Organizational Behavior: Improving Performance and Commitment in the Workplace Jason Colquitt, JEFFERY. WESSON LEPINE (MICHAEL.), Michael J. Wesson, 2018-03-20 Organizational Behavior 6th edition by Colquitt LePine and Wesson continues to offer a novel approach using an integrative model and roadmap to illustrate how individual team leader and organizational factors shape employee attitudes and how those attitudes impact performance and commitment This model reminds students where they are where they've been and where they're going They include two unique chapters on job performance and organizational commitment Those topics are critical to managers and students alike and represent critical outcomes in OB Each successive chapter then links back to those outcomes illustrating why OB matters in today's organizations

Organizational Behavior: Essentials for Improving Performance and Commitment Michael Wesson, Jeffery LePine, Jason Colquitt, 2009-01-23 Colquitt LePine and Wesson's Organizational Behavior Essentials for Improving Performance and Commitment in the Workplace represents the most up to date perspective on Organizational Behavior OB on the market today Many students leave their OB courses asking questions like Does any of this stuff really matter How does all this stuff fit together If that theory doesn't work why is it in the book and Does this stuff have to be so dry Those questions will never be asked if Colquitt Essentials is used The author team has written a text that highlights the importance of course topics while organizing them around an integrative model of OB The text is also contemporary omitting outdated and disproven models that remain in other texts Most important to students the text is written in an approachable conversational tone with features that students actually want to read Colquitt Essentials is the complete package in a condensed unique and visually stimulating format all without losing the integrity and level of quality we've come to expect from this author team This text stands out from the competition for four key reasons A Focus on Performance and Commitment Being a good performer and working for an employer that inspires commitment are critical concerns for employees and managers alike Colquitt Essentials takes a unique approach by devoting Chapter 2 to job performance and organizational commitment Once these two key outcomes have been spotlighted all of the remaining chapters are linked back to them illustrating the importance of the chapter topics to performance and commitment An Integrative Model of OB The table of contents is organized around an integrative model described in Chapter 1 that provides a roadmap for the course showing students how all of the chapters fit together Unlike many OB texts with many editions behind them Colquitt Essentials avoids being grab baggy in nature with what seem to be randomly placed topics The positioning of every topic makes sense and it's easy for students to understand how the topics they are studying fit into the bigger picture Contemporary Content When creating the book the author team asked themselves what OB texts would look like if all of them were first written in 2008 Many OB texts include outdated and disproven models just to maintain continuity with earlier editions Such content frustrates students who don't understand why they should learn theories that are not valid Colquitt

Essentials omits such theories devoting more space to contemporary topics that are useful for employees and managers. Features that Students Want to Read Each chapter includes special insert box features like OB on Screen OB in Sports OB for Students and OB Internationally that help bring OB to life for the reader. Many of these features have been praised by students for their ability to demonstrate OB content in a fun and appealing manner. Colquitt Essentials also uses an informal style that students enjoy reading while focusing on company examples that students find interesting: Google, Netflix, Best Buy, Four Seasons, eBay, and others.

**Organizational Behavior: Improving Performance and Commitment in the Workplace** Jason Colquitt, Jeffrey LePine, Michael Wesson, 2010-02-12 The introductory section of Colquitt contains two chapters not found in the beginning of other books: Job Performance and Organizational Commitment. Why is this important? Being good at one's job and wanting to stay with one's employer are critical concerns for employees and managers alike. This book takes a unique approach by highlighting the concepts of PERFORMANCE and COMMITMENT at the beginning of the book. After describing these topics in detail, every remaining chapter in the book concludes by linking that chapter's major topic to performance and commitment. Using this approach, students can better appreciate the practical relevance of organizational behavior concepts.

**Organizational Behavior: Improving Performance and Commitment in the Workplace with Connect Plus** Jason Colquitt, Jeffrey LePine, Michael Wesson, 2010-06-16

**Organizational Behavior** Jason A. Colquitt, Jeffery A. LePine, Michael J. Wesson, 2014-03-01 The introductory section of Colquitt contains two chapters not found in the beginning of other books: Job Performance and Organizational Commitment. Why is this important? Being good at one's job and wanting to stay with one's employer are critical concerns for employees and managers alike. This book takes a unique approach by highlighting the concepts of PERFORMANCE and COMMITMENT at the beginning of the book. After describing these topics in detail, every remaining chapter in the book concludes by linking that chapter's major topic to performance and commitment. Using this approach, students can better appreciate the practical relevance of organizational behavior concepts. To the student, performance is accelerated by providing a conversational writing style making OB enjoyable to read, showing OB concepts as they are applied today, and including features that readily help students translate OB into the world around them. Connect then serves as the conduit to reinforce those concepts. All this ensures that your students achieve success in the classroom, readying them for today's real business world.

**Organizational Behavior 4** John B. Miner, 2015-03-26 This unique work bridges the gap between theory and practice in organizational behavior. It provides a practical guide to real life applications of the 35 most significant theories in the field. The author describes each theory and then analyzes its usefulness and importance to the successful practice of management. His analysis covers key managerial topics such as goal setting, training, and development, assessment, job enrichment, influence processes, decision making, group processes, organizational development, organizational structuring, and effective organizational operation.

**Organizational Behavior: Improving Performance and Commitment in the Workplace** Jason Colquitt, Michael Wesson, Jeffrey LePine, 2008-01-08 Colquitt

Organizational Behavior Improving Performance and Commitment in the Workplace provides a fresh modern look at Organizational Behavior with scientifically proven models and theories Research on learning motivation has shown that students learn more when they have an intrinsic interest in the topic This prompted the Colquitt team to create an OB text to using a more informal conversational style and use of company examples students will be familiar with and find compelling thus helping to stimulate interest Each chapter includes special features designed to bring OB to life Chapters open around an integrative model that provides students with a roadmap of the course showing them where they have been and where they are going IMPORTANT NOTE The introductory section of Colquitt contains two chapters not found in the beginning of other books Job Performance and Organizational Commitment Why this is important Being good at one s job and wanting to stay with one s employer are critical concerns for employees and managers alike This book takes on a unique approach highlighting the concepts of PERFORMANCE and COMMITMENT at the beginning of the book After describing these topics in detail every remaining chapter in the book links back to the theory of performance and commitment From this organization students can better appreciate the practical relevance of organizational behavior concepts
