J K.Rowling,Fantastic Fantastic stories,2015-05-25 As the reviews started to appear after J K Rowling s publication of Harry Potter and the Order of the Phoenix on June 21 2003 they all commented on the same thing Harry Potter is getting darker We found these reviews a little surprising before we read the book after all Book 4 Harry Potter and the Goblet of Fire is pretty dark what with Voldemort s murder of Cedric Diggory at the end How much darker could Book 5 really be But Order of the Phoenix is a whole new level of grim Harry is angry for pretty much the whole book which is both understandable given what s happened to him over the past four years and b kind of hard to read The whole idea behind the Harry Potter series is that the novels are aging along with the characters And of course the whole world knows that the teenage years can get pretty angsty somewhat self involved and difficult to be around In Book 5 Harry Potter has all of those traits he spends a lot of time hurting his closest friends flaring up at imagined insults and generally being brooding and emo When asked about her inspiration for making Harry so very grouchy in Book 5 Rowling replied Well I taught teenagers for a while They were my favourite age group to teach in fact So I think I drew a bit on that and I drew on memories of how grumpy we all were when we were teenagers My sister s here to watch this and she was very grumpy so I drew a lot on her source So Harry is angry because J K Rowling has known a lot of teenagers and has been one herself and she knows that teens can get that way It s a tough time filled with hormones and confusion and changes enough to make anyone grouchy But of course Harry s anger isn t just aimless brooding He s got a lot on his plate much of the plot of Book 5 focuses on an evil government bureaucracy targeting Harry with a coordinated smear campaign that destroys his credibility within wizarding society You know how it s easy to feel isolated and lonely in high school Well add to that the Ministry of Magic forces that are actively trying to separate Harry from his friends and supporters and you ll get a sense of how conflicted and miserable he must feel What s more Harry has witnessed the death of a schoolmate and the rise of Voldemort enough to stress anyone out Harry s rage is understandable which is what makes us stick by him even when he s at his most stubborn and difficult Rowling comments He s a lot lot lot angrier in this book He really is quite angry a lot of the time and I think justifiably so look at what he has gone through It is about time he started feeling a little bit miffed at the hand life has dealt him source Harry s prolonged emotional breakdown in Book 5 is a necessary part of his character development since he s been systematically targeted by a deranged murderer his whole life we think we can give Harry a pass for one book full of conflicting emotions Still note that we say his breakdown is prolonged that s the other thing that nearly every reviewer mentions about Harry Potter and the Order of the Phoenix It s dark And it s long The Scholastic edition of the novel is nearly nine hundred pages pretty intense for a young adult novel
