**Pascal Gielen**

## **Met Gemengde Gevoelens Over Eigenheid Identiteit En Nationale Cultuur:**

**Met gemengde gevoelens**, 2000      **Kunst in netwerken** Pascal Gielen, 2003

Waarom worden bepaalde kunstenaars gekozen en anderen niet? Wat is doorslaggevend in selectieprocessen binnen de professionele kunstwereld? Kunst in netwerken biedt op deze vragen een antwoord voor de sectoren van de hedendaagse dans en de beeldende kunst in Vlaanderen.

*Out of Character* Rogier van Reekum, 2023-12-28

This book offers a detailed and innovative study of the Dutch case of politics of citizenship and nationalism by focusing on public and political controversies in the crucial period of 1973-2015. By foregrounding the crucial role of performance and narration in public and political debates, this book shows how discourses of citizenship and nationhood are deeply shaped by established repertoires and long-lasting lines of disagreement about difference and belonging in the Netherlands. While change did occur within the Dutch context during this period, this book reveals that these transformations were not primarily driven by purportedly permissive and accommodating responses to immigration and cultural diversity. Instead, it unveils a Dutch landscape deeply marked by challenges related to race, democracy, and liberal exceptionalism. In doing so, the book contributes to ongoing debates in the study of citizenship, nationalism, and intellectual history around the merits and limitations of liberal politics of inclusion. It critically extends concepts and arguments in cultural pragmatics and problematizes the common hope that public debate may progressively resolve antagonisms over difference. With a focus on empirical research, the book meticulously reconstructs the emergence of national identity debates in recent decades and vividly portrays the dynamics and tensions of these public performances while dissecting their role in shaping the nation's identity and its boundaries. The book covers a crucial period of the European politics of citizenship and nationhood in which anti-immigrant politics, new modes of racism, and the bordering of Europe took shape. It locates the Dutch case within these developments and insists on the importance of historical continuity and narrative performance. This book demonstrates that the Netherlands and Europe more broadly have not overcome the profound consequences of its past.

Cultuur in taal Christine van Baalen, Ludo Beheydt, Alice van Kalsbeek, 2003

Cultuur in taal bestaat uit drie modules die kunnen worden gebruikt tijdens bijscholingscursussen of in opleidingen voor docenten Nederlands als vreemde of tweede taal. Iedere module bestaat uit afwisselend theorie en praktijkopdrachten. De theorie is gekoppeld aan voorbeelden uit de praktijk van het onderwijs Nederlands aan anderstaligen.

**Écrire à deux voix** Ann-Mari Gunnesson, 2005

L'auto-translation est une pratique assez rare. Parmi les quelques auteurs qui ont choisi de se traduire eux-mêmes, se trouve Eric de Kuyper, auteur d'un cycle romanesque critique en néerlandais dont il a traduit lui-même les deux premiers tomes en français. Aan zee 1988, Vacances ostendaises 1995, De hoed van tante Jeannot 1989, Le chapeau de tante Jeannot 1996. Dans ces quatre textes qui racontent l'histoire d'une famille plurilingue et multiculturelle, l'ouvrage d'Ann-Mari Gunnesson étudie avec précision les cartes culturelles entre l'original en néerlandais et la traduction en français. L'enjeu est de savoir si l'image culturelle reflète dans les deux versions linguistiques est identique. Autrement dit, l'auto-traducteur a-t-il

modifi le texte source en vue de le faire mieux correspondre au monde conceptuel du lectorat cible S appuyant sur les th ories associ es la branche de recherche caract re multi disciplinaire dite Translation Studies cette tude ouvre de nouvelles perspectives sur l auto traduction en Belgique
