Methods For Luke Methods In Biblical Interpretation

Stanley E. Porter, Sean A. Adams

Methods For Luke Methods In Biblical Interpretation:

Methods for Luke Joel B. Green, 2010-02-26 In *Methods for Luke* four leading scholars demonstrate how different interpretive methods provide insight into the Gospel of Luke. Introducing contemporary perspectives on historical criticism, feminist criticism, narrative criticism, and Latino interpretation, they illustrate these approaches to New Testament study by examining either the Parable of the Rich Man and Lazarus (Luke 16:19-31) or Jesus' warning regarding the scribes and the story of the women with two small coins (Luke 20:45-21:4). The use of two set texts enables readers to understand how method makes a difference in the reading of the same text.

Methods for Matthew Mark Allan Powell, 2009-07-27 *Methods for Matthew* offers a primer on six exegetical approaches that have proved to be especially useful and popular. In each case a prominent scholar describes the principles and procedures of a particular approach and then demonstrates how that approach works in practice, applying it to a well-known text from Matthew's Gospel.

Methods for Exodus Thomas B. Dozeman, 2010-03-08 *Methods for Exodus* is a textbook on biblical methodology. The book introduces readers to six distinct methodologies that aid in the interpretation of the book of Exodus: literary and rhetorical genre, source and redaction, liberation, feminist, and postcolonial criticisms. Describing each methodology, the volume also explores how the different methods relate to and complement one another. Each chapter includes a summary of the hermeneutical presuppositions of a particular method, with a summary of the impact of the method on the interpretation of the book of Exodus. In addition, Exodus 1:2 and 19:20 are used to illustrate the application of each method to specific texts. The book is unique in offering a broad methodological discussion with all illustrations centered on the book of Exodus.

Jesus' Exposition of the Old Testament in Luke's Gospel Charles Kimball, 1994-03-01 This work presents an inductive exegetical analysis of Jesus' exegetical methods and expositions in Luke's Gospel in light of first-century Jewish exegetical methods via an examination of the eight Lukan pericopes in which Jesus expounds explicit Old Testament quotations. This study offers the following conclusions: In Luke's Gospel, Jesus expounded Scripture as the basis for understanding his person and ministry, teaching his followers and inquirers, and debating his religious opponents. He employed many of the exegetical methods of ancient Judaism. Yet he frequently offered interpretations of Scripture that were radically different from other Jewish teachers because of his superior understanding of Scripture and his application of Scripture to himself. In turn, he influenced the early church's biblical expositions in considerable measure. Jesus expounded Scripture for Christological and doctrinal lessons. In his Christological expositions, he made an eschatological application of certain biblical texts to himself, claiming to be the fulfillment of Old Testament messianic prophecies. In his doctrinal expositions, he corrected traditional Jewish interpretation, claiming a superior exegesis of Scripture. The Christological expositions employed *peshat* fulfillment motifs and several midrashic techniques to show that the

Latino/a Biblical Hermeneutics Francisco Lozada Jr., Fernando F. Segovia, 2014-11-05 Engage essays that are profoundly theological and resolutely social. In this collection of essays

contributors seek to analyze the vision of the critical task espoused by Latino a critics The project explores how such critics approach their vocation as critics in the light of their identity as members of the Latino a experience and reality A variety of critics representing a broad spectrum of the Latino a American formation along various axes of identity address the question in whatever way they deem appropriate What does it mean to be a Latino a critic Features Essays from sixteen scholars Articles bring together the fields of biblical studies and racial ethnic studies Conclusion addresses directions for future research

The Biblical World Katharine J. Dell, 2021-07-29 The Biblical World is a comprehensive guide to the contents historical settings and social context of the Bible This new edition is updated with several new chapters as well as a new section on biblical interpretation Contributions from leading scholars in the field present wide ranging views not just of biblical materials and their literary and linguistic context but also of the social institutions history and archaeology and religious concepts New chapters cover topics such as the priesthood and festivals creation and covenant ethics and family life while a new section on biblical interpretation discusses Jewish and Christian bible translation and key thematic emphases and modern reader response and cultural approaches This revised edition of The Biblical World offers an up to date and thorough survey of the Bible and its world and will continue to be an invaluable resource for students and scholars of the Hebrew Bible and New Testament and their history and interpretation as well as anyone working on the societies religions and political and cultural institutions that created and influenced these texts The Organon of Scripture, Or, The Inductive Method of Biblical Interpretation James Sanford Lamar, 1860

The Historical-Critical Method: A Guide for the Perplexed David R. Law, 2012-04-26 Historical Critical Analysis is the main way in which the Bible both the Hebrew Bible Old Testament and the New Testament has been examined and read by scholars in the last century The term refers to a range of methodologies which examine the origins of biblical texts in relation to other contemporaneous texts to form critical approaches and to questions of authorship audience and authenticity The aim is to get as close to the original text and its original meaning as possible For many years Historical Critical Method has been the cornerstone upon which biblical scholarship is built even as modern studies examine other theoretical approaches to reading the text in history tradition and from different audience perspectives the Historical Critical Method still presents the crucial starting point for students and scholars

Pillars in the History of Biblical Interpretation, Volume 3 Stanley E. Porter, Zachary K. Dawson, 2021-06-07 This third volume like its predecessors adds to the growing body of literature concerned with the history of biblical interpretation With eighteen essays on nineteen biblical interpreters volume 3 expands the scope of scholars both traditional and modern covered in this now multivolume series Each chapter provides a biographical sketch of its respective scholar s an overview of their major contributions to the field explanations of their theoretical and methodological approaches to interpretation and evaluations and applications of their methods By focusing on the contexts in which these scholars lived and worked these essays show what defining features qualify these scholars as pillars in the history of biblical interpretation

While identifying a scholar as a pillar is somewhat subjective this volume defines a pillar as one who has made a distinctive contribution by using and exemplifying a clear method that has pushed the discipline forward at least within a given context and time period This volume is ideal for any class on the history of biblical interpretation and for those who want a greater understanding of how the field of biblical studies has developed and how certain interpreters have played a formative role in that development

Jews and Gentiles in the Early Jesus Movement A. Bibliowicz, 2013-04-17 This volume offers new insights on Jewish Gentile relations and the evolution of belief in the early Jesus movement suggesting that the New Testament reflects the early stages of a Gentile challenge to the authority and legitimacy of the descendants of Jesus disciples and first followers as the exclusive guardians and interpreters of his legacy

General Introduction to the Study of the Holy Scriptures Francis Ernest Gigot, 1900 *Handbook of Biblical Criticism* Richard N. Soulen, R. Kendall Soulen, 2001-01-01 Integrating the newest methods and theories of biblical studies this third edition contains over 800 terms phrases names explanations of common abbreviations notes on major methodologies and exegetical basics biographical sketches of key figures in the history of research analytical outlines of fundamental critical problems a list of bibliographic tools plus an invaluable Diagram of Biblical Interpretation

The Possibility of Satan Alan McGill, 2021-05-04 Can we know that Satan exists as a particular disembodied spirit Current Catholic teaching insists that Satan exists as a person a fallen angel who has instigated the Fall of humanity continues to influence humans today and constitutes a singular nemesis to God How one might ask could human beings know such a thing with certainty In response this book seeks to rescue the mythical language in which the doctrine of Satan is rooted so that it is freed from the unreasonable expectation that it affirms the existence of a particular creature and can instead express theological truth that is of relevance to all free willed creatures In doing so it addresses thorny questions concerning the interpretation of Scripture the relationship between God and evil between doctrine and truth between the Church and modernity and between the condemnatory impulses apparent in Christian thought and the doctrine of an omnipresent God of infinite mercy The book detects in the doctrine of Satan the expression of fundamental truths concerning the Creator creature relationship truths that are too easily obfuscated in current formulations that invite either fundamentalism or incredulity

The Dubious Disciples J. David Woodington, 2020-08-10 The Dubious Disciples provides a literary examination of the four scenes of the disciples doubting the appearance of the resurrected Jesus in the canonical Gospels Each Gospel offers a unique account of this episode and the differences between them dramatically affect how readers evaluate the disciples actions and perceive the role of doubt in the Christian experience

The People's New Testament Commentary M. Eugene Boring, Fred B. Craddock, 2010-01-25 M Eugene Boring and Fred B Craddock present this new one volume commentary on the New Testament Writing from the fundamental conviction that the New Testament is the people's book Boring and Craddock examine the theological themes and messages of Scripture that speak to the life of discipleship Their work clarifies matters of history culture geography

literature and translation enabling people to listen more carefully to the text This unique commentary is the perfect resource for clergy and church school teachers who seek a reference tool midway between a study Bible and a multivolume commentary on the Bible **Research Methods in Social Science Statistics** Drew Palmer,2019-01-17 Method,

Context, and Meaning in New Testament Studies C. Kavin Rowe,2024-03-21 A masterful collection of essays in New Testament studies connecting Scripture theology and human life What is the purpose of studying the New Testament and how is it best approached Esteemed professor C Kavin Rowe explores these questions in sixteen incisive essays covering a range of topics including the state of New Testament studies as a field the relationship between historical criticism and theological reading interdisciplinary methodology comparative religion and New Testament Christianity truth claims of the New Testament What unites these diverse chapters is a holistic approach to the New Testament Against the modern tendency to separate disciplines Rowe unites philosophy theology history and biblical studies in fruitful conversation Most crucially he emphasizes the essential purpose of this academic work its implications for human flourishing With an insightful and bold approach Rowe s essays should be read by anyone interested in New Testament studies Scholars and students will find the essays in this critical volume challenging and rewarding **Pillars in the History of Biblical Interpretation,**

Volume 1 Stanley E. Porter,Sean A. Adams,2016-08-17 This two volume set is part of a growing body of literature concerned with the history of biblical interpretation The ample introduction first sets key players into the story of the development of the major strands of biblical interpretation since the Enlightenment identifying how different theoretical and methodological approaches are related to each other and describing the academic environment in which they emerged and developed Volume 1 contains fourteen essays on twenty two interpreters who were principally active before 1980 and volume 2 has nineteen essays on twenty seven of those who were active primarily after this date Each chapter provides a brief biography of one or more scholars as well as a detailed description of their major contributions to the field This is followed by an often new application of the scholar s theory By focusing on the individual scholars and their work the book recognizes that interpretive approaches arise out of certain circumstances and that scholars are influenced by and have influences upon both other interpreters and the times in which they live This set is ideal for any class on the history of biblical interpretation and for those who want a greater understanding of how the current field of biblical studies developed **CHRISTIAN**

THEOLOGY Edward D.
