## **Metaphysical Dictionary:**

**Metaphysical Bible Dictionary** Charles Fillmore, 2012-12-04 The Metaphysical Bible Dictionary was Charles Fillmore's crowning achievement. No where else will you find such thorough and complete compilation of the metaphysical aspects of the Bible. More than 700 pages of insights, definitions, and expert analysis of the most important book ever written.

**Metaphysical Bible Dictionary**, 1931      **The Revealing Word: A Dictionary of Metaphysical Terms** Charles Fillmore, 2019-12-18 The Revealing Word offers to you the metaphysical meanings and uses of words and phrases that frequently appear in New Thought publications and many that appear in the Bible. In addition to words that have religious significance, hundreds of words that are in everyday use appear in this book. Thus the reader is given inner meanings that he or she can apply to daily living. All things in life are expressed in words. Equipped with the inner meanings of words, a person can control all the issues of his or her life from the insignificant to the great.

**Metaphysical Bible Dictionary** Unity School of Christianity, 1942      Metaphysical Bible Dictionary (the Revealing Word) Charles Fillmore, 2016-10-29 A **abate** To lessen to moderate. In making a demonstration when we reach the point where the mind changes from the negative to the positive state, the troubled thoughts begin to abate. A certain set of negative ideas has run its course and the restorative thought forces are in evidence. **Abba** A word of endearment signifying father. It is only as we come to know our sonship, our true relation to God, that we enter into the consciousness of love and tender affiliation with Spirit, signified by the word **Abba**. see Mark 14:36 **abdicate** To let go, to relinquish, to renounce. The ability to abdicate is twofold: in action it eliminates the error and it expands the good. When the ego consciously lets go and willingly gives up its personal ideas and loves, it has fulfilled the law of denial and is restored to the Father's house. **abide** To continue in a fixed thought of God, the All Good, to dwell in the Christ consciousness. If ye abide in me, and my words abide in you, ask whatsoever ye will, and it shall be done unto you. John 15:7

**The Revealing Word** Charles Fillmore, 2022-11-13 In *The Revealing Word*, Charles Fillmore presents a comprehensive exploration of metaphysical terminology within the framework of Unity philosophy. Employing a clear and engaging style, Fillmore systematically defines and elucidates over 350 spiritual terms, illustrating their significance in understanding human consciousness and divine potential. The book serves as both a reference guide and a spiritual lexicon, framed within the context of early 20th-century New Thought movement, an era marked by a burgeoning interest in personal empowerment and the application of spirituality in everyday life. Charles Fillmore, co-founder of the Unity Church, built his theological insights on his personal experiences and profound spiritual awakenings. His journey from a struggling businessman to a transformative spiritual leader profoundly influenced his writings, enabling him to distill complex metaphysical concepts into accessible language. Fillmore's vision was characterized by a strong sense of inclusivity and a belief in the transformative power of the mind, which he articulated through his teachings and writings. Readers seeking deeper understanding of spiritual principles and their practical applications will find *The Revealing Word* to be an invaluable

Roy Horn,2009-08-12 Heroes Sages and Madmen is not a book for everyone but its potent message is about everyone It reveals a direct and honest no nonsense revelation for spiritual aspirants who with courage heroism and sincerity are ready to go beyond the limitations of popular religion academic philosophy physical exercise yoga and mental meditation It is a revealing new fresh and amazing look into the four major traditional Paths of Enlightenment It takes you where very few will go It takes you into the midst of the personal attainments blisses challenges pitfalls and dangers of spiritual practices And it takes you into the consciousness and personal strategies of the far reaching socially popular and pretentious pop guru The seventy nine short conversations in this book are guaranteed to convey many key secret spiritual teachings of the past These secret spiritual teachings are traditionally known only by true and ripe spiritual Heroes and authentic Sages Saints and Yogis Within these pages you can discover what causes

**Decolonisation of Materialities or Materialisation of (Re-)Colonisation** Nhemachena, Artwell, Kangira, Jairos, 2017-11-28 Contemporary scholarly discourses about

decolonising materialities are taking two noticeable trajectories the first trajectory privileges establishing connections relationships and associations between human beings and nature The second trajectory privileges restoration restitution reparations for colonial dispossessions lootings and disinheritance While the first trajectory presupposes that colonialism was merely about separation alienation and disconnections between human beings and nature the second trajectory stresses the colonialists dispossession disinheritance and privations of Africans Drawing on contemporary discourses about materialities in relation to semiotics non representationalism rhetoric ecocriticism territorialisation deterritorialisation and reterritorialisation translation animism science and technology studies this book teases out the intellectually rutted terrain of African materialities It argues that in a world of increasing impoverishment the significance of materialities cannot be overemphasised more so for the continent of Africa where impoverishment materialises in the midst of resource opulence The book is a pacesetter in no holds barred interrogation of African materialities Unity, 1919 *A Metaphysics for the Future* Robert Allinson, 2024-11-01 This title was first published in 2001 This work is intended to serve not only as an expression of a new idea of a philosophy but as an apologia for philosophy as a legitimate and independent discipline in its own right It argues that in the 20th century truth has not been abandoned but merely modified The text proposes a return to truth and suggests that it is only after apprehending the truths of consciousness that the philosopher's mirror may become a kaleidoscope through which reality may be contemplated First order truth lies in the realm of discovery and discovery takes place only within the moment of subjective re enactment
