The Complete Guide to Real Estate Options Steven D. Fisher, 2007 You are about to learn the true secret of real estate investing real estate options WHO really makes money in Real Estate Realtors sellers appraisers the bank brokers mortgage brokers closing companies attorneys taxing authorities and lastly perhaps you the investor who takes all the risk and does all the work while having to evict tenants and clean up their mess after they've left But there is a new unique and innovative method of investing in real estate A Real Estate Option gives you control of a piece of real estate without actually purchasing it By having an option on a piece of property you have the exclusive right to buy that property or not A real estate option is simply a contract between the seller and buyer giving you the legal right not obligation to buy the property at a set price for a predetermined time When you find a buyer for the property you cash in your option and deposit a large check Most real estate investment methods require you to sink a lot of your money time and effort into your investments And it is a slow process usually one property at a time often part time

Using an option instead of purchasing means you do not have to deal with rental property tenants maintenance and repairs taxes mortgage payments commissions or closing costs In this new book you will learn how to control a vast real estate portfolio without ever buying the property Let the owner keep paying the mortgage dealing with tenants and all of the costs You zero in on the profits Here is an example you locate a duplex worth 400 000 you purchase an option to buy it for 340 000 anytime within the next 120 days On Day 60 you find a buyer who will pay the full 400 000 you activate the option pay the seller 340 000 and pocket 60 000 This is a simplified example but this new book details how to become a highly successful real estate option buyer and it demonstrates step by step how to get started in this highly rewarding investment strategy Atlantic Publishing is a small independent publishing company based in Ocala Florida Founded over twenty years ago in the company president e t m s garage Atlantic Publishing has grown to become a renowned resource for non fiction books Today over 450 titles are in print covering subjects such as small business healthy living management finance careers and real estate Atlantic Publishing prides itself on producing award winning high quality manuals that give readers up to date pertinent information real world examples and case studies with expert advice Every book has resources contact information and web sites of the products or companies discussed *Share Investing For Dummies* James Dunn,2011-04-18 Get sharemarket savvy and put together the perfect share portfolio Do you want to invest in shares but don t know where to start Find out how in this comprehensive yet easy to understand bible on all things shares This updated post global financial crisis edition provides new examples charts and resources plus information on investing using the internet and spotting winners to pack into your portfolio Know your bear market from your bull cut through the sharemarket jargon and find clear explanations in plain English Get up to date information on tax and superannuation check out the latest changes in government policy on capital gains tax and super Tackle trading with the ASX learn how to use ASX Trade the Australian Securities Exchange s new trading platform Make the most of your computer find out about the latest software buy stocks online and stay abreast of company news and movements Go global safely know how to protect your overseas investments when you venture into the global economy Find out what happened in the global financial crisis understand how it happened how it affected the stock market and its longer term implications Open the book and find How to build a diversified portfolio Information on brokers and what they can do for you Ways to develop your own successful investment strategy Charts to help you analyse share prices and track trends What a float is and how to jump aboard How to understand and analyse a company prospectus Tips for trading local and international stocks online *PC Magazine* ,2000 **Australian National Bibliography** ,1997-12 **Computerised Accounting** Mellida Frost,Euan Sutherland,2017-12-06 Computerised Accounting using MYOB AccountRight 2016 2 Student Edition provides learners with clear logical instructions in order for them to competently set up and apply MYOB accounting software This edition has a revised text revamped by a fresh author team and technically reviewed by an independent consultant to ensure its currency accuracy and relevance Introduce your

students to real world applications and the requirements of the unit of competency IVF and Beyond For Dummies Karin Hammarberg, 2011-09-19 Created especially for the Australian customer A guide to the medical emotional legal and financial aspects of IVF and life after treatment Are you trying for a baby but suspect you may have an infertility problem and need IVF to conceive IVF Beyond For Dummies gives you clear advice on the causes of infertility getting ready for IVF the steps involved in treatment and managing the ups and downs of this difficult time This comprehensive guide also prepares you for life post IVF Find out why you can't fall pregnant learn about the causes of infertility and what it takes to get a diagnosis Improve your chances of IVF success change your lifestyle to boost your fertility Understand IVF step by step get detailed easy to follow explanations of what happens in a treatment cycle Navigate the system educate yourself about the legal and financial realities of IVF Take charge be empowered to make informed decisions about your IVF treatment Manage treatment stress discover strategies for surviving the emotional turmoil of IVF Help a friend get advice on how to support a loved one who's undergoing IVF Enjoy life after IVF find out what's special about being pregnant giving birth and parenting after IVF
