Mere Churchianity Finding Your Way Back To Jesus Shaped Spirituality:

Mere Churchianity Michael Spencer, 2010 Studies show that one in four young adults claim no formal religious affiliation and church leaders have long known that this generation is largely missing on Sunday morning Hundreds of thousands of church leavers have had a mentor and pastor however in Michael Spencer known to blog readers as the Internet Monk

Mere Churchianity Michael Spencer, 2010-06-01 Have you left the church in search of Jesus Studies show that one in four young adults claim no formal religious affiliation and church leaders have long known that this generation is largely missing on Sunday morning Hundreds of thousands of church leavers have had a mentor and pastor however in Michael Spencer known to blog readers as the Internet Monk Spencer guided a vast online congregation in its search for a more honest and more immediate practice of Christian faith Spencer discovered the truth that church officials often miss which is that many who leave the church do so in an attempt to find Jesus For years on his blog Spencer showed de church'd readers how to practice their faith without the distractions of religious institutions Sadly he died in 2010 But now that his last message is available in *Mere Churchianity* you can benefit from the biblical wisdom and compassionate teaching that always have been hallmarks of his ministry With *Mere Churchianity* Spencer's writing will continue to point the disenchanted and dispossessed to a Jesus shaped spirituality And along the way his teachings show how you can find others who will go with you on the journey [Finding God in the Verbs](#) Jennie Isbell, J. Brent Bill, 2015-02-10 Do you long for deeper communion

with God Join Jennie Isbell and Brent Bill on this prayer journey into the deep waters of the Spirit This book offers companionship and guidance as you begin to notice consider and deepen your prayer experiences with refreshing exercises sprinkled through every chapter to offer you a fresh language for prayer *The Revelation of Jesus Christ* Jon Scott Birch, 2022-09-21 The testimony of Jesus is the spirit of prophecy Rev 19 10 and a prophetic perspective promotes purpose Yet in a world swiftly growing callous true purpose and meaning are fading Many of Jesus disciples today have lost their first love which is Jesus himself Rev 2 4 And too many souls overall miss the wonder inspiration and comfort gained by those who would endeavor toward fuller comprehension of the book of Revelation Blessed are they who read and those who hear the words of this prophecy and keep those things which are written in it for the time is near Rev 1 3 Neglect of the Holy Spirit slothfulness fear and the ongoing confusion generated by competing interpretations and bad theology are the primary obstacles between an individual and the liberation to be had by reading the last book of the Bible We must not forget that while the apostle John wrote the book of Revelation its author is Jesus Christ and he is not an author of confusion but of peace 1 Cor 14 33 This commentary presents a practical discipleship based perspective toward following Jesus into the very heart of his Revelation So as the end of this clamorous age approaches may we truly hear what the Spirit is saying to the churches *The Body of Jesus* Patrick Schreiner, 2016-07-14 Little attention is usually given to the space or place of the kingdom Yet Matthew employs the distinctive phrase kingdom of heaven and also portrays Jesus as Immanuel God with us In

this volume Patrick Schreiner argues that by expanding one's view of space one can see that Jesus' purpose is to reorder the space of the earth in Matthew as the heavenly king Jesus pierces the barrier between the two realms in his incarnation and the spaces of heaven and earth begin to collide in his ministry. Therefore in Matthew Jesus does not just promise a temporal or ethereal kingdom but one that is located one that has a sense of rootedness. Jesus is granted authority over this space and inspires people to follow him in this construction project. The spatial kingdom begins in his body and he extends it to his church by promising his presence.

The Resurgent Church Mike McDaniel, 2016-05-24 For the first time in centuries the Church no longer has a primary place in the cultural dialogue. Christian leaders living off old assumptions are struggling while missional churches are discovering new ways to reinvent themselves, arrest the general decline and become catalysts for new strategies for reaching non-believers. These new voices are following the lead of the early church, shifting their focus to a missional model. The Resurgent Church will help church leaders who are struggling to find and incorporate this new paradigm into their local church body.

The Explicit Gospel Matt Chandler, 2014-06-30 You know you know it. But then again maybe you don't. Even if you go to church it doesn't mean that you are being exposed or exposing others to the gospel explicitly. Sure most people talk about Jesus and about being good and avoiding bad but the gospel message simply isn't there at least not in its specificity and its fullness. Inspired by the needs of both the over-churched and the unchurched and bolstered by the common neglect of the explicit gospel within Christianity, popular pastor Matt Chandler writes this best-selling treatise to remind us what is of first and utmost importance: the gospel.

McMaster Journal of Theology and Ministry: Volume 14, 2012-2013 Lois Dow, 2014-03-18 The McMaster Journal of Theology and Ministry is an electronic and print journal that seeks to provide pastors, educators and interested lay persons with the fruits of theological, biblical and professional studies in an accessible form. Published by McMaster Divinity College in Hamilton, Ontario, it continues the heritage of scholarly inquiry and theological dialogue represented by the College's previous print publications: the Theological Bulletin, Theodolite and the McMaster Journal of Theology.

The Explicit Gospel Matt Chandler bersama Jared C. Wilson, 2020-06-04 Anda pasti tahu tentang ini. Tapi sebenarnya mungkin juga Anda tidak tahu. Meski Anda pergi ke gereja tidak berarti Anda telah diberikan Injil yang jelas. Sebagian besar orang memang bicara tentang Yesus menjadi orang baik dan menghindari yang jahat, tapi berita Injil tidak ada di sana. Setidaknya tidak secara spesifik dan menyeluruh. Terinspirasi oleh kebutuhan orang yang sering ke gereja maupun yang tidak pernah ke gereja dan didorong oleh pengabaian yang umumnya dilakukan dalam memberitakan Injil secara jelas dalam kekristenan, Matt Chandler menulis sebuah buku untuk mengingatkan kita apa yang menjadi hal yang paling utama dan terpenting. Injil inilah panggilan yang sebenarnya dari kekristenan: mengenal Injil yang jelas dan menyatukan gereja di atas dasar yang agung dari kabar baik tentang Yesus.

University of Florida Journal of Law and Public Policy, 2013-08 **Why We Need the Church to Become More Like Jesus** Joseph H. Hellerman, 2017-11-09 Many of us long to experience the fullness of God and his purpose for our lives. Not a

whole lot of us ever do The reason is that we have departed in some significant ways from the biblical view of Christian life and growth The New Testament highlights the communal missional and eschatological aspects of our walk with God We grow in our faith as individual Christians to the degree that we are a deeply rooted relationally in a local church community that is b passionately playing its part in God s grand story of Creation Fall Redemption and Restoration and c intently anticipating the summing of all things in Christ when Jesus returns In recent decades American evangelicals have traded away community outreach and the Bible s teaching about eternity future for the pursuit of individual religious experience in the here and now Why We Need the Church to Become More Like Jesus traces this departure from biblical Christianity through recent decades of popular evangelical trends and reminds us that faith centered on community mission and the story line of Scripture remains the key to the spiritual formation of the individual Christian Kingdom Triangle J. P. Moreland,2009-07-13 J P Moreland Christian philosopher theologian and apologist issues a call to recapture the drama and power of kingdom living to cultivate a revolution of Evangelical life spirituality thought and Spirit led power Drawing insights from the early church he unpacks three essential ingredients of this revolution Recovery of the Christian mind Renovation of Christian spirituality Restoration of the power of the Holy Spirit Western society is in crisis the result of our culture s embrace of naturalism and postmodernism and a biblical worldview has been pushed to the margins Christians have been strongly influenced by these trends with the result that their personal lives often reflect the surrounding culture more than the way of Christ and the church s transforming influence on society has waned as a result Kingdom Triangle is divided into two major sections The first examines and provides a critique of secular worldviews and shows how they have ushered in the current societal crisis The second lays out a strategy for the Christian community to regain the potency of kingdom life and influence in the world Moreland believes that evangelical Christianity can mature and lead the surrounding society out of the meaningless morass it finds itself in with humility and vision With clear insight he puts the thoughtful Christian in a position to understand our current cultural struggle and to return to a responsible presentation of the way of Christ as not just a way of right living but also a way of knowledge and meaningful life The Path of the Mystic N. N. Wilson,2020-01-22 A mystic is not a mysterious person A mystic is a son of God who has come to the place where he understands that God is his very life Are you aware that right within you lies the very source of all creation If you ve come to the place where you are tired of the prayers of pastors that yield no result and the prophecies of prophets that never come to pass then you are truly ready for the manifestation of the Divine life that you are Jesus Christ gave us apostles prophets evangelists pastors and teachers to build us in the knowledge of the Son of God so that we become mature sons attaining to the full measure of the fullness of Christ He sent me to tell you the truth that you are the full depository of the divine life that what you are finding is what is finding and that you are the very fulfilment of God The Path of the Mystic unveils the inward journey to the blessed reality that God is in you and redirects your focus away from everything the world is presenting to that which is seated within you The

mystical path is found by the very few who are hungry and searching for the ultimate reality as it is written Because straight is the gate and narrow is the way which leadeth unto life and few there be that find it God is the uncreated Life that lies within you As you walk in this path you become a living source as you rise to the dimension of hearing the still small voice within you Every mystic rises to the dimension where he she will say it is either God is a liar or God is truth N N Wilson has been sent to take the church from the written letter of the pages of the Bible to living reality so that what you hear as the word of life you can live it and see it In this book you will find the path of the mystic This path is not outside but within you

Why Jesus? Ravi Zacharias,2012-01-25 The author believes that over the past forty years movements like New Age spirituality and society s obsession with human potential have combined like a perfect storm to redefine for popular culture what has been for centuries the classic biblical definition of the person work and teaching of Jesus Christ In *Why Jesus* Ravi Zacharias looks at the impact of this storm by discussing the 60s 70s Age of Aquarius actor Shirley MacLaine s book and TV series *Out On a Limb* author James Redfield *The Celestine Prophecy* Rhonda Byrne *The Secret* Dan Brown *The Da Vinci Code* and other books by Eckart Tolle Wayne Dyer Deepak Chopra the Dali Lama and Marianne Williamson Special attention will be given to the influence of Oprah Winfrey s media platform in reshaping society by introducing and promoting certain books and authors Major new age and human potential tenets will be discussed like the belief that we are all gods and have to discover our divinity Jesus was only a good teacher Christianity is but one among many ways to eternal life reincarnation is real Jesus was married truth is relative there is no sin and perfection is possible The truth of and the arguments for the bodily resurrection of Jesus will be presented as the most important argument for the exclusive claims about Jesus and Christianity

Christ Emerging in Us Gerald B. Kinneavy,2006-04 Finding Christ in Yourself and in Others This book traces the movement from a focus on one s individual self and its spiritual core to nothing short of the whole world with Christ as its center A professor of medieval literature for thirty years the author enriches the spiritual journey with the writings of the mystics Questions for group study or meditation are included at the end of each chapter *The God of Intimacy and Action* Mary Albert Darling,2019-03-05 Acclaimed evangelical speaker and writer Tony Campolo teams up with spiritual director and teacher Mary Albert Darling to reveal some gems from the liturgical Christian tradition to Protestants who may be ready for a refreshing change While steeped in their own evangelical tradition the authors are not afraid to venture back into Christian history and reclaim practices that have long been considered exclusively Catholic including Centering Prayer along with works by Ignatius Loyola and Catherine of Siena as excellent spiritual tools to help evangelicals grow in faith and love for the poor A vital theme in Campolo and Darling s work is that spirituality is not solely an individualistic practice but must lead Christians to love and help the oppressed True Christian mysticism they posit is not an either or proposition That s because the nexus between evangelism and justice is to be found in Christian mysticism **The Way of Jesus** Toby Jones,2010-02-01 Countless books have been written about the impending death of the institutional church but this one both

celebrates the resurrection that will follow and lights the way toward a new kind of spiritual community The Way of Jesus identifies seven principles upon which authentic and vibrant Christian communities can be built in today's diverse and ever shrinking world Toby Jones traveled across the country from San Francisco's Glide Memorial Church to New York's Church of the Holy Apostles and from Chicago's Wicker Park Grace to Minneapolis's Solomon's Porch He sojourned with seven communities in all and conducted in depth interviews with their leaders and participants to reveal what distinguishes resurrection communities from those in precipitous decline In The Way of Jesus Jones draws both from the scriptures and from such fresh thinkers as Brian McLaren Dallas Willard Doug Pagitt and Shane Claiborne offering genuine hope and practical direction to the millions of spiritually homeless But just as importantly The Way of Jesus offers a clear path to struggling shrinking congregations who desire to re-form themselves in a way that is both more faithful to the Gospel and compelling to post modern generations who have long since abandoned the institutional church

Back to the Source Mic Hunter, 2011-01-06 Examines the principles taught by Jesus and applies them to issues such as the treatment of women and homosexuals wealth war and sex

The Great Awakening Andrew Burns, 2020-11-15 This is a book about a new beginning After 20 years of teaching and preaching with the churches of Christ in West Virginia Andrew Burns left the tradition and found a new home in the Orthodox Church In these pages you will read about the issues with which he struggled the solutions he found and the reasoning he went through that eventually led him away from the churches of Christ This is neither a condemnation of the churches of Christ nor an apology for Orthodox Christianity Instead it is Burns offering to those struggling with their faith that and they who suspect there may be more to Christian faith than they previously thought Andrew Burns shares his journey from the Church of Christ to the discovery of Christ himself Actually you can find in any church no matter what their designation those who are more aligned with their party than with Christ Many are born into their religion like Rachel who stole her father's gods Genesis 31:19 Religion then replaces a relationship with Christ This is Andrew's story Andrew's context is the most conservative wing of the Churches of Christ Usually these groups heavily emphasize conformity to a set ritual and find security in not being like the denominations He likens his experience to floating in a current that can carry one to being either closer to God or further from the truth p 14 Some settle in to float ignoring the reality of where they are going Andrew did not ignore that reality in recognizing it he paid a price but also found a treasure As he writes early on p 15 there is no solution but Jesus no decision but to follow him and no hope but the resurrection I am also a member of the Church of Christ just not the more conservative wing which Andrew describes as anti I am also a member of the church of Christ that is the universal church In the Churches of Christ there are some 60 divisions Most if not all of these fractures are a result of an insistence on conforming to external ritual I have my own history of the personal struggle of moving from ritual to reality This is why I can highly recommend this book to you Andrew's testimony in this book exalts Christ and exposes the idols of the human heart Something of value can be found in every chapter Jim Woodell
