Miller,2013-04-01 We are at a crossroads in our spiritual evolution on Earth This crossroads is called the point of ascension Earth now has a tremendous number of ascended masters helping your planet transition into a higher light Julianio the Arcturians Go on a mind expanding journey to explore new spiritual tools for dealing with our planetary crisis Learn new healing techniques for rebalancing Earth Study the groundbreaking concepts of between lives therapy and learn to release personal trauma so that you can proceed on your path to ascension Included in this book are new and updated interpretations of the Kaballistic Tree of Life which has now been expanded to embrace fifthdimensional planetary healing methods Learn new and expanded Arcturian spiritual technologies which include the concepts of shimmering Biorelativity and holographic healing methods **Metatron** Robbie Mackenzie,2013 **Beyond Ascension** Joshua David Stone,1995 This book brings forth incredible new channeled material that completely demystifies the seven levels of initiation and how to attain them It contains revolutionary new information on how to anchor and open our thirty six chakras and how to build our light quotient at a rate of speed never dreamed possible The book includes a chapter on cosmic ascension and a unique cosmic map that outlines the process of planetary ascension The map also charts the course for full cosmic ascension through the seven cosmic planes and forty eight dimensions of reality back to the Godhead and undifferentiated Source

Walker,2015-04-23 Yielding To God s Clarion Call is a tremendous

project that I taught in one of the Schools of the Prophets Understanding God s desire for us to yield to the call on our lives and what He desires to see in the earth in this hour mandated me to begin writing on this subject I understand why things have happened to us as Prophets prophetic people and Christians at large Something Has to Happen to You was one of the chapters that I think was life changing for many as they heard and read the pages The real question is Why did you have to go through what you went through during the time of your development into what God was making out of you I don t know a prophet yet that did not have to eventually embrace what God has deposited in them The chapter Embracing The Prophet in You was birthed out of that idea Here you are with all of these dreams visions and God encounters hearing things that later manifest and you don t know who to talk to about it Well that provoked me to write on this subject Let me be the first to tell you You are not crazy but you are very prophetic When we talk about A Glimpse of Heaven how in the Book of Revelation

could the Apostle John convey what he was seeing and not be called crazy Often times when you hear or see something the majority does not see you are sometimes put in the weird category You are not weird just wired differently All Prophets and prophetic people are wired differently than normal people the masses if you will This book certainly is a must have for those that desire to grow to another level in the things of God Get this book and never be the same again You will understand not only whom you are but you will also come to understand Generation X and Y You cannot do without Yielding To God s Clarion Call in your library
