Mere Apologetics Alister E. McGrath, 2012-01-01 Throughout history there have been great and articulate defenders of the faith from Augustine and Aquinas to Jonathan Edwards G K Chesterton Francis Schaeffer and C S Lewis But with new challenges comes the need for a fresh apologetic that specifically addresses the arguments levied against faith in our time of scientific atheism and skepticism In the spirit of C S Lewis s Mere Christianity Alister McGrath s Mere Apologetics seeks to equip readers to engage gracefully and intelligently with the challenges facing the faith today while drawing appropriately on the wisdom of the past Rather than supplying the fine detail of every apologetic issue in order to win arguments Mere Apologetics teaches a method that appeals not only to the mind but also to the heart and the imagination This highly accessible easy to read book is perfect for pastors teachers students and lay people who want to speak clearly and lovingly to the issues that confront people of faith today

**Discipleship** Alister E. McGrath, 2019-01-01 In exploring Christian discipleship Alister McGrath encourages readers to move beyond a superficial grasp of their faith to discover its depth and riches He equips readers to grow in wisdom and develop an accurate Christian worldview that informs the way they think imagine and act Helpfully drawing on the insights of other illuminating writers including Dorothy L Sayers C S Lewis John Stott and J I Packer McGrath offers counsel on holding on to hope while journeying through darkness and on how to live meaningfully in a world in which things don t always seem to make sense *Unlikely Converts* Randy Newman, 2019-07-30 Rely on the unstoppable power of the gospel not your own

words Most Christians have people in their lives who they re sure will never come to faith Whether they re too committed to their sinful ways too angry at God or too quick to shut down any mention of the saving grace of Jesus these long shots don t seem worth approaching But some of the most unlikely converts have the strongest faith stories and they can be a source of incredible encouragement for Christians who are trying to evangelize those around them Randy Newman knows firsthand the discomfort that comes with sharing the gospel He s been tongue tied and timid too But the truth is we don t need to sound like the brilliant charismatic legendary evangelists In this book Randy shares surprising conversion stories straight from those who took the long way around to Christianity He considers current cultural trends that make evangelism more difficult today Then with his characteristic upbeat style he offers practical ways and even exact wording to proclaim the gospel and includes a plan of action In the end *Unlikely Converts* encourages us to remember that while the Great Commission requires us to share the good news it does not require perfection only confidence in the message **Truth Matters** Andreas J.

Köstenberger, Darrell L. Bock, Joshua D. Chatraw, 2014-03-01 Easy to read yet loaded with meat and substance this book is a level headed reaction to those who equate Christian faith with blind faith even those whose subtle or stated goal is to separate students from their religious traditions *The Debaters of This Age* Steven H Propp, 2019-02-05 It is June 2018 as

an unusual group of scholars professors lecturers and students gather in a California hotel They are all attendees of an Apologetics conference intended to join qualified representatives of Christian Deist and Atheist thought for a two week no holds barred debate and discussion of their respective positions that will ultimately be included in a book published after the

conference Evangelical Christianity is represented by advocates of Evidentialist and Presuppositionalist approaches to Apologetics Catholicism liberal Christianity and Deism are also well supported The Atheist perspective is advocated by a polemical author and a college professor notorious for attacking the views of his Christian students As the participants argue over controversial issues such as cosmology evolution The Bible historical evidence for Jesus the resurrection biblical prophecies and the problem of evil intellectual fireworks result But what will result when such a volatile and eclectic group is placed face to face for more than two weeks The Debaters of this Age is the tale of what happens inside a California hotel in 2018 when a group of intellectuals gather to vigorously discuss the religious issues of our time **Apologetic**

Alister E. McGrath, 2019-10-15 The Bible is a narrative the story of God s creation humankind s fall and God s plan of redemption And it is filled with countless smaller stories that teach us about people history and the nature of God It s no surprise that God would choose to reveal himself to us in story after all he hardwired us for story Despite this we so often attempt to share our faith with others not through story but through systems arguments and talking points methods that appeal only to our mind and neglect our imagination and our emotions In this groundbreaking book scholar and author

Alister McGrath lays a foundation for narrative apologetics Exploring four major biblical narratives enduring stories from our culture such as Tolkien s The Lord of the Rings and Lewis s The Chronicles of Narnia and personal narratives from people such as Augustine of Hippo and Chuck Colson McGrath shows how we can both understand and share our faith in terms of story

The Old Testament Basis of Christian Apologetics Siegbert Riecker,2019-01-02 Much has been written on apologetics of the Old Testament canon and historicity investigating the Old Testament as an object of apologetics However this study is the first comprehensive investigation focusing on apologetics within the Old Testament i e the Old Testament theological foundations of the discipline of Christian apologetics investigating apologetics as an object of the Old Testament Taking seriously the biblical texts at its outset the study presents a biblically based scheme of five types of apologetic strategy narrative apologetics prophetic apologetics wisdom apologetics citatory apologetics as antithetic proclamation and exemplary apologetics It focuses on the many explicit confrontations in dialogues disputes quotes and responses in both prose and poetical form which are accompanied by an indirect dispute taking substantial space within the historical parts of the Hebrew Bible These theological themes are derived from the Old Testament itself not adapted from the New Testament This book serves to fill the gap of a proper biblical theological foundation of the academic field of apologetics It is a new challenge for all apologists who wish to take seriously the biblical theological foundation of their discipline With its sole focus on the Hebrew Bible this study speaks to Jewish scholars as well It enriches the current discussion on Jewish apologetics its beginnings and first developments

Yost,2017-09-21 In the spirit of Cyril Barber s classic work from the 1970s The Minister s Library Robert Yost provides students and pastors with expert guidance on building a working ministerial library From Old and New Testament languages lexical aids and grammatical tools to commentaries and theologies as well as pastoral resources Yost is a trustworthy guide through the multiplicity of books that seem to just keep rolling off the presses Far more than just a guide to commentaries as are so many works today this resource is a balanced pastoral tool for pastors and students who are overwhelmed by the proliferation of literature in the fields of biblical and pastoral studies

Tangible Christopher Sicks,2014-02-27 In today s church there seems to be two

well intentioned groups Deed people feed the hungry and help the poor while Word people proclaim the gospel and engage in apologetics The two often seem to compete with one another but God always intended them to be partners Sacrificial love can grab the attention of those we serve opening their ears and minds to the words we share In Tangible author and Pastor Chris Sicks explains how God's people can effectively introduce hurting people to God through intentional acts of kindness This book does more than discuss these good ideas It's full of ways to make God known to the needy in your community today Extra features include A thorough resource section Ministry examples Discussion questions for personal study or group discussion By sharing both words of truth and deeds of mercy God's people will reflect Christ's love the most tangible proof of God's existence

**Cultural Contextualization of Apologetics** Matt W. Lee, 2022-03-03 In the post Christian world we find sincere efforts in traditional Christian apologetics repeatedly running into invisible walls These blocks happen when cultural issues are neglected With mere rational arguments presented as a defense of Christianity logical answers alone are not attracting the nonbelievers nor resolving their skepticism People today have different obstacles in coming to the Christian faith particularly their own cultural presuppositions How do we present defend and commend Christianity to people whose culture gives them a frame of mind the one that cares very little about how rational the arguments are Cultural Contextualization of Apologetics explores the world of the New Testament and the ministry of the apostle Paul to excavate a fresh model for apologetics with cultural engagement to present an answer Matt W Lee analyzes the dynamics involved in Paul's cultural connection with his audience and how it relates to their receptivity uncovering a scheme of apologetics engagement patterned in his apologetics speeches From the background of Paul's world to the forefront of contemporary apologetics preaching Cultural Contextualization of Apologetics offers a vision of apologetics communication that is both biblical and practical
