Midterm Exam For Nursing:

Final Exam Pauline W. Chen, 2008-01-08 A brilliant transplant surgeon brings compassion and narrative drama to the fearful reality that every doctor must face the inevitability of mortality Uncommonly moving A revealing and heartfelt book Atul Gawande 1 New York bestselling author of Being Mortal When Pauline Chen began medical school she dreamed of saving lives What she could not predict was how much death would be a part of her work Almost immediately she found herself wrestling with medicine s most profound paradox that a profession premised on caring for the ill also systematically depersonalizes dying Final Exam follows Chen over the course of her education and practice as she struggles to reconcile the lessons of her training with her innate sense of empathy and humanity A superb addition to the best medical literature of our time

Client Education: Theory and Practice Mary A Miller, Pamela Rae Stoeckel, 2024-11-29 Client Education Theory and Practice Fourth Edition teaches nursing students the important skills of patient education and health promotion The authors use their unique Miller Stoeckel Client Education Model as the organizing framework to emphasize the importance of the Nurse Client Relationship and how this relationship is paramount to the success of client education They focus on the key role that nurses play in educating individuals families and groups in clinical settings The updated Fourth Edition addresses the need for health education in nursing by covering the learning process and discussing the needs of clients across the age span The authors thoughtful revision includes updated statistics on chronic diseases and new data on generations Z and Alpha Furthermore they teach students how to work with culturally diverse populations by presenting specific teaching approaches
