The Jesuit Warrior Clint Bennett, 2020-01-29 Two men of God left Spain for the new world One of

them was a fully ordained member of the elite Jesuit society and the other was his protégé. The faith of the Jesuit was deeply ingrained and unwavering while the faith of his student was weak and questionable at best. They each left Spain with different goals. The goal of the Jesuit was to save the souls of the pagan tribes thought to occupy west central Florida while the goal of the youth was exploration and adventure. The apprentice had witnessed horrific events as a child, events that were approved and encouraged by the church and the inquisition. He would later witness events that would destroy his fragile faith and turn his life in a completely different direction. He became a realist. Although he still searched for truth and honor, he was convinced he would not find it in the teachings and actions of the Jesuits or the Spanish. He renounced his heritage and the teachings of the Jesuits became irrelevant. He would find his truth and honor in the most unlikely of places among the so-called pagan savages called the Calusa.

Women's Stories in Le Mercure Galant (1672-1710)

Deborah Steinberger, 2025-10-01. What do women want to read? Jean Donneau de Visé, the founder and editor in chief of *Le Mercure Galant*, one of France's first newspapers, was arguably the first journalist to ask this question and to recognize and capitalize upon the influence of female readers and their social networks. By including custom content and performing the act of listening to women, *Le Mercure Galant* situates itself as an intermediary using the *nouvelle* as a vehicle to amplify women's voices. These fictions, presented as true stories, depict incidents and situations that women often bore silently in real life: domestic violence, romantic betrayal, dishonor, or simply loneliness. By publishing these stories alongside its chronicle of historic events, the *Mercure* lends credence and prestige to depictions of the private life of anonymous individuals, exploiting the ostensibly anodyne genre of women's fiction to disseminate modern ideas about women's agency.

A History of Classical Malay Literature Liaw Yock Fang, 2013. This is a detailed narrative-based history of Classical Malay Literature. It covers a wide range of Malay texts, including folk literature, the influence of the Indian epics, and shadow theatre. Panji tales, the transition from Hindu to Muslim literary models, Muslim literature, framed tales, theological literature, historical literature, legal codes, and the dominant forms of poetry, the *pantun* and *syair*. The author describes the background to each of these particular literary periods. He engages in depth with specific texts, their various manuscripts, and their contents. In so doing, he draws attention to the historical complexity of traditional Malay society, its worldviews, and its place within the wider framework of human experience. Dr. Liaw's *History of Classical Malay Literature* will be of benefit to beginning students of Malay Literature and to established scholars alike. It can also be read with benefit by those with a wider interest in Comparative Literature and in Southeast Asian culture in general.
