Mystery Airships In The Sky:

Mystery Airships in the Sky Steven Arts, 2003-01-28 *The UFO Chronicles* John Michael Greer, 2020-10-31 Beyond the familiar opposition between those who believe that UFOs are spacecraft from other planets and those who believe UFOs do not exist at all lies a landscape of stranger and more rewarding topics This new edition of *The UFO Phenomenon* is a discovery of the nature of apparitions the history of secret American aerospace technologies the mythology of progress and the role of popular culture in defining experienced reality The UFO Phenomenon John Michael Greer, 2009 Written by an acclaimed occult scholar this book is a through are credible exploration of the UFO phenomenon from Kenneth Arnold s 1947 sighting of the first flying saucers to present day sightings **Crash at Corona** Don Berliner, Stanton T. Friedman, 2010-04-01 IF UFOS DON T EXIST THEN THEY CAN T CRASH But something did crash near Corona a tiny town not far from Roswell New Mexico in 1947 And that crash has been dissected and debated ever since Aviation science writer Don Berliner and nuclear physicist Stanton Friedman the original civilian investigator of the so called Roswell incident have delved into the controversy to find the truth They sifted through once classified government documents interviewed military and civilian witnesses pieced together evidence considered alternative theories and concluded that a UFO crashed near Corona and the U S government knew it and covered it up Crash at Corona proves that what was found in the New Mexico desert wasn t a weather balloon or a secret weapon it was a UFO One of the more credible books arguing the existence of UFOs Most arresting of all is the testimony of those who handled the debris who had no opportunity to compare notes yet have described the materials in almost identical language Publishers Weekly DON BERLINER has written more than 300 magazine articles and 25 books on aviation history and space and was also a staff writer for the National Investigations Committee on Aerial Phenomena NICAP He is board chairman of the non profit Fund for UFO Research Inc and is a delegate to the UFO Research Coalition STANTON T FRIEDMAN is a nuclear physicist who has worked for General Electric General Motors Westinghouse and other corporations He is also the author of TOP SECRET MAJIC and has appeared on Larry King Unsolved Mysteries and Nightline and was involved with the documentaries UFOs Are Real and Flying Saucers Are Real He was the final speaker at the fiftieth anniversary conference at the International UFO Museum and Research Center at Roswell and has given more than 700 lectures on the subject of UFOs **It Didn't Start with Roswell** Philip L. Rife, 2001-02 ALIEN ABDUCTION OVER A CENTURY AGO The story was related to a Catholic priest by an elderly man on his deathbed The man claimed that as a boy he was part of a posse searching for stolen cattle in the mountains south of Tucson Arizona in 1899 when a huge silver bowl in the sky flew ahead of the posse The lawman in charge ordered the group to split up The witness said a tiny man in silver colored clothes confronted him with a hollow tube The boy drew his revolver and fired six shots into the creature The little man flickered like a candle flame and disappeared The boy rejoined the posse and the lawman set off alone to investigate About an hour later the silver bowl rose into the air and took off When the posse rode

to the area where they'd seen the UFO ascend they found the lawman's horse but no sign of the man himself An Apache tracker with the group said the depth of the animal's hoofprints showed the man had left the horse at a certain point However there were no bootprints at the spot indicating he'd dismounted and proceeded on foot The posse searched the area for several days but found no trace of the missing lawman

Fluett, 2009-04 A truth that has been in front of mankind for over 2 000 years This collection of documented cases obtained from the freedom of information act shows point blank that we have been and are being engaged as a species Includes The famous cases involving Police Officers Airline Pilots and More

A History of Military Encounters with UFOs Robert Allred, 2024-12-30 This book explores the long history of military encounters with UFOs revealing hidden incidents of dogfights nuclear interference and mysterious confrontations with unidentified aerial phenomena Military bodies across the world have encountered experimented with and even had combat with UFOs or as the U S military now define them Unidentifiable Aerial Phenomenon or UAPs These observations and engagements have occurred since ancient times and on all continents Different nations and cultures have had vastly different analyses of the UFO UAP phenomenon from the Roman Empire to Nazi Germany and the Soviet Union and Communist China to the Western democracies The UFO UAP phenomenon has not diminished and has in fact grown in proportion in recent years and has now assumed the mantle of legitimacy in government circles the media and among the general public What is less well known or even concealed are the encounters that the military have had with UFOs some of which have even proved fatal to the terrestrials concerned There were reported

dogfights with UFOs and German aircraft in the First World War and in the Second World War reports of what became known as Foo Fighters became commonplace. However it was after the war that UFO sightings increased exponentially amongst which was a dogfight with a Mustang P 51 and a UFO in October 1948 and two years later for two consecutive weekends in 1952 UFOs hovered over Washington D C. Attempts were made by the U S Air Force to intercept the strange craft but were outrun by the UFOs. UFOs UAPs may have tampered with world nuclear forces including shutting down strategic missiles of the United States and conversely activating Soviet ICBMs almost setting off an unordered by Soviet authorities launching of atomic warheads against the United States. UFOs may also have returned fire against American military forces during the Vietnam War sending projectiles back at patrol boats that had been fired by those military river craft at UFOs hours or days before. United States Air Force personnel including a Lieutenant Colonel also encountered UFOs on the ground and in the air at Rendlesham USAF RAF base in the UK in 1980. UFOs have played cat and mouse games with the latest fighter bombers of the United States Navy since 2004 and these events have been captured on videotape and are verified to have occurred by the pilots themselves. As readers will discover from the mass of evidence presented in this book it is no longer a question of whether UFOs exist or not and that not only are such phenomenon an incontrovertible fact but that the United States has crafted plans on how to resist an alien invasion. But is there any need for us humans to be concerned about the alien presence in the skies that surround our planet? Yes be very concerned.

Hidden Realms, Lost Civilizations, and Beings from Other Worlds Jerome Clark, 2010-06-01

The secrets of mystical and legendary places revealed. Have you ever wondered about mythical and legendary worlds such as the lost continent of Atlantis? Have you ever heard of Mu and the Lemurians who some say still exist among us? Respected researcher of unexplained phenomena Jerome Clark provides a comprehensive and trustworthy look at ancient mysteries, fictional fantasy lands and extraterrestrial civilizations in his book Hidden Realms, Lost Civilizations, and Beings from Other Worlds. Claims of supernatural realms, parallel worlds and legendary lost civilizations are put to the test in this well researched guide to the unexplained. Firsthand accounts and historical documents are explored and in depth coverage is provided on the mysteries of imagination, culture, perception, consciousness and more. Beliefs, doctrines, experiences and places are described and explored in this truly comprehensive guide to the wacky, weird and otherworldly including: The hollow earth populated by a rich natural world and inhabited by an advanced civilization; The amazing powers of psychic healer Edward Cayce who gained healing and prophetic abilities by connecting with The Source; Encounters with peoples of the alternate solar system and the amazing worlds of Meton, Lanulos, Nibiru, Clarion, Maldek and Kazik; Richard S Shaver's personal experiences in an underground hell replete with demons and ghouls; The evil plots of the Snake people to destroy our planet; Witnesses testimony of meeting fairies, goblins and other mythical folk; Ancient Celtic seers; Life on Mars and encounters with Martians; Alien worlds; Parallel universes; Mystery airships. And much more. With many photos, illustrations and other graphics, this tome is richly illustrated and its helpful

bibliography and extensive index add to its usefulness Highlighting news articles historical accounts and first person interviews Hidden Realms Lost Civilizations and Beings from Other Worlds will leave you wondering what is and isn't real

Extraterrestrial Ethics Jensine Andresen, 2023-11-25 This unique book takes both inductive and deductive approaches to the topic of extraterrestrial ethics Inductively it asks what kind of ethics an advanced intelligent extraterrestrial species might display Deductively it asks how human beings should transform their own understanding of ethics to prepare for widespread contact with an advanced extraterrestrial species Using the ontological interpretation of quantum mechanics proposed by physicist and philosopher David Bohm Extraterrestrial Ethics considers how an extraterrestrial intelligence ETI may view ethical concerns relating to humankind The book examines two areas of concern nuclear technologies and the militarization and weaponization of space The text of the Fiscal Year 2022 National Defense Authorization Act FY22 NDAA in the United States clearly states that Unidentified Aerial Phenomena UAP have been reported at sites associated with nuclear weapons nuclear powered ships and submarines nuclear power generating stations etc suggesting that ETI is very concerned about the human use of nuclear technologies Furthermore the more ubiquitous level of UAP sightings by the U S military over the last few years as documented in the June 2021 report from the Office of the Director of National Intelligence ODNI in the U S suggest that ETI also is concerned about rapid acceleration relating to the militarization and weaponization of space The book concludes by advocating a normative approach to de militarize space

Conspiracy of Silence Dermot Butler, Carl Nally, 2006-06-30 Conspiracy of Silence examines how many ordinary people in Ireland have seen extraordinary things in our skies Some have gone through bizarre experiences but the truth about these encounters has been concealed in a conspiracy of silence Butler and Nally firmly believe that UFOs are a reality and no matter what causes might be suggested the phenomenon is as real here in Ireland as it is throughout the rest of the world The book examines close encounters in Ireland and all aspects of the UFO phenomenon are covered from encounters to an examination of the history of the phenomenon to what the bible has to say about the subject Certain places are closely examined such as Newgrange where paranormal activity is recorded more often than anywhere else in the country and new theories are given to such events as the mysterious summer solstice

In Plain Sight Ross Coulthart, 2021-08-01 An award winning journalist investigates a story largely ignored by mainstream media but right there in front of our eyes Are we not alone The moment we have an answer might have arrived Award winning investigative journalist Ross Coulthart has been intrigued by UFOs since mysterious glowing lights were reported near New Zealand's Kaikoura mountains when he was a teenager The 1978 sighting is just one of thousands since the 1940s and yet research into UFOs is still seen by many as the realm of crackpots and conspiracy theorists In 2020 however after decades of denial the US Department of Defense made the astonishing admission that strange aerial and underwater objects frequently reported and videoed by pilots and tracked by sensors are real unexplained and pose a genuine national security concern Compelled to investigate Coulthart has embarked on the most

intriguing story of his career speaking to witnesses researchers scientists spies defence officials and intelligence insiders in an attempt to sift the truth from the conspiracy In the US powerful new laws and a hardening of government resolve may soon force the military and intelligence communities to reveal what they know about alleged UFO crash retrievals and secret reverse engineering programs Bizarre sometimes mind blowing and utterly fascinating in this new edition of In Plain Sight Coulthart explains why there is cause for optimism that the biggest story ever might finally be about to break **My Air-ships** Alberto Santos- Dumont,1904 **The UFO Book** John Michael Greer,2025-05-20 For thousands of years people have seen strange lights and hovering shapes in the sky From an ancient awareness that there might be creatures beyond this world to very recent disclosures of alien activity at a governmental level speculation about unidentified flying objects and the alien entities that might have traveled within them has animated humanity s relationship to the unknown John Michael Greer long time researcher of the unexplained chronicles 100 of the most fascinating brushes Earth s residents have had with visitors from the cosmos Illustrated with full color photos and illustrations The UFO Book includes Babylonian engravings phantom airships of the 1890s the foo fighters of the Second World War the Flatwoods Monster and Mothman Greer weaves these together into a chronological survey of an evolving understanding of alien life He also covers alien abductions from around the world and throughout time proving that they are a widespread phenomena that unites all of the residents of this planet It s undeniable that something very strange is going on and The UFO Book is a fascinating portal into a question that predates modern history and will continue into the future is the truth out there and when will it finally be uncovered **Library of Congress Subject Headings** Library of Congress,2012 [Air University Library Index to Military Periodicals](#) ,1970 **THE TRUTH OF THE ORIGIN OF THE UNIVERSE** Dr. Sabrie Soloman,2024-08-01 The topic of undeserving credit given to the Big Bang and UFOs is a controversial one with many people having strong opinions on the matter While both the Big Bang theory and the existence of UFOs have been widely accepted the author argues that they are given too much credit and recognition without sufficient evidence to support their claims The Big Bang theory is widely accepted as the most plausible explanation for the origin of the universe Some critics argue that it is not the only possible explanation for the universe s origins Some alternative theories such as the steady state theory or the oscillating universe theory have been proposed as alternatives to the Big Bang theory Similarly the existence of UFOs is a topic that has been hotly debated for decades While there have been countless reports of UFO sightings and encounters there is a lack of concrete evidence to support the existence of extraterrestrial visitors While the Big Bang theory and UFOs may be popular topics in popular culture it is important to approach them with a critical eye and to consider the evidence before giving them undeserving credit **THE TRUTH OF THE ORIGIN OF THE UNIVERSE** Sabrie Soloman,2024-06-12 In a world filled with scientific explanations and theories it can be easy to lose sight of the ultimate truth of our existence The truth is that the universe with all its intricate complexities did not come into being by mere chance or a random explosion It was carefully

designed and orchestrated by a higher power a Creator who holds everything together When we look up at the night sky and see the countless stars and galaxies stretching out into infinity we cannot help but be in awe of the sheer magnitude and beauty of it all The heavens declare the glory of God as it says in the Bible and remind us of the greatness of the one who made it all The theory of the Big Bang which posits that the universe began as a singular point and expanded over billions of years is a flawed explanation for the origin of the universe It fails to account for the intricate design and order that we see in the cosmos as well as the existence of life on earth The marvel of our planet Earth with its perfect conditions for sustaining life points to a Creator who had a purpose and a plan in mind when he made it The countless galaxies and stars that we observe in the universe are a testament to the power and creativity of God They show us that we are part of a vast and wondrous creation one that was made by an intelligent designer who had a vision for it all The theory of evolution put forth by Charles Darwin is another flawed explanation for the diversity of life on earth It fails to explain the intricate complexities of living organisms and their unique design as well as the existence of the human soul It is clear that we are not the product of blind chance or random mutations but rather the handiwork of a loving and powerful Creator The truth of the origin of the universe points to a Creator who holds everything together and has a purpose and a plan for it all God stretches out the heavens and allows light to reach us here on earth showing us his care and provision for his creation We are not the product of random chance or blind evolution but rather the cherished creation of a loving God who made us in his image Let us never forget the marvel and wonder of the universe and the greatness of the one who made it all

Contact with Alien

Civilizations Michael Michaud, 2010-05-05 The proper study of mankind is not merely Man but Intelligence 1 Arthur C Clarke 1951 In the long running television series The X Files the original Deep Throat said to FBI Special Agent Mulder that there are those like yourself who believe in the existence of extraterrestrial life Ah but that's not the question If extraterrestrial life exists most of it may be in simpler forms comparable to the one celled organisms of Earth biology Finding such life would be fascinating for scientists but may be of only passing interest to the general public What intrigues the average citizen is the possibility of contact with extraterrestrial intelligence We want to communicate with other sentient beings learning what they know and telling them about ourselves We want to find out how they are like us and how they are different Microorganisms don't have a lot to say There is another implication of contact that underlies this book Intelligent extraterrestrials might have an impact on our future The information they send us if any might change our cultures They could have conscious intentions toward us and possibly the technologies to reach us directly Their intentions may be benign or not Our interest in alien minds is not new The idea that intelligent beings exist beyond the Earth has been part of the Western intellectual tradition for more than 2000 years Sometimes this belief was widespread at other times it was out of fashion
