**Robinson Jeffers and the American Sublime** Robert Zaller,2012-01-25 Robinson Jeffers and the American Sublime is the most comprehensive and most substantial critical work ever devoted to the major American poet Robinson Jeffers 1887

1962 Jeffers the best known poet of California and the American West particularly valorized the Big Sur region making it his own as Frost did New England and Faulkner Mississippi and connecting it to the wider tradition of the American sublime in Emerson Thoreau and John Muir The book also links Jeffers to a Puritan sublime in early American verse and explores his response to the Darwinian and Freudian revolutions and his engagement with modern astronomy This discussion leads to a broad consideration of Jeffers focus on the figure of Christ as emblematic of the human aspiration toward God a God whom Jeffers defines not in Christian terms but in those of an older materialist pantheism and of modern science The later sections of the book develop a conspectus of the democratic sublime that addresses American exceptionalism through the prism of Jeffers Jeffersonian ethos A final chapter places Jeffers poetic thought in the larger cosmological perspective he sought in his late works The Smoke of Horses Charles Rafferty, 2017-09-18 In this fascinating new collection by longtime poet Charles Rafferty evocative prose poems insert strange and mysterious twists into otherwise mundane middle class scenarios With wonderful intelligence and imagination these compact revelatory poems show us what is possible when we jettison accepted devices of thought for methods that are stranger and much truer Charles Rafferty is the author of six collections of poetry one collection of stories and two poetry chapbooks He lives in Sandy Hook CT where he works at a technology research firm directs the MFA program at Albertus Magnus College and teaches in the Westport Writers Workshop Volkman, 2008 Winner of the James Laughlin Award and Iowa Prize returns with a mind bending sonnet collection

Florence Nightingale Mark Bostridge, 2008-10-14 The common soldier's savior the standard bearer of modern nursing a pioneering social reformer Florence Nightingale belongs to that select band of historical characters who are instantly recognizable. Home schooled bound for the life of an educated Victorian lady Nightingale scandalized her family when she found her calling as a nurse a thoroughly unsuitable profession for a woman of her class. As the Lady with the Lamp ministering to the wounded and dying of the Crimean War she offers an enduring image of sentimental appeal. Few individuals in their own lifetime have reached the level of fame and adulation attained by Nightingale as a result of her efforts. Fewer still have the power of continuing to inspire controversy in the way she does almost a century after her death. In this remarkable book the first major biography of Florence Nightingale in more than fifty years Mark Bostridge draws on a
