Midnight Supper At The Rise And Shine:

Rise and Shine Simon Lewis,2010-05-01 When I was thirty five my wife and I were both reported dead by the first paramedics to arrive at the scene of a seventy five mile an hour hit and run My wife Marcy died instantly that day With brain damage from a massive stroke and my body broken I wasn t expected to survive either So begins Rise and Shine the dramatic story of Simon Lewis and his remarkable recovery from a horrific car accident Told through the eyes of someone who has lived through it and successfully overcome the hurdles of the health insurance maze Rise and Shine is a first person account of unexpected tragedy and life affirming courage with lessons both medical and spiritual Rise and Shine shows how much patients can achieve beyond the limited horizons of insurance based diagnosis treatment and rehabilitation to attain maximum regeneration and rebuild their lives An inspiring story about what it means to return to life after a near death experience Rise and Shine is essentially an exploration of the nature of consciousness itself and an impassioned tale about survival and recovery

Midnight Supper at the Rise and Shine Tara Woolpy, 2015-05-21 Bad luck and worse choices that Irene She's been a widow half her life and now splits her time between waitressing at the Rise and Shine cafe and singing in an oldies cover band And she's having an affair with a married man something that even her eclectic super liberal family can't condone She'd be the first one to admit she has faults but she's not a bigot The genetic pool in her nuclear family spans the globe And it's not that she's prejudiced against people with disabilities but that doctors and wheelchairs give her the heebie jeebies So when a cute guy in a chair keeps showing up in the restaurant she's clumsy awkward and strangely drawn Can Irene let go of the past or is she too emotionally broken to find a future worth the risk
