## **Methodist Meeting Devotionals:**

*Methodist Devotion* Gordon S. Wakefield, 2018-06-26 This term Christian Spirituality has become very fashionable but requires definition It derives from one of the classifications habitual to the Church of Rome and formulated by M I Abb Pourrat in his *La Spiritualit Chr tienne* He distinguishes between Dogmatic Moral and Spiritual Theology and the greatest of these is Spiritual Theology which is based upon the others but is above them in so far as it is a branch of the science which deals not with abstract statements of faith and objective laws of conduct but with the life in Christ itself the reality of that union with Him which all traditions in some form would assert as the meaning of our salvation From the Preface *Prayer and Devotional Life of United Methodists* Steve Harper, 2013-01-15 This volume in the United Methodist Studies series challenges United Methodists to engage in life transforming practices The author explains a theme and underscores major emphases within the United Methodist denomination This adult study is divided into four sections with suggestions for group discussion and can be completed in 4 to 8 sessions No leader s guide is needed The sections are 1 Living from the Heart This chapter examines the essence of prayer and devotional life for United Methodists holiness of heart and life The chapter is divided into two sections to enable this examination Cimmunion heart and Compassion life 2 Read and Pray Daily Exploring these two central disciplines in Christian formation and the Wesleyan Tradition guides readers into practical expressions of what it means to read devotionally lection divina and pray continually the life of prayer 3 Get Connected The idea of connectionalism is a significant part of our tradition This chapter examines this idea from two vantage points of classic formation principles and the concrete structures Wesley used in early Methodism which still contain implications for today 4 Go On The cultivation of prayer and devotional life in United Methodism is not about attainment but rather about journey This chapter examines the pilgrimage motif through the two lenses of the biblical doctrine of Christian perfection and the practical development of that message through an action reflection model of Christian formation **Methodist Advocate Journal** ,1909 **Church in the Wild** Brett Malcolm Grainger, 2019-05-13 A religious studies scholar argues that in antebellum America evangelicals not Transcendentalists connected ordinary Americans with their spiritual roots in the natural world We have long credited Emerson and his fellow Transcendentalists with revolutionizing religious life in America and introducing a new appreciation of nature Breaking with Protestant orthodoxy these New Englanders claimed that God could be found not in church but in forest fields and streams Their spiritual nonconformity had thrilling implications but never traveled far beyond their circle In this essential reconsideration of American faith in the years leading up to the Civil War Brett Malcolm Grainger argues that it was not the Transcendentalists but the evangelical revivalists who transformed the everyday religious life of Americans and spiritualized the natural environment Evangelical Christianity won believers from the rural South to the industrial North this was the true popular religion of the antebellum years Revivalists went to the woods not to free themselves from the constraints of Christianity but to renew their ties to God Evangelical Christianity

provided a sense of enchantment for those alienated by a rapidly industrializing world In forested camp meetings and riverside baptisms in private contemplation and public water cures in electrotherapy and mesmerism American evangelicals communed with nature God and one another A distinctive spirituality emerged pairing personal piety with a mystical relation to nature As Church in the Wild reveals the revivalist attitude toward nature and the material world which echoed that of Catholicism spread like wildfire among Christians of all backgrounds during the years leading up to the Civil War
