaches in the state of Texas *Red Dragons - The Story of Welsh Football* Phil Stead,2013-08-15 The Red Dragons covers the story of Welsh football since its earliest days in the nineteenth century and looks at the characters controversies and developments of the country s clubs players and most importantly the national team
