Microfinance And Its Discontents Microfinance And Its Discontents

Deborah Johnston, Kevin Deane, Matteo Rizzo

Microfinance And Its Discontents Microfinance And Its Discontents:

Microfinance and Its Discontents Lamia Karim, 2011 The first feminist critique of the much lauded microcredit process in Bangladesh Microfinance and Its Discontents Lamia Karim, 2011 **Village Ties** Nayma Qayum, 2021-11-12 Village Ties argues that grassroots women's mobilization programs can empower poor women to challenge oppressive informal institutions the rules of the game that govern relationships between actors in the rural global South By exploring the activities of women who belong to Polli Shomaj an initiative of the development organization BRAC Village Ties challenges stereotypes of poor Muslim women as backward subservient oppressed and in need of saving **Global humanitarianism and media culture** Michael Lawrence, Rachel Tavernor, 2019-01-21 This electronic version has been made available under a Creative Commons BY NC ND open access license This collection interrogates the representation of humanitarian crisis catastrophe and care Contributors explore the refraction of humanitarian intervention from the mid twentieth century to the present across a diverse range of media forms including screen media film television and online video newspapers memoirs music festivals and social media platforms notably Facebook YouTube and Flickr Examining the historical cultural and political contexts that have shaped the mediation of humanitarian relationships since the middle of the twentieth century the book reveals significant synergies between the humanitarian enterprise the endeavour to alleviate the suffering of particular groups and its media representations particularly in their modes of addressing and appealing to specific publics

Handbook of Microfinance, Financial Inclusion and Development Valentina Hartarska, Robert J. Cull, 2023-02-14 This timely Handbook collates a range of evidence from top scholars in the field to help readers understand who microfinance reaches how it helps and why clients come back It offers updated views on important concepts that enable a broader framework for understanding poverty and the corresponding financial needs of poor households **Gut Anthro** Amber Benezra, 2023-05-09 A fascinating ethnography of microbes that opens up new spaces for anthropological inquiry The trillions of microbes in and on our bodies are determined by not only biology but also our social connections Gut Anthro tells the fascinating story of how a sociocultural anthropologist developed a collaborative anthropology of microbes with a human microbial ecologist to address global health crises across disciplines It asks what would it mean for anthropology to act with science Based partly at a preeminent U S lab studying the human microbiome the Center for Genome Sciences at Washington University and partly at a field site in Bangladesh studying infant malnutrition it examines how microbes travel between human guts in the field and in microbiome laboratories influencing definitions of health and disease and how the microbiome can change our views on evolution agency and life As lab scientists studied the interrelationships between gut microbes and malnutrition in resource poor countries Amber Benezra explored ways to reconcile the scale and speed differences between the lab the intimate biosocial practices of Bangladeshi mothers and their children and the looming structural violence of poverty In vital ways Gut Anthro is about what it means to collaborate with mothers local field researchers in Bangladesh

massive philanthropic global health organizations with the microbiome scientists and of course with microbes It follows microbes through various enactments in scientific research microbes as kin as data and as race Revealing how racial categories are used in microbiome research Benezra argues that microbial differences need transdisciplinary collaboration to address racial health disparities without reifying race as a straightforward biological or social designation Gut Anthro is a tour de force of science studies and medical anthropology as well as an intensely personal and deeply theoretical accounting of what it means to do anthropology today Cover alt text Black background overlaid with a pink organic path suggestive of a human digestive system Title appears within the guts as if being processed **Microcredit Meltdown** Crystal

Murphy,2018-12-03 Established to help people jumpstart their lives and economy after over a half century of conflict the South Sudanese microcredit sector collapsed in 2012 six years after its takeoff to the detriment of some 80 000 participants Microcredit Meltdown is an account of the ambitious launch and premature downfall of the Southern Sudanese microcredit industry Through a mixed methods ethnographic approach the book charts the state and non state actors that embarked upon economic development after war the assumptions built into microlending and the impact of ideologies and social norms on economic practice The text compares industry theories with the experiences of borrowers and finds that microcredit failed in South Sudan due to false assumptions that were inapplicable to this post conflict environment Yet the over promising and under delivering commercial microcredit was not isolated to South Sudan or even post conflict settings The Juba microcredit story is an instance of the broader global shift toward the commercial microcredit model Initiated to get badly needed capital into the hands of poor people instead the focus became sustaining a lending program The text shows how the ideological and material constraints of the commercial microcredit paradigm were woefully misaligned with local socio cultural realities and created the collapse in South Sudan Individual and Social Adaptions to Human Vulnerability Donald C. Wood,2018-12-14

This volume celebrates the 40th anniversary of the Research in Economic Anthropology series presenting ten peer reviewed anthropological papers looking at human vulnerability the ways people attempt to cope with it and barriers to successfully overcoming it *The Micro-politics of Microcredit* Mohammad Jasim Uddin,2015-05-01 Microcredit has been seen in recent decades as having great potential for aiding development in poor developing countries with Bangladesh being one of the countries which has pioneered microcredit and implemented it most widely This book based on extensive original research explores how microcredit works in practice and assesses its effectiveness It discusses how microcredit usually channelled through women is often passed to the men of the family a practice disapproved of by some but regarded as acceptable by borrowers who have a communal approach to debt rather than viewing debt as something held by single individuals The book demonstrates how the rules around microcredit are often seem as irksome by the borrowers how lenders often charge high rates of interest and work primarily to preserve their institutions thereby going against the spirit of the microcredit movement and how borrowers often end up on a downward spiral deeper and deeper in debt Overall the book argues that

although microcredit does much good it also has many drawbacks Mutant Neoliberalism William Callison,Zachary Manfredi,2019-11-05 Tales of neoliberalism s death are serially overstated Following the financial crisis of 2008 neoliberalism was proclaimed a zombie a disgraced ideology that staggered on like an undead monster After the political ruptures of 2016 commentators were quick to announce the end of neoliberalism yet again pointing to both the global rise of far right forces and the reinvigoration of democratic socialist politics But do new political forces sound neoliberalism s death knell or will they instead catalyze new mutations in its dynamic development Mutant Neoliberalism brings together leading scholars of neoliberalism political theorists historians philosophers anthropologists and sociologists to rethink transformations in market rule and their relation to ongoing political ruptures The chapters show how years of neoliberal governance policy and depoliticization created the conditions for thriving reactionary forces while also reflecting on whether recent trends will challenge reconfigure or extend neoliberalism s reach The contributors reconsider neoliberalism s relationship with its assumed adversaries and map mutations in financialized capitalism and governance across time and space from Europe and the United States to China and India Taken together the volume recasts the stakes of contemporary debate and reorients critique and resistance within a rapidly changing landscape Contributors tienne Balibar S ren Brandes Wendy Brown Melinda Cooper Julia Elyachar Michel Feher Megan Moodie Christopher Newfield Dieter Plehwe Lisa Rofel Leslie Salzinger Quinn Slobodian **Understanding Global Poverty** Serena Cosgrove,Benjamin Curtis,2021-08-29 Understanding Global Poverty introduces students to the study and analysis of poverty helping them to understand why it is pervasive across human societies and how it can be reduced through proven policy solutions The book uses the capabilities and human development approach to foreground the human aspects of poverty keeping the voices experiences and needs of the world s poor central to the analysis Starting with definitions and measurement the book goes on to explore the causes of poverty and how poverty reduction programs and policy have responded in practice The book also reflects on the ethics of why we should work to reduce poverty and what actions readers themselves can take This new edition has been revised and updated throughout featuring a new chapter on migration and refugees additional international examples including material on Mexico Covid 19 in global perspective and South South development initiatives information on careers in international development insights into how various forms of social difference including race ethnicity social class gender and sexuality relate to poverty Fully interdisciplinary in approach the book is also supplemented with case studies discussion questions and further reading suggestions in order to support learning Perfect as an introductory textbook for students across sociology global development political science anthropology public health and economics Understanding Global Poverty will also be a valuable resource to policy makers and development practitioners Victims and the Labour of Justice at the International Criminal Court Leila Ullrich,2024 **The Political Economy of HIV in Africa** Deborah Johnston,Kevin Deane,Matteo Rizzo,2018-10-18 Biomedical revolutions seem to have radically altered the environment for HIV transmission anti retrovirals

ARVs and drugs to reduce mother to child transmission promise to cut HIV transmission rates as does male medical circumcision. However the hopeful messages of UNAIDS are tempered with warning about expenditure shortfalls and calls for funding. Contributions to this book remind us that along with the external financial constraints there have been new fractures in state power and in the organisation of health systems. More than this the book fundamentally calls into question whether biomedical interventions can change the social roots of this disease. As well as considering new policy approaches the book reasserts a long standing political economy approach to HIV and to adapt it to reflect new competing theoretical approaches. The chapters attempt to connect the debates about HIV AIDS to larger discussions about globalisation class differentiation inequity and uneven development in African countries. This book was originally published as a special issue of *Review of African Political Economy*. The Violence of Financial Inclusion Anil Shah, 2025-06-27. Financial inclusion appears as a timely development policy. Ostensibly providing poor households with access to credit and other financial services contributes to sustainable development and poverty alleviation. Anil Shah reveals the colonial roots of microfinance and how these paved the way for its rise in the present. Drawing on empirical field research he demonstrates how financial inclusion is the latest incarnation of a class based mode of dominating and exploiting subaltern classes on the Indian subcontinent through gendered and racialised indebtedness. As such he offers a vital resource for researchers students and policymakers working in the field of development finance. How Development Projects Persist Erin Beck, 2017-05-18. Erin Beck examines microfinance NGOs working with poor rural women in Guatemala to show how these women creatively and strategically use the NGOs to their own benefit in ways that do not necessarily match the goals of the NGOs demonstrating that development projects are often transformed and persist in unexpected ways. *Globalization and Governance in India* Jivanta Schottli, Himanshu Jha, 2023-06-27. This volume examines the tangled relationship between globalization and governance through the lens of India's domestic politics structures institutions and policies. The contributors to this volume draw attention to the interconnectedness of global and domestic processes. In doing so this volume also captures the evolving dynamics of state society market relations. A unique blend of papers the collection brings out the complex interplay and interconnections between global trends domestic politics and governance challenges in explaining both the persistence of policy reforms as well as institutional change. In this light the volume examines the role of socio political processes and key actors at the domestic level how they have negotiated global norms pressures and opportunities resulting in durable policies and institutions. The COVID 19 pandemic has yet again brought the focus back to the significance and interconnectedness of globalization and governance. This volume will contribute to a deeper understanding of these twin processes through thematic discussions on embedded liberalism of the Indian state transnationalisation of India's economic elites exploring the role of global local linkages in the transparency laws strategic internationalization and the politics of reform the global success of micro credit and its domestic manifestation and the resilience and durability of the Indian way of governing.

globalization This book was originally published as a special issue of the India Review

Women and Microfinance in the Global South Lynn Horton, 2018 Women and Microfinance in the Global South is a grounded exploration of the intersections of neoliberal ideology and feminism

Celebrity Humanitarianism and North-South Relations Lisa Ann Richey, 2015-08-20 Discussion over celebrity engagement is often limited to theoretical critique or normative name calling without much grounded research into what it is that celebrities are doing the same or differently throughout the world Crucially little attention has been paid to the Global South either as a place where celebrities intervene into existing politics and social processes or as the generator of Southern celebrities engaged in do gooding This book examines what the diverse roster of celebrity humanitarians are actually doing in and across North and South contexts Celebrity humanitarianism is an effective lens for viewing the multiple and diverse relationships that constitute the links between North and South New empirical findings on celebrity humanitarianism on the ground in Thailand Malawi Bangladesh South Africa China Haiti Congo US Denmark and Australia illustrate the impact of celebrity humanitarianism in the Global South and celebritization participation and democratization in the donor North By investigating one of the most mediatized and distant representations of humanitarianism the celebrity intervention from a perspective of contextualization the book underscores the importance of context in international development This book will be of interest to students and researchers in the fields of development studies celebrity studies anthropology political science geography and related disciplines It is also of great relevance to development practitioners humanitarian NGOs and professionals in business CSR fair trade who work in the increasingly celebritized field

[The Rise and Fall of Global Microcredit](#) Milford Bateman, Stephanie Blankenburg, Richard Kozul-Wright, 2018-10-09 In the mid 1980s the international development community helped launch what was to quickly become one of the most popular poverty reduction and local economic development policies of all time Microcredit the system of disbursing tiny micro loans to the poor to help them to establish their own income generating activities was initially highly praised and some were even led to believe that it would end poverty as we know it But in recent years the microcredit model has been subject to growing scrutiny and often intense criticism The Rise and Fall of Global Microcredit shines a light on many of the fundamental problems surrounding microcredit in particular the short and long term impacts of dramatically rising levels of microdebt Developed in collaboration with UNCTAD this book covers the general policy implications of adverse microcredit impacts as well as gathering together country specific case studies from around the world to illustrate the real dynamics incentives and end results Lively and provocative The Rise and Fall of Global Microcredit is an accessible guide for students academics policymakers and development professionals alike

Measuring Sustainable Development and Green Investments in Contemporary Economies Mieila, Mihai, 2017-01-05 Sustainability is becoming an increasingly urgent factor in all areas of life and its effect on contemporary economies can be vast Sustainable development can truly propel modern economies forward and it is important to study the impacts of such progress Measuring Sustainable

Microfinance And Its Discontents Microfinance And Its Discontents Introduction

In today's digital age, the availability of Microfinance And Its Discontents Microfinance And Its Discontents books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Microfinance And Its Discontents Microfinance And Its Discontents books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Microfinance And Its Discontents Microfinance And Its Discontents books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Microfinance And Its Discontents Microfinance And Its Discontents versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Microfinance And Its Discontents Microfinance And Its Discontents books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Microfinance And Its Discontents Microfinance And Its Discontents books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Microfinance And Its Discontents Microfinance And Its Discontents books and manuals is Open Library.

Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Microfinance And Its Discontents Microfinance And Its Discontents books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Microfinance And Its Discontents Microfinance And Its Discontents books and manuals for download and embark on your journey of knowledge?

FAQs About Microfinance And Its Discontents Microfinance And Its Discontents Books

1. Where can I buy Microfinance And Its Discontents Microfinance And Its Discontents books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
