## **Metagenealogy Self Discovery Through Psychomagic And The Family Tree:**

**Metagenealogy** Alejandro Jodorowsky, Marianne Costa, 2014-08-22 A practical guide to recognizing and overcoming the patterns and influences of the four generations before you Provides exercises to uncover your family's psychological heritage heal negative patterns of behavior and illness in your family tree and discover your true self Explains how we are the product of two forces repetition of familial patterns from the past and creation of new ideas from the Universal Consciousness of the future Interwoven with examples from Jodorowsky's own life and his work with the tarot psychoanalysis and psychomagic The family tree is not merely vital statistics about your ancestors It is an embodied sense of self that we inherit from at least four prior generations constituting both a life giving treasure and a deadly trap Each of us is both an heir of our lineage and a necessary variation that brings the family into new territory Are you doomed to repeat the patterns of your parents and grandparents Or can you harness your familial and individual talents to create your own destiny In Metagenealogy Alejandro Jodorowsky and Marianne Costa show how every individual is the product of two forces the imitating force directed by the family group acting from the past and the creative force driven by the Universal Consciousness from the future Interweaving examples from Jodorowsky's own life and his work with the tarot psychoanalysis and psychomagic the authors provide exercises visualizations and meditations to discover your family's psychological heritage and open yourself to the growth and creativity of Universal Consciousness They reveal how identifying the patterns emotional programming and successes and failures of the four generations that influence you your siblings parents aunts uncles grandparents and great grandparents allows you to see beyond the stable identity formed by family lineage It frees you to overcome your inherited subconscious patterns of behavior and illness stop the transmission of these patterns to future generations and reconnect with your true self and unique creative purpose in life By understanding your family tree and your place in it you open your ability to heal the ancient struggle between the repetitive forces of the past and the creative forces of the future **Manual of**

**Psychomagic** Alejandro Jodorowsky, 2015-01-30 A workbook for using symbolic acts to heal the unconscious mind Provides several hundred successful psychomagic solutions for a wide range of specific psychological sexual emotional and physical problems from stuttering eczema and fears to repressed rage and hereditary illnesses Details how practitioners can develop unique psychomagic solutions for their patients Explains how psychomagic bypasses the rational mind to work directly with the unconscious for quicker and more enduring change Traditional psychotherapy seeks to unburden the unconscious mind purely through talk and discussion Psychomagic recognizes that it is difficult to reach the unconscious with rational thought We should instead speak directly to the unconscious in its own language that of dreams poetry and symbolic acts By interacting on this deeper level we can initiate quicker and more enduring change to resolve repressed childhood trauma express buried emotions and overcome deep seated intimacy issues Through the lens of psychomagic illness can be seen as the physical dream of the unconscious revealing unresolved issues some passed from generation to generation In this

workbook of psychomagic spells legendary filmmaker and creator of psychomagic Alejandro Jodorowsky provides several hundred successful psychomagic solutions for a wide range of psychological sexual emotional and physical problems from stuttering eczema and fear of failure to repressed rage hereditary illnesses and domineering parents Each solution takes the same elements associated with a negative emotional charge and recasts them into a series of theatrical symbolic actions that enable one to pay the psychological debts hindering their lives Explaining the shamanic techniques at the foundation of psychomagic the author offers methods for aspiring practitioners to develop solutions for their own unique patients Jodorowsky explains how the surreal acts of psychomagic are intended to break apart the dysfunctional persona with whom the patient identifies in order to connect with a deeper more authentic self As he says in the book *Health* only finds itself in the authentic There is no beauty without authenticity

*The Way of Imagination* Alejandro Jodorowsky, 2024-07-09 Explains the theoretical basis behind psychomagic Jodorowsky's shamanic healing technique Details the author's technique of psychotrance to access his subconscious mind to discover the most suitable psychomagic remedy Shares passionate correspondence between Jodorowsky and patients and admirers who have successfully used psychomagic methods for personal healing Through films books comics and art spanning seven decades legendary filmmaker Alejandro Jodorowsky has offered his singular surrealistic perspective on the fundamentally dreamlike nature of reality This perspective also underlies his healing technique known as psychomagic which uses the symbolism of the unconscious to understand and mend reality as if it were a dream In *The Way of Imagination* the master offers a detailed exploration of the mechanisms by which psychomagic works to heal our most pressing emotional and spiritual wounds He describes the initial stages of psychomagic's development into a practice and how he crafted the first psychomagic prescriptions to speak directly to the subconscious through the language of dreams Above all Jodorowsky explains psychomagic is a therapy of action rather than one of words Sharing passionate correspondence between himself and patients and admirers in the form of 84 letters the author demonstrates how people have successfully used psychomagic to make profound changes in their lives He shares detailed accounts of how he uses Tarot readings to determine a diagnosis as well as how he uses a trance state what he calls psychotrance to access his subconscious mind to discover the most suitable psychomagic remedy Presenting a complete immersion in the techniques of psychotrance and psychomagic this guide shows how the dreamlike nature of reality can help us move forward on the path to healing

**The Finger and the Moon** Alejandro Jodorowsky, 2016-10-10 Jodorowsky's interpretations of the stories and koans of Zen master Ejo Takata Offers more than 60 Zen teaching tales initiatory stories koans and haikus for self realization and spiritual awakening Each story or koan is accompanied by the author's lucid and penetrating commentary blending the same burlesque slapstick and sublime insight that characterize his films Explains how one must see beyond the words of the story to grasp the spiritual insights they contain Before he became the film maker and graphic novel author known throughout the world today Alejandro Jodorowsky studied with Zen master Ejo Takata in Mexico

City In The Finger and the Moon Jodorowsky recounts how he became Takata's student and offers his interpretations of the teaching tales initiatory stories koans and enigmatic haikus he learned at the feet of his great and humble teacher Blending the same burlesque slapstick and sublime insight that characterize his films such as El Topo and The Holy Mountain each story is accompanied by the author's lucid and penetrating commentary as well as insights from ancient Zen teachers Yet their most significant gift to the reader is the sudden shock of realization they impart that can lead to spiritual awakening Jodorowsky notes that most people are incapable of self realization because of their fear of the void within an emptiness they seek to fill with noise and chatter He shows that Zen teachings can be compared to a finger pointing at the moon directing you to awaken to your true nature the Buddha within The danger lies in mistaking the pointing finger for the moon mistaking the words for the essential enlightenment which can only be grasped once words have been surpassed Unlike most tales these stories are intended to evoke silent illumination as true awakening and self realization cannot occur until the mind has been stilled

The Transformative Cinema of Alejandro Jodorowsky George Melnyk, 2023-01-26 Alejandro Jodorowsky is a theatre director writer of graphic novels and comics novelist poet and an expert in the Tarot He is also an auteur filmmaker who garnered attention with his breakthrough film El Topo in 1970 He has been called a cult filmmaker whose films are surreal hallucinatory and provocative The Transformative Cinema of Alejandro Jodorowsky explores the ways in which Jodorowsky's films are transformative in a psychologically therapeutic way It also examines his signature style which includes the symbolic meaning of various colors in which he clothes his actors the use of his own family members in the films and his casting of himself in leading roles This total involvement of himself and his family in his auteur films led to his psychotherapeutic theories and practices metagenealogy and psychomagic This book is the only the second book in the English language in print that deals with all of Jodorowsky's films beginning with his earliest mime film in 1957 and ending with his 2019 film on psychomagic It also connects his work as a writer and therapist to his films which themselves attempt to obliterate the line between fantasy and reality

**The Shamanic Path to Quantum Consciousness** Laurent Huguelit, 2013-12-17 Uniting shamanism with quantum physics and psychology for conscious evolution manifestation of desires and the development of the soul Details each of the 8 circuits of consciousness from the first circuit of physical survival to the eighth circuit of quantum consciousness Reveals how to balance and upgrade your circuits through shamanic techniques and activate your creative power to shape reality Explains how the 8 circuits are interconnected through feedback loops if one is overactive it can cause the others to shut down First outlined by Timothy Leary and later expanded by Robert Anton Wilson and Antero Alli the eight circuit model of consciousness explains how the soul is multidimensional and functions on eight distinct interconnected planes that form the eight circuits of conscious awareness Each circuit is connected to certain behaviors and personality traits the second circuit for example is connected to emotional consciousness such as intuition feelings of courage or in its unbalanced state aggression and domination and the eighth circuit the creative

circuit of quantum consciousness is related to limitless perception understanding and action that extends far beyond the limits of planet Earth Laurent Huguelit explains how these eight levels of awareness are interconnected through feedback loops forming a cybernetic mapping of the soul He explores the underactive overactive and balanced states of each circuit offering many psychological profiles as examples He reveals how activating a circuit that has been neglected can help bring another into balance Connecting this model of conscious evolution to shamanism the oldest consciousness science known to man the author explains how to balance and upgrade your own circuits through shamanic techniques He reveals how to reconnect with source energy by deprogramming trauma from your childhood that can affect your circuits With access to this unlimited energy you can activate your innate creative power to manifest your desires and shape reality Uniting shamanism and the law of attraction with advanced concepts of modern psychology quantum physics and the Akashic field theory of Ervin Laszlo Laurent Huguelit offers a practical map of human consciousness and the development of the soul as well as a vision for the cybernetic future of shamanism
