Provisions of Citizenship (10-15 citizens)	Students reflect personally by using the top 10, best or best a citizen.

Why is it important to fulfill our obligations of citizenship?	When citizens meet their obligations to the government, they are making the United States a better and better place to live. By following the law and not committing crimes, communities are less dangerous places. By paying taxes, citizens are making sure that the government can afford to provide services that benefit the general public. By defending the nation if called to do so, citizens are making sure that those who live in the United States are protected from enemies who may harm us. By serving on jury, citizens are making sure that the right to a trial by jury is protected.
Why is it important for citizens to be active participants in their community?	Continuously working helps the community grow. If someone's contribution helps a citizen, it is a good idea to see if that contribution can help other citizens too to find the solution.
