Contesting the Wool: A Material Witness Mystery Diane Vallere, 2025-10-28
It s curtains for somebody at the reading of the will Poly Monroe never expected to inherit anything from Reginald Villamere the recently deceased millionaire who preserved San Ladron s historic movie theater As the owner of the town s fabric shop Poly never knew the theater owner but her relatives who left her the fabric shop did When his thirty year old will names them among the beneficiaries Poly finds herself thrust into a mystery one that turns deadly when one of Villamere s lawyers is found murdered in a theater storage room after the will reading concludes Town residents are more abuzz over the will than the murder of a stranger and rumors ensue The historical society contests the will determined to wrest control of the theater for themselves The Villamere s most devoted employee who spent years tending to the old playhouse has been snubbed Another staff member is keeping his past neatly folded away hoping no one pulls at the wrong thread And the murdered lawyer may have had his own secret a hidden connection to an heir no one saw coming As suspicion stitches into every corner of the small California town Poly must rely on her eye for patterns and her knack for unraveling the truth But the closer she gets to mending the gaps in this case the more she risks becoming the next victim in a plot tailored for murder

The Mystery of Water Johanna Blomqvist, 2024-10-31 FIND OUT THE ANSWERS TO THESE QUESTIONS AND MORE
How can a jellyfish which is almost entirely water and has neither a heart nor a brain be a living and consciously responsive being What kind of water is best for our well being Why cold water swimming is so good for us Can water be influenced by

thoughts and emotions Does water remember What do we really know about water Could solving the mystery of water also help us understand ourselves In an unprecedented way Johanna Blomqvist dives into the mystery of water in her book approaching water through science physics and the latest research as well as from an experiential perspective What follows is not only an interesting journey into the history and essence of water but also a highly personal dive into the various ways water influences us during our lifetimes and even through generations Water is a simple molecule yet we do not fully understand it It has many strange and exceptional properties that have yet to be explained Even the structure of water has yielded surprising results in recent studies It appears there might be two types of water The structure of water can begin to mimic the molecules with which it has been in contact bringing about their effects Even emotions seem to have a connection to water Water increasingly appears as a state of being between the material and immaterial worlds Water is a mystery that we need to solve to understand ourselves after all we are over 70% water Water symbolizes vitality renewal creativity and change Water is fundamental and sacred Water is the beginning and the end from it we are born and often it has also been the fate of our civilizations in the form of a flood or other upheaval I feel that water is now my teacher and my task is to discover who I really am and what my deepest essence is Looking deeply is also a form of surrender When one dares to surrender and let go a path unfolds becoming increasingly clear The Mystery of Water makes you see water in a new way You will find a new connection to water to our deepest essence Water may contain fundamental answers to our life existence and also our future
