The Routledge Handbook of the Sociopolitical Context of Language Learning Weixiao Wei, Der-lin Chao, 2025-03-11 The Routledge Handbook of the Sociopolitical Context of Language Learning is a compelling examination of how language education must adapt to our rapidly changing world. This book explores the need for a fresh perspective on language learning, moving beyond traditional methods to address the complexities of today's global landscape. It delves into the impact of geopolitical shifts, cultural exchanges, and social justice issues on language education. The book offers a blend of theoretical insights and practical approaches, highlighting how language learning intersects with global politics and cultural diversity. It examines case studies from various countries, including Ukraine and Oman, to reveal how language policies and practices are evolving in response to contemporary challenges. By integrating themes of identity, equity, and intercultural understanding, the book presents groundbreaking content that pushes for more inclusive and effective language education. Ideal for educators, policymakers, and anyone interested in the future of language learning, this book provides valuable perspectives on how to rethink and redesign language education to better serve a diverse and interconnected world. It offers practical strategies and thought-provoking analyses, making it an essential resource for navigating the complexities of modern language teaching and learning.

Environment Poetry Andrew Frolish, 2012-10-19 This is a great new resource that provides a selection of poems, lesson plans, and worksheets designed to be used by Key Stage 2 teachers in literacy lessons. The poems and lesson plans are based on a variety of environmental issues, such as recycling, dramatic weather changes, and environmental disasters like oil spills. The book contains 24 lessons with cross-curricular links to support learning in other subject areas. Their interest coincides with the need for schools to raise awareness of environmental concerns and to become more sustainable organisations.
