Organic Outreach For Churches Infusing Evangelistic Passion Into Your Congregation:

Organic Outreach for Churches Kevin G. Harney, 2018-05-22 Nearly all churches and ministries consider themselves dedicated to evangelism and many explicitly include outreach in their mission statements. But few are actually bearing fruit. Kevin Harney diagnoses this problem and offers guidance for multiplying the outreach impact of churches. *Organic Outreach for Churches* provides direction for local congregations to weave evangelism into the fabric of the church. Commitment to the Great Commission is not simply about sending money and prayers to missions or holding occasional events to reach out, although these things are good. Organic outreach happens when evangelistic vision and action become the domain of every ministry and the commitment of every person in the congregation. This will not happen accidentally. There is huge spiritual and practical resistance to such changes. But the only way evangelism will become an organic part of a church is when every leader and each member is gripped by a commitment to proclaiming the gospel. This book is a roadmap for pastors and leaders who wish to infuse evangelistic passion into every aspect of their church's life. [Organic Outreach for Churches Video Study](#)

Kevin G. Harney, 2017-06-27 Most churches want to become an evangelistic force in their community but sporadically focusing on outreach, giving money to missions and praying for others isn't enough. Organic outreach happens when evangelistic passion is weaved into every program and action. Pastor Kevin Harney explains how in the *Organic Outreach for Churches Video Study*. **Gospel Witness** David M. Gustafson, 2019-02-14 In light of our increasingly post-Christian Western contexts, David Gustafson offers a mission-oriented ecclesiology that moves from missional theory to practices of missional engagement. Introducing God's human drama as a way to explain the gospel within God's redemptive story, he outlines specific ways for pastors and church leaders to shape a gospeling culture within their congregations. Gustafson expertly lays the foundations of and approaches to evangelism that are seminal and apt for the church today.

[Organic Disciples](#) Kevin G. Harney, Sherry Harney, 2021-12-28 Could sharing your faith be the secret to developing your spiritual maturity? For many followers of Jesus, discipleship means doing certain things to deepen our connection with Jesus Christ. But our spiritual growth checklists are often disconnected from the mission of reaching a lost world with the gospel message. Taking a holistic approach that unites evangelism and discipleship, Kevin and Sherry Harney demonstrate how God's plan for our spiritual growth is intimately connected to his mission to the world. In *Organic Disciples*, the couple lead ordinary followers of Jesus through seven markers of spiritual maturity, showing how simple shifts in our Bible reading, prayer, community life, giving service, and other biblical practices can connect us with God's work of reaching people with his love. You'll learn why true spiritual maturity will always lead believers outward to engage the world with the good news and truth of Jesus. How to overcome the common roadblocks and false narratives that stand in the way of spiritual maturity. How to design a personal pathway of growth to be more like Jesus in character and mission. Making Disciples Through Effective Outreach Mark A. Wood, 2022 Outreach is more than hosting community events. Attracting unchurched people to events and activities is one thing. Engaging them over time is another. Effective outreach helps people move from having a connection with the congregation to becoming a disciple of Jesus. This book addresses what makes for effective outreach and how to improve your congregation's outreach to the unchurched people in your community. Rev. Mark Wood walks readers through a four-part process for congregations wishing to strengthen or initiate their outreach efforts, including how to: 1. build awareness, 2. create connections, 3. nurture relationships, and 4. make disciples. This resource book is perfect for congregation leaders, volunteers, and outreach teams. It is a great supplemental resource both for those who have completed the Every One His Witness workshop and for those who want to learn about effective community outreach.
