Mercy American Poets Continuum:

Mercy Lucille Clifton, 2004 A new collection by the National Book Award winner and one of America's most beloved poets **American Poetry since 1945** Eleanor Spencer-Regan, 2017-09-16 This book features a collection of essays on some of the key poets of post war America written by leading scholars in the field All the essays have been newly commissioned to take account of the diverse movements in American poetry since 1945 and also to reflect retrospectively on some of the major talents that have shaped its development In the aftermath of the Second World War American poets took stock of their own tumultuous past but faced the future with radically new artistic ideals and commitments More than ever before American poetry spoke with its own distinctive accents and declared its own dreams and desires This is the era of confessionalism beat poetry protest poetry and avant garde postmodernism This book explores the work of John Berryman Robert Lowell Elizabeth Bishop Adrienne Rich and Sylvia Plath as well as contemporary African American poets and new poetic voices emerging in the 21st century This New Casebook introduces the major American poets of the post war generation evaluates their achievements in the light of changing critical opinion and offers lively incisive readings of some of the most challenging and enthralling poetry of the modern era The Continuum Encyclopedia of American Literature Steven R. Serafin, Alfred Bendixen, 2005-09-01 More than ten years in the making this comprehensive single volume literary survey is for the student scholar and general reader The Continuum Encyclopedia of American Literature represents a collaborative effort involving 300 contributors from across the US and Canada Composed of more than 1 100 signed biographical critical entries this Encyclopedia serves as both guide and companion to the study and appreciation of American literature A special feature is the topical article of which there are 70 The Continuum Dictionary of Women's Biography Jennifer S. Uglow, Frances Hinton, 1989 A Directory of American Poets and Fiction Writers ,1990 Public Library Core Collection John Greenfieldt, Patrice Bartell, 2008 Wilson's Public Library Core Collection Nonfiction 13th Edition 2008 recommends reference and nonfiction books for the general adult audience It is a guide to over 9 000 books over 6 500 titles are new to this edition plus review sources and other professional aids for librarians and media specialists Acquisitions librarians reference librarians and cataloguers can all use this reliable guide to building and maintaining a well rounded collection of the most highly recommended reference and nonfiction books for adults All titles are selected by librarians editors advisors and nominators all of them experts in public library services The collection is a valuable tool for collection development and maintenance reader s advisory weeding your collection and curriculum support Richly enhanced records provide a wealth of useful information All entries include complete bibliographic data as well as price subject headings annotations grade level Dewey classification cover art and quotations from reviews Many entries also list awards best book lists and starred reviews Save Time Efficiently organised and includes Starred titles Save Money Allocate your resources to the best materials available Stay Relevant Discover the best in important contemporary categories Complete Coverage

most comprehensive and most substantial critical work ever devoted to the major American poet Robinson Jeffers 1887 1962

Jeffers the best known poet of California and the American West particularly valorized the Big Sur region making it his own as Frost did New England and Faulkner Mississippi and connecting it to the wider tradition of the American sublime in Emerson Thoreau and John Muir The book also links Jeffers to a Puritan sublime in early American verse and explores his response to the Darwinian and Freudian revolutions and his engagement with modern astronomy This discussion leads to a broad consideration of Jeffers focus on the figure of Christ as emblematic of the human aspiration toward God a God whom Jeffers defines not in Christian terms but in those of an older materialist pantheism and of modern science The later sections of the book develop a conspectus of the democratic sublime that addresses American exceptionalism through the prism of Jeffers Jeffersonian ethos A final chapter places Jeffers poetic thought in the larger cosmological perspective he sought in his late works

The Smoke of Horses Charles Rafferty,2017-09-18 In this fascinating new collection by longtime poet Charles Rafferty evocative prose poems insert strange and mysterious twists into otherwise mundane middle class scenarios With wonderful intelligence and imagination these compact revelatory poems show us what is possible when we jettison accepted devices of thought for methods that are stranger and much truer Charles Rafferty is the author of six collections of poetry one collection of stories and two poetry chapbooks He lives in Sandy Hook CT where he works at a technology research firm directs the MFA program at Albertus Magnus College and teaches in the Westport Writers Workshop

Nomina Karen Volkman, 2008 Winner of the James Laughlin Award and Iowa Prize returns with a mind bending sonnet collection Women's Narratives of the Early Americas and the Formation of Empire Mary McAleer Balkun, Susan C. Imbarrato, 2016-04-08 The essays in this collection examine the connections between the forces of empire and women's lives in the early Americas in particular the ways their narratives contributed to empire formation Focusing on the female body as a site of contestation the essays describe acts of bravery subversion and survival expressed in a variety of genres including the saga letter diary captivity narrative travel narrative verse sentimental novel and autobiography The volume also speaks to a range of female experience across the Americas and across time from the Viking exploration to early nineteenth century United States challenging scholars to reflect on the implications of early American literature even to the present day

Florence Nightingale Mark Bostridge, 2008-10-14 The common soldier's savior the standard bearer of modern nursing a pioneering social reformer Florence Nightingale belongs to that select band of historical characters who are instantly recognizable. Home schooled bound for the life of an educated Victorian lady Nightingale scandalized her family when she found her calling as a nurse a thoroughly unsuitable profession for a woman of her class. As the Lady with the Lamp ministering to the wounded and dying of the Crimean War she offers an enduring image of sentimental appeal. Few individuals in their own lifetime have reached the level of fame and adulation attained by Nightingale as a result of her efforts. Fewer still have the power of continuing to inspire controversy in the way she does almost a century after her death. In this remarkable book the first major biography of Florence Nightingale in more than fifty years Mark Bostridge draws on a

wealth of unpublished material including previously unseen family papers to throw new light on this extraordinary woman s life and character Disentangling elements of myth from the reality Bostridge has written a vivid and immensely readable account of one of the most iconic figures in modern history New Books on Women and Feminism ,2014 Steve Kronen, 2006 Steve Kronen's poems explore the hardships that daily challenge the human heart Some of the poems in Splendor focus on our inescapable vulnerability due to aging or accident Splendor also includes love poems to the author s wife and daughter Many of the poems are rhymed and metered and use formal elements such as sonnets villanelles a sestina a Dantean canzone nonce forms and others Steve Kronen's first book Empirical Evidence 1992 won the Contemporary Poetry Series Competition Poems from Splendor have appeared in Poetry The New Republic The New Criterion The Paris Review Ploughshares Agni The Georgia Review and elsewhere American Poets Continuum Series ,1977 **Eliot and Beckett's Low Modernism** Rick de Villiers, 2021-11-24 lt h4gt Explores the relation between humility and humiliation in the works of T S Eliot and Samuel Beckettlt h4gt lt ulgt lt ligt Offers the first book length comparative study of T S Eliot and Samuel Beckettlt ligt lt ligt Develops a literary theory of humility and humiliation concepts whose definitions have largely been determined by philosophy and theologylt ligt lt ligt Explores the relation between negative affect ethics and aestheticslt ligt lt ulgt lt pgt Humility and humiliation have an awkward often unacknowledged intimacy Humility may be a queenly cardinal or monkish virtue while humiliation points to an affective state at the extreme end of shame Yet a shared etymology links the words to lowliness and further down to the earth As this study suggests like the terms in question T S Eliot and Samuel Beckett share an imperfect likeness Between them is a common interest in states of abjection shame and suffering and possible responses to such states Tracing the relation between negative affect ethics and aesthetics lt igt Eliot and Beckett s Low Modernismlt igt demonstrates how these two major modernists recuperate the affinity between humility and humiliation concepts whose definitions have largely been determined by philosophy and theology lt pgt
