Myanmar Burma Since 1962 The Failure Of Development:

Myanmar (Burma) Since 1962 Peter John Perry, 2007 Why has Myanmar Burma a country rich in resources rice timber minerals descended to least developed country status Is the explanation to be found inside Burma or beyond While political authoritarianism conflict and the illegal drugs trade have been contributory factors this book lifts the lid on a potentially more serious factor the mismanagement of the country s resources

Myanmar (Burma) since the 1988 Uprising Andrew Selth, 2022-01-24 Updated by popular demand this is the fourth edition of this important bibliography It lists a wide selection of works on or about Myanmar published in English and in hard copy since the 1988 pro democracy uprising which marked the beginning of a new era in Myanmar s modern history There are now 2 727 titles listed They have been written edited translated or compiled by over 2 000 people from many different backgrounds These works have been organized into thirty five subject chapters containing ninety five discrete sections There are also four appendices including a comprehensive reading guide for those unfamiliar with Myanmar or who may be seeking guidance on particular topics This book is an invaluable aid to officials scholars journalists armchair travellers and others with an interest in this fascinating but deeply troubled country

Burma Redux Ian Holliday, 2012-03-06 Contemporary Myanmar faces immense political challenges and the role outsiders might play in dealing with them is highly contentious Drawing on views expressed by local citizens Burma redux argues for committed strategies of grassroots involvement that engage international aid agencies global corporations and foreign states The wide ranging discussion positions Myanmar s history contemporary politics and social circumstances within broader discussions of global justice democratic transitions the aid business corporate social responsibility and international sanctions Publisher s description

The Paradox of Myanmar's Regime Change Roger Huang, 2020-04-06 This book analyzes Myanmar s contemporary political history arguing that Myanmar s so called democratization has always been a calculated regime transition planned by the military with every intention that the military to remain the key permanent political actor in Myanmar s political regime Using the period since Myanmar s regime change in 2011 as an extended case study this book offers an original theory of regime transition The author argues that Myanmar s ongoing regime transition has not diverged from its authoritarian military roots and explains how the military has long planned its voluntary partial withdrawal from direct politics Therefore Myanmar s disciplined democracy contains features of democratic politics but at its core remains authoritarian Providing an original contribution to the theoretical literature on regime change by developing a theory of trial and error regime transition the book engages with and challenges the popular democratization theory by arguing that this theory does not sufficiently explain hybrid regimes or authoritarian durability Additionally the book adds to an alternative understanding of how the regime transition was initiated by examining the historical evolution of Myanmar s post colonial regime and offers a fresh perspective on contemporary political developments in Myanmar An important contribution to the study of authoritarian durability and the dynamics of regime change in Southeast Asia this book will be of

interest to academic researchers of comparative politics international relations and Southeast Asian studies Burma's Economy in the Twentieth Century Ian Brown, 2013-11-07 At the beginning of the twentieth century Burma was among the most prosperous territories in the East Yet since gaining independence in 1948 its economy has struggled Burma's developmental failure has often been attributed to gross mismanagement of the economy by the military who took power in 1962 but in this illuminating book Ian Brown one of the leading economic historians of Southeast Asia provides a fresh examination of the country's economic past thereby setting that failure in the context of the colonial period For the first time a review of Burma's economic experience in the final decades of British rule is integrated with an analysis of its economy since independence providing a detailed understanding of the complex origins of Burma's economic failure in the second half of the twentieth century This is a compelling introduction to Burma's political and economic history for students in Southeast Asian history development studies and political science *Charities in the Non-Western World* Rajeswary Ampalavanar Brown, Justin Pierce, 2013-12-04 This book looks at the operation of indigenous charities at a regional localised and global level Chapters focus on the adaptation accountability and operation of charities across a wide range of jurisdictions from China to Indonesia Thailand Iran South Africa Sri Lanka Lebanon and Turkey It examines the ownership participation and accountability of charities in a regional localised and international context and draws on the experiences and operation of charities By presenting a cross disciplinary exploration of the operation of charities the book offers an interesting insight into the functioning and identification of the influencing factors impacting the operation of charities **Routledge Handbook of Contemporary Myanmar** Adam Simpson, Nicholas Farrelly, Ian Holliday, 2018-03-05 After decades of mismanagement and direct military rule Myanmar's contested transition to a more democratic government has rapidly shifted the outlook in this significant Southeast Asian nation Since 2011 the removal of Western sanctions and new foreign investments have resulted in high rates of economic growth and an expanding middle class albeit from a very low base In a result unthinkable a few years earlier former political prisoner and Nobel laureate Aung San Suu Kyi and her party the National League for Democracy NLD formed a national government in early 2016 However despite significant political and economic reforms since the liberalisation process commenced the transition to civilian rule remains constrained by the military's 2008 Constitution which guarantees that it operates unfettered by civilian oversight As a result although some ethnic conflicts have abated others continue to fester and new conflicts have erupted With a daunting task ahead the NLD government has made some progress in removing the vestiges of repressive military era laws but many remain untouched and some of the practices of the new government provide unwelcome reminders of its authoritarian history This timely Handbook describes the political economic and cultural dimensions of this crucial period of transition in Myanmar It presents explanations for contradictory trends including those that defy some of the early narratives about the comprehensive transformation of Myanmar The Handbook also considers the impact of major environmental strategic and demographic trends which help

underscore that Myanmar's development will be an ongoing task. In addition to introductory and concluding chapters by the editors, the body of the Handbook is divided into seven core sections: Fundamentals, Spaces, Cultures, Living, Governance, International Challenges. Written by an international team of scholars with a mix of world-leading established academics and talented emerging researchers, the Handbook provides a rigorous scholarly overview of Myanmar's politics, economics, and society. As Myanmar opens to Western businesses and government agencies, this is an invaluable reference book that will provide a foundation for further research and offer the first point of call for scholars, students, and policy makers working on Myanmar and Asia.

The Geopolitics of Spectacle Natalie Koch, 2018-06-15 Why do autocrats build spectacular new capital cities? In *The Geopolitics of Spectacle*, Natalie Koch considers how autocratic rulers use spectacular projects to shape state-society relations, but rather than focus on the standard approach on the project itself, she considers the unspectacular others. The contrasting views of those from the poorest regions toward these new national capitals help her develop a geographic approach to spectacle. Koch uses Astana in Kazakhstan to exemplify her argument, comparing that spectacular city with others from resource-rich nondemocratic nations in central Asia, the Arabian Peninsula, and Southeast Asia. *The Geopolitics of Spectacle* draws new political-geographic lessons and shows that these spectacles can be understood only from multiple viewpoints, sites, and temporalities. Koch explicitly theorizes spectacle geographically and, in so doing, extends the analysis of governmentality into new empirical and theoretical terrain. With cases ranging from Azerbaijan to Qatar and Myanmar and an intriguing account of reactions to the new capital of Astana from the poverty-stricken Aral Sea region of Kazakhstan, Koch's book provides food for thought for readers in human geography, anthropology, sociology, urban studies, political science, international affairs, and post-Soviet and central Asian studies.

Soldiers and Diplomacy in Burma Renaud Egret, Larry Jagan, 2013-06-10 *Soldiers and Diplomacy* addresses the key question of the ongoing role of the military in Burma's foreign policy. The authors, a political scientist and a former top Asia editor for the BBC, provide a fresh perspective on Burma's foreign and security policies, which have shifted between pro-active diplomacies of neutralism and non-alignment and autarkical policies of isolation and xenophobic nationalism. They argue that important elements of continuity underlie Burma's striking postcolonial policy changes and contrasting diplomatic practices. Among the defining factors here are the formidable dominance of the Burmese armed forces over state structure, the enduring domestic political conundrum, and the peculiar geography of a country located at the crossroads of India, China, and Southeast Asia. Egret and Jagan argue that the Burmese military still has the tools needed to retain their praetorian influence over the country's foreign policy in the post-junta context of the 2010s. For international policymakers, potential foreign investors, and Burma's immediate neighbors, this will have strong implications in terms of the country's foreign policy approach.

The Female Voice of Myanmar Nilanjana Sengupta, 2015-12-09 *The Female Voice of Myanmar* seeks to offer a female perspective on the history and political evolution of Myanmar. It delves into the lives and works of four of Myanmar's remarkable women who set aside their lives to

answer the call of their country Khin Myo Chit who spoke about latent sexual politics in pre Independent Burma Ludu Daw Amar who as the editor of the leftist Ludu Daily was deemed anti establishment and was witness to the socialist government's abortive efforts at ethnic reconciliation Ma Thida whose writing bears testimony to the impact the authoritative military rule had on the individual psyche and Aung San Suu Kyi who has re articulated Burmese nationalism This book breaks new ground in exploring their writing both published and hitherto unexamined some in English and much in Burmese while the intimate biographical sketches offer a glimpse into the Burmese home and the shifting feminine image

Development in Difficult Sociopolitical Contexts A. Ware, 2016-04-30 This edited volume explores development in the so called fragile failed and pariah states It examines the literature on both fragile states and their development and offers eleven case studies on countries ranking in the very high alert and very high warning categories in the Fund for Peace Failed States Index

A Myanmar Miscellany: Selected Articles, 2007-2023 Andrew Selth, 2024-09-30 Andrew Selth has been watching Myanmar for 50 years During this time he has published 10 books and more than 400 other works about the country In 2020 he released a collection of almost 100 articles that had been posted on the Lowy Institute's Interpreter website This second anthology brings together another 72 articles written for a range of outlets between 2007 and 2023 This period saw the installation of a disciplined democracy under Aung San Suu Kyi the 2021 military coup and the country's descent into a bitter civil war Many of the articles in the book deal with international relations and security issues but there are also works on Myanmar's history politics and culture as well as some personal reminiscences Together they make a unique contribution from an Old Myanmar Hand with wide ranging interests and insights

China's New World Order Li, Hak Y., 2021-12-03 This discerning book examines China's newly developed soft intervention policy towards North Korea Myanmar and the two Sudans by examining China's diplomatic statements and behaviours It also highlights the Chinese soft intervention policy in economic manipulation and diplomatic persuasion in the recent generations of Chinese leadership under Hu Jintao and Xi Jinping

Greater Mekong Subregion Omkar Lal Shrestha, Aekapol Chongvilaivan, 2013 The large market size and abundant resources of the Greater Mekong Subregion GMS including a large motivated and cheap workforce a rich agricultural base extensive timber and fisheries resources considerable potential mineral resources and vast energy resources have seen the subregion increasingly recognized as a new frontier of Southeast Asian economic strength This book aims to assess the recent economic social and political developments in the GMS and identify emerging opportunities and challenges facing the successful transition towards a market driven economy The countries of the GMS are at a critical juncture where subregional efforts and cooperation must be made to fully address the rapidly evolving issues that are vital to appropriate policy formation yet which remain widely debatable The deliberations here shed light on the development stages and offer policy recommendations for pushing forward subregional cooperation

North Korea and Myanmar Andray Abrahamian, 2018-02-20 North Korea and Myanmar Burma are Asia's most mysterious tragic stories For decades they were

infamous as the region's most militarized and repressed societies self isolated and under sanctions by the international community while from Singapore to Japan the rest of Asia saw historic wealth creation and growing middle class security For Burma the threat was internal insurgent factions clashed with the government and each other For North Korea it was external a hostile superpower the United States and a far more successful rival state South Korea occupying half of the Korean peninsula Over time Myanmar defeated its enemies giving it space to explore a form of democratization and openness that has led to reintegration into international society Meanwhile North Korea's regime believes its nuclear arsenal the primary reason for their pariah status is vital to survival *Liberalism and Democracy in Myanmar* Roman David, Ian Holliday, 2018 This book examines the contours of Myanmar's political culture in the context of ongoing reform

Myanmar Adam Simpson, Nicholas Farrelly, 2020-09-14 This book provides a sophisticated yet accessible overview of the key political economic and social challenges facing contemporary Myanmar and explains the complex historical and ethnic dynamics that have shaped the country With clear and incisive contributions from the world's leading Myanmar scholars this book assesses the policies and political reforms that have provoked contestation in Myanmar's recent history and driven both economic and social change In this context questions of economic ownership and control and the distribution of natural resources are shown to be deeply informed by long standing fractures among ethnic and civil military relations The chapters analyse the key issues that constrain or expedite societal development in Myanmar and place recent events of national and international significance in the context of its complex history and social relations In doing so the book demonstrates that ethnic and cultural diversity is at the core of Myanmar's society and heavily influences all aspects of life in the country Filling a gap in the market this research textbook and primer will be of interest to upper undergraduates postgraduates and scholars of Southeast Asian politics economics and society and to journalists and professionals working within governments companies and other organisations

Contested Civil Society in Myanmar Maaïke Matelski, 2025-05-20 This book illustrates the ways in which contestations in Myanmar society are reflected in civil society It provides an up to date overview of the main identities and contestations in Myanmar society as a whole **Toward a Public Theology in Myanmar** Lal Tin Hre, David Selvaraj, 2023-10-10 The essays in this volume reflect the journey of a team from Myanmar and India listening and learning from each other The intention is for theologians pastors and public intellectuals from Southeast Asia starting from the Association of Theological Education in South East Asia ATESEA to initiate or strengthen discussions on the theme of Public Witness In situations where the discussion has begun we hope this contribution will add to the process At a fundamental level this volume will trigger a rethinking of Mission in Myanmar in the context of re-imposed military rule The volume is divided into three parts The first offers an introduction leading up to the book and to the Association of Theological Education in Myanmar ATEM the second a section on theology of Public Witness and broad theoretical formulations concluding with a wide array of the contemporary issues on the ground The articles come out of the five workshops for

professional theologians from seminaries social activists from a Christian faith background and pastors *The Language Difference* Paulin G. Djité, 2011 This book asks whether language makes a difference when it comes to development and whether there is a perceptible difference in development between countries that is attributable to their choice of language It answers these questions by comparing the role of language in Africa and in Southeast Asia Cambodia the Lao PDR Myanmar and Viet Nam
