Matteson,2025-08-14 The theoretical framework of the Industrial Complex explores how institutions established with a purpose external to themselves can become focused on their own self perpetuation pursuing power growth and profits in ways that may well contradict and undermine that original purpose Much theorizing has engaged issues such as the military healthcare and prison industrial complexes This book explores the framework of the Industrial Complex in relation to churches How do churches intended to in part worship God preach the gospel nurture discipleship and serve those in need become focused on factors such as profit accumulation limitless growth and expansion consolidation of power How do systems like colonialism capitalism white supremacy and patriarchy play a contributing role to these phenomena What are the impacts of the Church Industrial Complex on various facets of church life and parties involved and impacted Finally what can be done to resist these temptations and where are the corners of the church that have and continue to witness to an alternate approach This accessible book is designed for anyone who is concerned about these questions church leaders and members theological students and anyone who is curious about the dynamics at play in contemporary church life

Following Jesus Phillip C. Thrailkill, 2022-10-17 Two questions are braided together in Luke's Gospel: Who is Jesus and what does it mean to be his student and apprentice? The church has spent much of its intellectual energies on the first question but not so much on the second. We are precise in our Christology and vague in our Discipleology. My new word of the four biographies that open the New Testament, Luke is perhaps the best equipped to answer the question of what it means to follow Jesus along with others and what we can expect in the process. Luke's Gospel is dense with story after story about Jesus's stumbling, goofy, persistent disciples. And his second volume, Acts, continues the tale. There is a deep continuity as Luke teaches between Jesus's original disciples and the ones who later declared their allegiance to him after his resurrection. We walk in the footsteps of pioneers in this new way of living with a Jesus who is always near but just beyond sight. The aim of this book is to plunder the fruits of New Testament scholarship, especially the tools of rhetorical and narrative criticism, to highlight what an incredible adventure came with the call to follow me. Spiritual Leadership, Spiritual Discipleship, Spiritual Maturity Set of 3 Sanders books J. Oswald Sanders, 2008-02-21 This set includes all three books of the Oswald Chambers Spiritual Growth Trilogy: Spiritual Leadership, Spiritual Discipleship, and Spiritual Maturity. In Spiritual Leadership, J. Oswald Sanders illustrates biblical leadership principles through the lives of David, Moses, Nehemiah, the Apostle Paul, David Livingstone, and Charles Spurgeon. This world needs more leaders who are guided by God and devoted to Christ. Christianity needs to put forth a powerful voice to be heard above the cacophony of immorality and deception in much of today's leadership. Spiritual Leadership will encourage you to place your talents and powers at His disposal so you can become a leader used for His glory. This timeless classic will equip leaders of all generations to press on in service for Jesus Christ. Spiritual Leadership has easy-to-understand modern language and a study guide to assist each leader as they grow and successfully apply the principles in this book. Prepare to be stretched, challenged, and motivated to apply the leadership principles of character, passion, and especially godliness. Spiritual Leadership is a necessary tool for today's leaders. With over 500,000 in print, this book is the perennial favorite for teaching the principles of leadership. In Spiritual Discipleship, Sanders provides mature inspiration and instruction for spiritual growth. While most Christians want to honor and glorify God, few fully understand the absolute sacrifice that He asks. You'll find probing insight into biblical requirements for true discipleship in the Lord's service. Includes study questions. In Spiritual Maturity, Sanders addresses the limitations of our knowledge about God and assists us in tackling life's most difficult tasks. By acknowledging our lack of wisdom, we may become wiser. Study questions help increase individual or group spiritual discernment and growth in the knowledge and understanding of the Lord. **Organic Disciples Study Guide** Kevin G. Harney, Sherry Harney, 2021-12-28 Connect your journey of discipleship with a passion for the world to meet Jesus Christ. For many, followers of Jesus, discipleship means doing certain things to deepen our connection with Jesus Christ. But our spiritual growth checklists are often disconnected from the mission of reaching a lost world with the gospel message. Taking a holistic approach that unites evangelism and discipleship

Kevin and Sherry Harney demonstrate how God's plan for our spiritual growth is intimately connected to his mission to the world. Based on the teachings and reflection of their book *Organic Disciples*, Kevin and Sherry will lead you and your group through the seven markers of spiritual maturity and how these biblical practices can connect us with God's work of reaching people with his love. Bible Engagement. Passionate Prayer. Wholehearted Worship. Humble Service. Joyful Generosity. Consistent Community. Organic Outreach. True spiritual maturity will always lead believers outward to engage the world with the good news and truth of Jesus. You'll learn how to overcome the common roadblocks and false narratives that stand in the way of spiritual maturity and how to design a personal pathway of growth to be more like Jesus in character and mission. Used together with the *Organic Disciples* book and the free video study and online assessment available at [OrganicOutreach.com](http://OrganicOutreach.com), churches and individuals can better identify where they are in their growth journey and what the next steps are in becoming more like Jesus.

*Emotionally Healthy Discipleship* Peter Scazzero, 2021-03-30 The global church is facing a discipleship crisis. Here's how we move forward into transformative discipleship. Pastors and church leaders want to see lives changed by the gospel. They work tirelessly to care for people, initiate new ministries, preach creatively, and keep up with trends. Sadly, much of this effort does not result in deeply changed disciples. Traditional discipleship strategies fail because they only address surface issues and do not go deep enough into the emotional health of individuals. But transformative, emotionally healthy discipleship is a methods-based biblical theology that when fully implemented informs every area of a church ministry or organization. It is a discipleship structure built from the center that slows down our lives so we can cultivate a deep personal relationship with Jesus. Challenges the values of Western culture that have compromised the radical call to follow the crucified Jesus. Integrates sadness, loss, and vulnerability that when left out leave people defensive and easily triggered. Acknowledges God's gift of limits in our lives. Connects how our family and personal history influence our discipleship in the present. Measures our spiritual maturity by how we are growing in our ability to love others. In *Emotionally Healthy Discipleship*, bestselling author Pete Scazzero takes leaders step by step through how to create an emotionally healthy culture and multiply deeply changed people in every aspect of church life, including Leadership and team development, Marriage and single ministry, Small groups and youth and children's ministry, Preaching, worship, and administration, Outreach. Complete with assessments and practical strategies, *Emotionally Healthy Discipleship* will help you move people to the beneath-the-surface discipleship that actually has the power to change the world. Winner of the 2022 ECPA Christian Book Award for Ministry Resources.
