## **Mysteries From Baseballs Past Investigations Of Nine Unsettled Questions:**

Mysteries from Baseball's Past Angelo J. Louisa, David Cicotello, 2014-01-10 This collection of nine essays examines some of baseball's most elusive mysteries. Topics include the discovery of the body of Ed Delahanty at the bottom of Niagara Falls, the suicide of Chick Stahl, the strange death of National League president Harry Pulliam, the case of a game that may never have been played, three gambling scandals, one involving Hall of Famers, the facts concerning the legendary matchup of Satchel Paige and slugger Josh Gibson, and the intrigue behind the Brooklyn Dodgers' move to Los Angeles. **Blackball in**

**the Hoosier Heartland: Unearthing the Negro Leagues Baseball History of Richmond, Indiana** Alex Painter, 2020-03-24 Between 1907 and 1957 Richmond, Indiana, hosted over one hundred baseball games that featured professional or semi-professional black baseball teams. There are twenty-six members of the Baseball Hall of Fame in Cooperstown, New York, who suited up to play in Richmond, Indiana; of those nineteen were members of Negro League teams. The Negro Leagues, commonly referred to as Blackball before their advent in 1920, are celebrating their centennial in 2020. There is no better time to learn about these players, both men and women, who also doubled as pioneers in the country's Civil Rights Movement. **Old Comiskey Park** Floyd Sullivan, David Cicotello, Angelo J. Louisa, 2014-06-20 These new essays and memories cover the history and evolution of the former home of the Chicago White Sox, as well as its importance to its surrounding neighborhoods and to the city of Chicago. The essays cover Charles Comiskey and the location of the ballpark, the neighborhoods that surround the site, the dimensions and configurations of Old Comiskey Park, a summary of All-Star World Series and playoff games played there, Negro League baseball at Comiskey Park, Bill Veeck, the ballpark as host to events and sports other than White Sox baseball, and an analysis of the evolution of the famous exploding scoreboard, the original model for today's modern sports stadium boards. Former players, White Sox personnel, and fans contributed memories, including substantial pieces by Roland Hemond and Nancy Faust. The African American Baseball Experience in Nebraska Angelo J. Louisa, 2021-02-26 Nebraska is not usually thought of as a focal point in the history of black baseball, yet the state has seen its share of contributions to the African American baseball experience. This book examines nine of the most significant, including the rise and fall of the Lincoln Giants, Satchel Paige's adventures in the Cornhusker State, a visit from Jackie Robinson, and the maturation of Bob Gibson, both on and off the field. Also, recollections are featured from individuals who participated in or witnessed the African American baseball experience in the Omaha area. **The Age of Ruth and Landis** David George Surdam, Michael J. Haupt, 2018-06-01 Economic history of Major League Baseball during the pivotal 1920s.

The Eighth Wonder of the World Robert C. Trumbour, Kenneth Womack, 2018-11-01 2017 Seymour Medal from the Society for American Baseball Research, 2016 Pete Delohery Award for Best Sports Book from Shelf Unbound. When it opened in 1965, the Houston Astrodome, nicknamed the Eighth Wonder of the World, captured the attention of an entire nation, bringing pride to the city and enhancing its reputation nationwide. It was a Texas-sized vision of the future, an unthinkable

feat of engineering with premium luxury suites theater style seating and the first animated scoreboard Yet there were memorable problems such as outfielders inability to see fly balls and failed attempts to grow natural grass which ultimately led to the development of AstroTurf The Astrodome nonetheless changed the way people viewed sports putting casual fans at the forefront of a user experience approach that soon became the standard in all American sports The Eighth Wonder of the World tears back the facade and details the Astrodome s role in transforming Houston as a city while also chronicling the building s storied fifty years in existence and the ongoing debate about its preservation **Ebbets Field** John G. Zinn,Paul G. Zinn,2012-11-30 The Ebbets Field volume is the second in McFarland s series on historic ballparks The book combines articles about the park and the memories of those who went there in any capacity Essay topics include long time Dodger owner Charles Ebbets Brooklyn at the opening and closing of the park the first and last Dodger games at Ebbets Field black baseball at Ebbets Field non baseball events at Ebbets Field and statistical analyses of the park The memories section includes the reminiscences of Dodger and visiting players as well as fans of all types and ages **The Pirates Unraveled** Angelo J. Louisa,2015-11-06 With virtually the same personnel that had won both the National League pennant and the World Series the previous season the 1926 Pittsburgh Pirates were favored by the majority of preseason prognosticators to capture the pennant for the second year in a row But they finished in third place four and a half games behind the St Louis Cardinals That failure has largely been attributed to the alleged dissension caused by the presence of vice president and assistant to the manager Fred Clarke on the Pirate bench and to the ramifications of an attempt by several players to remove him known as the ABC Affair This book chronicles the 26 Pirates showing that the blame assigned to Clarke has been mostly misplaced and that the reasons for the Bucs failure were far more complex *The Advocate* ,2004-08-17 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States *The Saturday Evening Post* ,1917 *New York Magazine* ,1980-04-21 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Canadian Periodical Index** ,1998 **Trade Cases** Commerce Clearing House,1982 **The Reformatory Press** Iowa.
